SATURDAY, APRIL 18, 1908.

HON. J. FRANK TURNER, of Easton, has been announced as a candidate for congress. There will be others after awhile.

GOV. CROTHERS has vetoed the Worcester County Oyster Bill, and the Baltimore Sun and the advocates of the Haman Oyster Law are happy.

THE STATE LAWS will be found in our supplement. They are all very important, and every voter and taxpayer should read and study them carefully. We shall have more to say about the Corrupt Practices Act later.

IE THE TOWN purchases the waterworks, there will be saved to the commissioners every year the sum of $727, which they have been compelled to pay for water for fire purposes. This money will be used every year to improve the streets of the town. Will this benefit the town?

IT IS the history of every town that owns its waterworks that the rates to consumers is much less than it is in Chestertown. If the town own the water works, the rates to consumers will probably be made less, and if they have to pay little higher taxes, the difference will be more than equalized by the cheaper water rents.

SOME ONE who has not a spark of public spirit or welfare about him is telling the colored tax-payers that if the town buys the waterworks their taxes will be more than doubled. It is absolutely false. They may not have to pay *any more taxes*, and their house rent may be lessened by a reduction in the water rents.

WE ARE informed that the water company netted last year $3,000 from the water plant. If the town purchases the waterworks, this net income will provide for the payment of the interest on the bonds, and also for one bond of $1000, and leave $500 surplus. This will not necessitate any increase in the tax rate, and the waterworks will pay for themselves in a few years.

IF THE TOWN purchases the waterworks by vote of the people at the election on the 27th, the commissioners can start the sprinkler when they please and run it as long as they please because they will not be required to pay for the water. They can also run the fountain in the square and the drinking fountain for the same reason. Will this not be a great benefit to the beauty and good health of the town.

IF IT IS TRUE that there are more than twenty speakeasies doing a prosperous business in our town, as it has been reported, it is the duty of the Grand Jury at the coming session of court which begins on Monday, to use all possible efforts to bring the violators of the law to the bar of justice. We have been told and our observation has led us to believe that the law is being flagrantly violated in many instances in Chestertown, and we also believe that the officers of the law, and the Grand Jury are men who are anxious to see order preserved and the law enforced. It is an astonishing thing to us that a man who has any respect for himself should be so mean as to violate a law made to perserve his fellowman from a life of misery and shame, and if such a violator of the law is caught and convicted, there should be no case stilled against him, but he should be punished severely for breaking the law and damning his fellowmen. Three-fourths of the cases which come up for trial in our courts are the results of the effects of bad whiskey gotten from speakeasies and walking bars, and we do hope that the grand jury will find the violators and that the court will inflict the severest punishments.

PEOPLE'S COLUMN.

☞ The columns of the TRANSCRIPT are open to the proper discussion of all topics of public interest or importance. Whether the editors agree with the sentiment expressed or not, the people should and may be heard through the TRANSCRIPT's columns—the paper will be the People's Forum from which they may be heard on all subjects—purely personal matter excepted. The Editors are not responsible in any manner for articles that appear in this column.

MESSRS. EDITORS:—The "Endless Chain of Prayer" has again made its appearance. It comes periodically, indeed, it is almost an annual. I have seen this prayer many times during the past five or six years. It is worded differently every time it comes, the mode of use changes with every new issue; sometimes the prayer is long, sometimes it is short. The person receiving it is asked to make so many copies of it and send one of each to so many persons. It professes to be a charm against dire calamity, and it is declared that the writer of the stated number of copies and the receiver will have great joy. The letter states that this prayer, with the conditions attached, was sent out by Bishop Lawrence. This good bishop has declared more than once, in the public press, over his own signature, that it is a fraud, and that he knows nothing about it. A year or two ago the late Bishop Seymour was made sponsor for it, and he declared that he had no knowledge of it. It has also been laid at the door of other bishops, and they have denied any knowledge of it. This letter and the prayer is the work of some crank. There is no virtue in its use in the way directed. God will, indeed, hear and answer prayer against calamity and all evil, if it be made in faith, reverence and the right spirit. He does not limit His answer to any set form, to be used under certain prescribed conditions, as for instance, by letter through the postoffice. I trust no one will be led to believe that this is the way to avert harm. Pray by all means, but not in this way.

Picknell

RACE RECORD, 2:15¼.

Authentic Trial, 2:09.

FOALED 1901.

Registered No. 35,381; Rule No. 1, Trotting Standard.

The attention of prospectiive breeders is respectfully invited to what I believe is the most attractive proposition ever offered in this section. I INVITE THE FULLEST INVESTIGATION of this horse's claims to SUPERIORITY, and can furnish incontrovertible evidence from which the prospective breeder may draw his own conclusions.

PICKNELL'S SIZE, 15:2 hands, and COLOR, mahogany bay, are IDEAL and his BREEDING is THE HIGHEST OF FASHION. HIS CONFORMATION is the "EASY KEEPER" KIND. HE IS ABSOLUTELY LEVEL-HEADED, and HE IS SOUND and WITHOUT A BLEMISH. HE WEARS NO HOBBLES NOR OTHER FALSE RIGGING: and when raced, wore only such boots as are commonly used for protection.

PICKNELL was started GREEN, in the early fall of 1906, in SIX races, winning TWO of them, and being well up in the money the other four. He made his first, regular stud season, last year at Newark, Del.; and Mr. H. R. Tyson, in whose care he was, says that he would have had him in condition for the racing season, and a record well within the 2.10 list, but for the season I permitted him to make.

The oldest of Picknell's get is a two-year-old, bay filly, 15.1, no white, a blue ribbon winner, showing 2:30 speed as a yearling.

PICKNELL'S SIRE is ALLERTON, 2:09¼; CHAMPION TROTTING STALLION to HIGH WHEELS; THE LEADING SIRE FOR 1907, and THE GREATEST SIRE OF HIS AGE LIVING OR DEAD. Allerton 2:09¼, is sire of 178 in the list, of which 136 are TROTTERS, WITH RECORDS from 2:07½ to 2:30, and 42 pacers from 2:02 to 2:25. Allerton's sire was JAY BIRD, 2:31, sire of 106 TROTTERS from 2:06¼ to 2:30, and 12 PACERS from 2:09¼ to 2:25; and Jay Bird was by GEORGE WILKES, 2:22, etc.

PICKNELL'S DAM is BON BON, dam of Picknell, 2:15¼; Bon Jay, 2:19¼; Miss Minnie, 2:23; Gay Baron, 2:26¼, tr. 2:15; Jay Boul, tr. 2:09¼; Baron Stamboul, mat., 2:16, and Laurine, dam of four in the list, including THE KENTUCKY FUTURITY WINNER, OXFORD BOY, 2:20 at two years old. BON BON'S FULL SISTERS, Brava, 2:14¼, and Bon Mot, 2:25¼, each have THREE TROTTERS in THE LIST better than 2:30.

BON BON'S SIRE is BARON WILKES, 2:18, TROTTING, sire of 107 trotters from 2:08½ to :30, and 30 pacers from 2:08¾ to 2:26; and is the world-famed "FUTURITY SIRE."

BON BON'S dam MARY A. WHITNEY, 2:28, trotting, and dam of FIVE TROTTERS, from 2:14¼ to 2:30. She was by Volunteer, full brother to Dexter, 2:17¼, and the sire of 33 trotters and 1 pacer in the list, including the one-time WORLD'S CHAMPION TROTTER, ST. JULIEN, 2:11¼.

MARY A. WHITNEY'S DAM was PEGGY SLENDER, dam of the TROTTERS, Mary A. Whitney, 2:28, and Wm. H. Allen, 2:23¾.

PICKNELL will stand in my Calvert Street Stables, Chestertown, Md.

TERMS—$15.00 the season. Insurance, by special agreement, $25.00. Please make your bookings EARLY. All mares subject to my approval. I offer this very low price for reasons of my own. It is your opportunity.
