CHESTERTOWN, MARYLAND.

Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Helonias Dioica*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator * * * makes for normal activity of the entire reproductive system." He continues "in Helonias we have a medicament which more fully answers the above purposes *than any other drug with which I am acquainted.* In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helonias (Unicorn root). Pain or aching in the back, with leucorrhœa; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhœa, suppressed or absent monthly periods, arising from or accompanying an abnormal condition of the digestive organs and Anæmic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medical properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions * * and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, *there is no medicine in use about which there is such general unanimity of opinion.* It is *universally* regarded as the tonic useful in all debilitated states."

Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhœa (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

SHOOT AND CLUB A POSTMASTER.

Four Masked Burglars Then Rob His House.

Postmaster Morris, of Sassafras, Kent county, was shot in the leg, then beaten with a club by four masked burglars who afterward compelled the postmaster's wife, at the point of a revolver, to give them $90 in cash. After obtaining the money the men ordered Mrs. Morris to get back in bed. While she was doing this the intruders made good their escape.

Before attacking the postmaster and his wife the burglars broke into the postoffice and stole a lot of stamps. They then entered the residence part of the building and made their way to the postmaster's bedroom. Mr. and Mrs. Morris were awakened by the noise and got up to make an investigation.

One of the intruders made a rush for Mr. Morris and a short but fierce struggle ensued, during which the postmaster was shot in the leg, below the knee, by one of the other burglars. He continued to struggle with the first intruder, when one of the other men felled him to the floor with a terrific blow on the head with a club. While one of the robbers stood over Mr. Morris with a pistol the other two made their demands for money from Mrs. Morris, threatening to shoot her if she refused to comply with their request. She procured $90 in cash and some checks from a closet. The burglars took the cash, but declined to accept the checks.

They said they only wanted the big bills as the small change and checks were of no use to them. Shortly after the robbery the men called at the house of a colored man, near Sassafras and inquired the way to Elkton. Sheriff Hager and his deputy have been on the lookout for the burglars but have been unable to catch them. They are thought to be the same men who have been operating in Milford and other Delaware towns. Postmaster Morris, while painfully wounded will recover.

IT IS NOW TIME

to begin to think about spraying your orchards.
Begin by buying an

EMPIRE KING SPRAYER

which is the most satisfactory spray pump made.

After we have supplied you with a spray pump then the next is something to use in it. We have **Scalescide** which has been tried and found very satisfactory by such farmers as Mr. John Bell, Mr. James Bell, Mr. J. Thos. Smith, Mr. James Newnam, Mr. John Newnam, Mr. James A. Lee and many others. Mr. James A. Lee, of Sudlersville, Md., tells us that the inspector from the Maryland Experiment Station tells him that he never saw a better job done by anything or anybody, as he could absolutely find no live scale in his orchard after the use of SCALESCIDE. What better recommendation can you want than that?

WE ALSO HAVE THE SUCCESSS MANURE SPREADER

which is a thorough roller bearing machine, the only manure spreader yet using roller bearings which is a much lighter draft spreader. It is undoubtedly best manure spreader made. See us before buying. We are also prepared to furnish you with

Anything That You May Need on the Farm

Oliver Plows, Farm Wagons, Hames, Traces, Lines, Collars, Brides, Halters, Backbands, Etc.

If You Need a Gasoline Engine

either stationary or marine we are prepared to take care of you, for the stationary we have the McVICKER which is simplicity in itself, for the marine we have the FERRO which is too well-known here to need anything further said. Let us figure with you on your wants.
