CHESTERTOWN UP TO DATE.

Purchases Waterworks, Votes for Salary for Commissioners and for Additional Levy to Make Needed Improvements to the Streets—Mr. Carroll Re-elected Without Opposition.

At the town election held on Monday the tax-payers of the town voted favorably upon all questions, and began an era of "up-to-dateness" for the town that will place it in the front rank of the municipalities of the State. The vote was as follows:

For purchase of waterworks	142
Against purchase of waterworks	12
For paying commissioners salary.	133
Against commissioners salary	23
For increased Levy.	148
Against increased Levy	17

Mr. Wm. S. Carroll was re-elected commissioner without opposition, receiving 162 votes. The vote for Mr. Carroll was a flattering one, and shows that the people of the town have confidence in his ability as a public official. The vote for the municipal questions is indicative of the interest the tax-payers took in the matter, for an analysis of the vote will show that the largest and most substantial tax-payers voted in the election and decided all questions. It was, therefore, satisfactory from every viewpoint.

As a result of the election the town commissioners are authorized, under provisions of the Act of Legislature, to issue bonds to the amount of $30,000 and to purchase the waterworks at a price not exceeding $24,000. The bonds are to bear interest at rate of five per cent. per annum and are to mature and be retired $1000 annually beginning July 1, 1913. The bonds are to be sold to the highest bidder after due advertisement, no bid less than par to be accepted.

After purchase the waterworks are to be managed by a Water Board composed of three tax-payers. The initial Board will be appointed by the town commissioners and hold for one year. Subsequent members of the Board are to be elected by the tax-payers. The Commission or Board is required to give bond in the sum of $10,000.

Under the Act the town commissioners are also to levy an additional tax of not exceeding fifteen cents on the $100.

The town commissioners will hereafter receive an annual salary of $100 each.

The commissioners will meet on Monday night when a Water Board will likely be appointed.
