SHE WENT WET.

IT WAS a splendid grand jury—one of the best the county has ever had.

GOV. CROTHERS has shaken the last plum from the tree and there's nothing doing now for a time.

AT A meeting of the Democratic State Central Committee in Baltimore on Thursday it was decided to hold the First District Congressional Convention at Ocean City July 23.

MR. CHARLES L. DODD and Dr. G. Allen Jarman have been appointed members of a State committee to further the interests of Hon. William Jennings Bryan for the nomination for the Presidency. Good selections.

STATE'S ATTORNEY WM. W. BECK is to be congratulated upon the able manner in which he has conducted the State cases during the session of court. He has secured a conviction in every criminal case, and has done especially effective work in the local option cases. Mr. Beck is to be commended for his excellent record.

THE LEADERS of the Democratic party will make a terrible mistake if they fail to endorse Senator Rayner as a delegate to the National Convention. Senator Rayner is the one man in the State above all others, by reason of his national reputation and popularity whom the State would delight to represent her in this great gathering, and we fully agree with Hon. John P. Poe that Senator Rayner should be sent to Denver without opposition of any sort.

THE REPUBLICAN State Convention held in Baltimore on Saturdry elected Gen. Felix Agnus, Congressman Mudd, Congressman Pearre and Wm. P. Jackson delegates at large to the National Convention which meets in Chicago in June. It is a Taft delegation—Mudd and Jackson. John D. Urie, Esq., of Kent, was elected alternate. What become of Mr. McMenamin, who was selected as an alternate from the First District at the Salisbury Convention? He got treated like all the rest.

THE SENATORIAL BOOM of Hon. A. P. Gorman was launched at a big dinner given in his honor on Tuesday at Ellicott City. There were a number of big political guns who ate the dinner and spoke their speeches, but it was only a boom, for when "the Hymn is given out," as Uncle Bill says, it will not be the Hon. Arthur P., but to Austin L. Crothers that the faithful will sing allegiance. Mark our words if Gov. Crothers is not the organization candidate for the U. S. Senate, with Arthur P. playing the same game in the farce that Talbott played in the last, and meanwhile what is to become of the Democratic party when a man like Rayner is sacrificed for such men as Gorman. The game of politics that is being played in the State now, has the Gorman-Rasin regime licked to a standstill, and the party's future must be sacrificed if only the selfish ends of politicians can be accomplished.

WE BELIEVE the tax-payers of the town did a very wise thing on Monday by purchasing the waterworks, and voting for a salary for the commissioners and also for the re-election of Mr. Carroll and an additonal levy for town improvements. The modern plan now is for municipal ownership of public utilities, and Chestertown has placed herself squarely on record as favoring progress and push in all that pertains to its welfare. Now then the Town Commissioners have a grave responsibility resting upon them not measured by their salary of $100 a year but by their obligation to the people to provide speedily such improvements as the people demand in the way of increased fire protection, better streets, and anything else that will add to the beauty and commercial advantage of the town. We do not hesitate to say that the Town Commissioners are thoroughly alive to the needs of the town, and they will use all possible efforts to secure needed improvements as speedily as possible. Don't let's get impatient, however. The town does not get possession of the waterworks before July 1, and until then nothing can be done towards fire protection. Give everybody time, and we urge the Lady's Improvement Association to confer with the Commissioners relative to improvements, and let's all pull together for a beautiful town and modern public improvements.

The Volunteer Fire Company, under Chief Geo. H. Cannan, responded quickly to a false alarm of fire on Thursday evening. The "blaze" was in Twilley's Lane, and was quickly extinguished.

APRIL TERM OF COURT.

At the hour of going to press last Friday the case of Edgar White for assulting Thomas Chambers was before a jury. A verdict of guilty was renderded and the court sentenced the prisoner to a fine of $25 and costs and committed until paid.

The Grand Jury adjourned on Friday afternoon after a record breaking session. It was one of the best Grand Juries that ever assembled, and it deserves the thanks of the entire community for its splendid efforts to enforce the Local Option Law. The following report will show the great amount of work accomplished by the Jury in five days:

Grand Jury Room, April Term, 1908.
To the Honorable Judges Circuit Court for Kent County.

The Grand Jurors of the State of Maryland for the body of Kent county big leave, through their foreman, to respectfully report to the Honorable Judges of said court that they have been in session five days and during that time they have examined four constables, 2 bailiffs, and 93 witnesses, made 26 presentments and found 26 true bills. They further report that their proceedings were delayed during the first two days of the session by the failure of witnesses to appear before them, who had been previously summoned.

They have consumed considerable time in the examination of witnesses in Local Option cases, and while the number of indictments is small in comparison to the number of cases considered the jurors feel that they have performed their duties faithfully to themselves, and the public, and hope therefore to merit the approval of the Court.

We have visited the jail, found the cells and corridors clean, and well kept, evidencing the best attention on the part of Sheriff Hadaway and his assistants. There are eight prisoners in the county jail, five male and three female, three of whom (all colored) are hopelessly insane, and who are therefore an extraordinary care and burden on the Sheriff, requiring attencion, not usully imposed upon such officers.

A committee of the County Commissioners appeared before the jury on Tuesday last, and informed them of the cases of insanity in the county jail and also of their efforts to have these insane persons transferred to some state or other asylum for the insane, but without success, all institutions being crowded to their full capacity. The grand jury is of the opinion that something should be done for the comfort of these insane persons, as well as for the other prisoners, the sheriff's family and for sanitary reasons. The jury also thinks that Sheriff Hadaway should receive extra compensation for the care of these insane persons, so long as they remain in his charge.

The Jury desires to call the attention of the court and State officers to a special report in reference to two little girls, aged about 8 and 11 years respectively, who, the Jury believes, are in danger of growing up without the least moral restraint whatever.

Numerous complaints have been brought to the attention of this Grand Jury in reference to the danger to the traveling public at the railroad crossing on Queen Street on the South side of Chestertown, near Jane's M. E. Church, and the Jury, therefore, recommends that a flagman be placed at this and similar crossings in the county as a precaution against accident, by the P. B. & W. Railroad Company, and that said Railroad Company be restrained from blocking these crossings with cars for a longer time than from 10 to 15 minutes. Many complaints have been brought to the attention of this Grand Jury of the sale of so-called "Peach Cider" at nearly every cross-roads store, and from the evidence which we have heard, we have every reason to believe it is intoxicating, and we hereby warn all persons against the selling or giving away of this cider.

The Jury tenders its thanks to the court and all its officers for the kind and courteous attention shown them.

Respectfully submitted,
SAMUEL VANNORT, foreman.

SATURDAY'S SESSION.

Baker. Court trial; verdict for Mrs. Hayes in the sum of $100 and interest. Barroll for Dr. Ford; H. E. Perkins for Mrs. Hayes.

Court adjourned at 2.30 o'clock. Hon. John P. Poe, of the Baltimore bar, who is associated with Mr. Barroll in the Hynson case was in attendance at Court on Monday and Tuesday.

TUESDAY'S SESSION.

Court convened at 9.30 o'clock. First case called was case of Green vs. P. B. & W. Railroad Company suit for damages for false arrest and imprisonment, removed from Cecil county. Case consumed the entire day. Jury trial, Wm. S. Evans, Omar D. Crothers, of Elkton, and Hope H. Barroll, of Chestertown, for plaintiff; Marshall Haines, of Elkton, and Marion DeK. Smith, of Chestertown represented the company. There were 36 witnesses in this case, 22 for the plaintiff and 14 for the defendant.

At the session on Wednesday evening the case of Roper vs. Canning & Mercantile Company, suit for breach of contract, was tried before a jury. Verdict for Mr. Roper in the sum of $450. Townshend for Roper and W. W. Beck for Company.

The Jurors not on the panel in the railroad case were discharged by the court on Thursday morning.

The railroad case consumed the entire day on Thursday and Friday, and was being argued by council at the hour of going to press.

GENERATIONS OF GOOD TIME IN YOUR WATCH — Friction the Enemy — HOLE END — JEWEL STONE

Therefore, pivots are finely polished, jewels are of ruby or sapphire, the oil carefully refined, all to reduce friction. On these bearing the balance revolves 432,000 times daily.

ASTOUNDING ISN'T?

Yet if cleaned and oiled yearly a watch will run for generations, and if neglected, it must, with such ceaseless toil, wear itself to ruin in accumulating dirt and corroding oil. Let us examine it, an honest opinion from us will cost you nothing.

Picknell

RACE RECORD, 2:15¼.
Authentic Trial, 2:09.
FOALED 1901.
Registered No. 35,381; Rule No. 1, Trotting Standard.

The attention of prospective breeders is respectfully invited to what I believe is the most attractive proposition ever offered in this section. I INVITE THE FULLEST INVESTIGATION of this horse's claims to SUPERIORITY, and can furnish incontrovertible evidence from which the prospective breeder may draw his own conclusions.

PICKNELL'S SIZE, 15:2 hands, and COLOR, mahogany bay, are IDEAL and his BREEDING is THE HIGHEST OF FASHION. HIS CONFORMATION is the "EASY KEEPER" KIND. HE IS ABSOLUTELY LEVEL-HEADED, and HE IS SOUND and WITHOUT A BLEMISH. HE WEARS NO HOBBLES NOR OTHER FALSE RIGGING: and when raced, wore only such boots as are commonly used for protection.

PICKNELL was started GREEN, in the early fall of 1906, in SIX races, winning TWO of them, and being well up in the money the other four. He made his first, regular stud season, last year at Newark, Del.; and Mr. H. R. Tyson, in whose care he was, says that he would have had him in condition for the racing season, and a record well within the 2.10 list, but for the season I permitted him to make.

The oldest of Picknell's get is a two-year-old, bay filly, 15.1, no white, a blue ribbon winner, showing 2:30 speed as a yearling.

PICKNELL'S SIRE is ALLERTON, 2:09¼; CHAMPION TROTTING STALLION to HIGH WHEELS; THE LEADING SIRE FOR 1907, and THE GREATEST SIRE OF HIS AGE LIVING OR DEAD. Allerton 2:09¼, is sire of 178 in the list, of which 135 are TROTTERS, WITH RECORDS from 2:07½ to 2:30, and 42 pacers from 2:02 to 2:25. Allerton's sire was JAY BIRD, 2:01, sire of 106 TROTTERS from 2:06¼ to 2:30, and 12 PACERS from 2:[illegible] WILKES, 2:22, etc.

PICKNELL'S DAM is BON BON, dam of Picknell Baron, 2:26¼, tr. 2:15; Jay Boul, tr. 2:09¼; Baron Stam[illegible] the list, including THE KENTUCKY FUTURITY WI[illegible] BON BON'S FULL SISTERS, Brava, 2:14½, and Bon[illegible] THE LIST better than 2:30.

BON BON'S SIRE is BARON WILKES, 2:1[illegible] :30, and 30 pacers from 2:03¼ to 2:25; and is the world[illegible]

BON BON'S dam MARY A. WHITNEY, 2:[illegible] from 2:14¼ to 2:30. She was by Volunteer, full brothe[illegible] and 1 pacer in the list, including the one-time WORLD'[illegible]
