WOMEN WHO BELIEVE IN PERUNA

Honest Women Who Are Not Afraid to Tell the Truth About Pe-ru-na.

Since I have used Peruna I have a splendid appetite, enjoy life and perfect health.

MRS. F. E. HENDERSON

Caught Cold Easily.

Mrs. F. E. Henderson, 221 Ninth St., Milwaukee, Wis., writes:

"I never had any faith in patent medicines until I tried Peruna, but my experience with this reliable medicine has taught me that there is one which can be trusted, and which will not fail in time of need.

"For the past few years I have found that I caught cold easily, which would settle in a most unpleasant catarrh of the head. I had to be especially careful about being out of evenings, and not to get chilled when dressed thin for parties, but since I have used Peruna my general health is improved, and my system is in such good condition that even though I am exposed to inclement weatner it no longer affects me.

"I have a splendid appetite and enjoy life, being in perfect health."

Pe-ru-na Tablets.

For two years Dr. Hartman and his assistants have labored incessantly to create Peruna in tablet form, and their strenuous efforts have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets. These tablets represent the medicinal ingredients of Peruna, and each tablet is equivalent to one average dose.

Mrs. Josephine Holst, 162 E. First St., Portland, Ore., writes that she was troubled seriously with catarrh of the throat, that she used Perunna and was wonderfully helped in two weeks, and in a little over two months her system was rid of all traces of catarrh.

The Value of Health.

Who can set a money value on health? It is absolntely priceless.

No one in good health can fully appreciate what it means to have poor health. The days are long and tedious. The nights horrible and painful. Nothing goes right. Even the mind becomes deranged and injured by continued poor health.

Once liberated from the thraldom of sickness words fail to express the joy and relief.

Peruna has been the means of relieving more women from ill health in the United States than, perhaps, any other medicine.

A multitude of women stand ready to give testimony in favor of Peruna whenever occasion offers.

Dyspepsia Entirely Relieved.

Miss Lillie C. Martin, Shelbyville, Tenn., writes: "Everybody says I look better than I have for two or three years, and I sincerely thank you for your kind advice.

"I believe your treatment has entirely cured me. I can eat anything I want. I believe your remedies will cure any case of indigestion or dyspepsia."

MISS HELEN SAUERBIER

Head and Throat.

Miss Helen Sauerbier, 815 Main St., St. Joseph, Mich., writes:

"Last winter I caught a sudden cold which developed into an unpleasant catarrh of the head and throat, depriving me of my appetite and usual good spirits.

"A friend who had been cured by Peruna advised me to try it and I sent for a bottle at once, and I am glad to say that in three days the phlegm had loosened, and I felt better, my appetite returned and within nine days I was in my usual good health."

LOCAL MATTERS.

Appointed Cashier.—Mr. Richard Wallis, formerly Cashier of the Galena Bank, has been appointed Cashier of the Chesapeake City National Bank to succeed Mr. Henry Deaver, resigned.

Change of Schedule.—The Md., Del. and Va. R. R. Company announces a change of schedule beginning on Monday morning. Steamer will leave Chestertown tri-weekly at 7 A. M. instead of 8 A. M. as heretofore.

Farm Not Sold.—The sale of the James H. Jamar farm, situated near Worton Station, did not take place on Tuesday as advertised, Mr. Jamar paid the mortgage off on Monday together with costs, and he remains in possession of the farm.

A Fine Concert.—We are informed that the programme for the recital to be given in the Assembly Hall of the High School next Tuesday evening for the benefit of the Woman's Literary Club, is an especially attractive one, and that its renditi n will be a pleasant social feature. The purpose for which the proceeds are to be used is a worthy one, and everyone in the town should encourage by their presence the efforts of the Woman's Literary Club to provide for the people of the town that which means so much for their intellectual advancement.

NEWSY BRIEFS.

*†*A prominent farmer near town sold his entire corn crop this week for 72 cents per bushel.

*†*The asparagus crop throughout the county is very large this year, and the vegetable is getting cheap in local markets.

*†*The Town Commissioners are grading the bank on the south side of Calvert street between Mill and Spring avenue preparatory to laying a pavement. A needed improvement.

*†*The home of John D. Urie, Esq., on Cannon and Front streets has been beautified by an attractive coat of paint. Messrs. Elwood Baker and William Benjamin did the work.

*†*We know of at least six young men in Chestertown who are looking for desirable homes in Chestertown. Why don't somebody with the capital purchase the lots and build the homes?

*†*The sale of personalty of Mr. Wm. T. Shinn, in Quaker Neck, on Wednesday, advertised in the TRANSCRIPT, was largely attended, and everything sold exceptionally well. Auctioneer Charles H. Hurlock cried the sale in his usual good style, and Harrison W. Vickers, Jr., Esq., was attorney.

*†*On the trip the college team is making this week, Rock Hill beat them on Tuesday, score 2 to 1. Washington beat Gettysburg 4 to 3.

*†*Mr. Frank R. McWhorter, of Church Hill, son of Mr. and Mrs. George B. McWhorter, of Chestertown, purchased Happy John, the handsome and speey pacer, belonging to Mr. Charles Palmatory, last week.

*†*Mr. Joseph M. Norris, of West Virginia, has purchased of Mrs. Vandyke the Gale farm, near Lynch, and now occupied by John S. Silcox. The farm contains about 180 acres and the price is said to be near $10,000.

*†*Mr. G. B. Taylor has received the contract for grading the hill leading in to Betterton. The paper mill mules have been used for hauling purposes. This will be a great improvement to the pretty resort when finished.

*†*The entertainment given by Polk Miller and his plantation darkies was fine. Mr. Miller was ill, and could not appear at his best, but the songs by his quartette were grand. Unfortunately a small audience was present.

*†*The street sprinkler started on Monday morning in charge of Mr. Wm. Needles, who is one of the best employers the town ever had. The commissioners are contemplating the purchase of an additional sprinkler, which is greatly needed by the town. They are on the lookout for a serviceable one.

*†*Mr. Frank H. Howard and force of workmen are putting the finishing touches of the paint brush upon the fine home of Dr. J. E. Graham on Front street. The home has been painted inside and out, and is an evidence of the skill of Mr. Howard as a careful and competent workman.

*†*The homes of Messrs. Colin F. Taylor, Samuel Colwell, Enoch Canann, W. T. Whitaker and James Heriker were entered by thieves on Thursday night. A small sum of money was obtained from Mr. Colwell, but nothing except some eatables were missed by the others.

*†*The entertainment given in the Assembly Hall of the High School on Friday evening by the teachers and pupils was a great success socially and financially, over $60 being realized. All the characters in the play were splendidly taken, and we have no doubt that Prof. Smyth will steer clear of matrimonial entanglements after his experience on Friday night.

*†*Rock Hall town election will take place today. May the government of the town be intrusted to the best men, men who will do things, and who will look after the best interests of the tax-payers. We have heard of only one ticket Messrs. Joseph Downey, George Whaland, R. S. Crew, James A. Casey and A. Alexander. These men are good enough for any town.

*†*It has been suggested that the Town Commissioners make a park and play grounds for the children at the town pump house. This is surely a wise suggestion, and would add much to the comfort of the children and the beauty of the town at very little cost. The Ladies' Town Improvement Association have consented to take charge of the work and give other valuable assistance to the project.
