## Democratic Primaries.

The Democratic voters of Kent county are hereby notified to assemble in primary meeting in the several districts and precincts at the usual places of holding primary elections on SATURDAY, MAY 23rd, 1908, at 2 o'clock P. M. for the purpose of selecting six delegates from each district to meet in convention to be held at the Court House in Chestertown, on TUESDAY THE 26th DAY OF MAY, 1908, at 11 o'clock A. M. to select six delegates from Kent county to the Democratic State Convention to be held in Baltimore on JUNE 3rd, 1908, the duty of which convention is to elect four delegates from the State at large and two delegates from each Congressional District to the National Democratic Convention to be held in Denver, Colorado, on JULY 8th, 1908, to nominate a candidate for president and a candidate for vice-president of the United States, and also to select two electors from the State at large and one elector from each Congressional District, favorable to the election of the candidates for president and vice-president nominated by the National Democratic Convention at Denver.

The County Convention, hereby provided for, is also required to select six delegates from Kent county to the Congressional Convention to be held at Ocean City on JULY 23, 1908, for the purpose of nominating a candidate to represent the First Congressional District of Maryland in the 61st Congress of the United States. If there be any contest for the election of delegates and a desire is expressed for a vote, each district shall select judges and clerks and the polls shall be kept open between the hours of 2 P. M. and 6 P. M., and when the polls are opened the judges shall receive the votes of all Democrats offering to vote, whose names shall appear upon the registration books and who shall vote in the district where they are registered, and shall also receive all the votes of all young Democrats, who on account of their age are not now registered, but who will be entitled to registration and to vote at the ensuing November election. And upon the closing of the polls at the hour herein directed, the judges shall proceed to count the votes cast, and shall certify to the persons receiving the highest number of votes as delegates. Whereupon it shall be the duty of said delegates to proceed to Chestertown on said TUESDAY IN MAY and cast the vote of the district in convention and elect 6 delegates.

Should no desire be expressed for a ballot, then the district meetings may select delegates by a viva voce vote, or by committee nominations. The mode of procedure herein prescribed must be strictly followed, any other method will not be legal.

LEWIN W. WICKES,
JAMES W. IVENS,
JOHN C. REDMILE,
Democratic State Central Committee for Kent county.

THE NEWLY appointed Justices of the Peace and other local officers have assumed charge of their offices. Mr. J. Cordray Loud is Police Justice, Messrs. Lewin S. Fowler and Andrew Medders are Justices in the Fourth District.

THE Annapolis Evening Capital in its issue of April 27, in commenting upon the recent Oratorical contest at St. John's College, in which contest Mr. L. Wethered Barroll represented Washington College, says: "Perhaps if that young man from Washington College had not eulogized Governor Warfield in his oration he might have won first prize."

IN AN interview in Washington the other day Senator John Walter Smith is reported to have said that the delegation from Maryland to the Democratic National Convention which meets in Denver in July, will be uninstructed as to its choice for President. Does not Senator Smith know who the people of the State want for President? An uninstructed delegation is un-Democratic, and the delegates to Denver should represent the sentiment of the people.

## WASHINGTON COLLEGE ATHLETICS.

### Interesting Field and Track Games.

The Inter-Class field and track games will take place on the college field Saturday afternoon at three o'clock. This is the first set of games to take place on the new field. The track is in fine condition and although no records are looked for, nevertheless from the list of entries the sport loving public of the town should enjoy an afternoon of good games. It is the intention of the authorites to place this branch of athletics on a high standard and so put our boys in shape so that a big set of games including some of the prominent athletes of the country may be arranged here next season. Already steps have been taken in this direction and there is no reason why Washington College cannot be represented at some of the prominent games of the country. There is no doubt that the Chestertown college can boast of having one of the best athletic fields in Maryland, and compares with the best of the college fields throughout the country. As this is the first set of games on the new field the authorities in charge are anxious to have a large attendance, so it has been decided to extend an invitation to all the people interested to attend.

There will be no admission charge and it is the desire to have a large attendance so as to boom this branch of athletics. The following events will be run off, 100 yards dash, 220 yards dash, 440 yards run, 880 yards run, mile run shot put, running broad jump, running high jump and relay race between the different classes. The following gentlemen have been selected for the list of officials:

Timers—Dr. Cain, Mr. George Brice.
Judges at finish—Mr. Thomas Perkins, Mr. Lewin Wickes, Dr. Simpers, Mr. Eben F. Perkins.
Field Judges—Mr. Thomas Massey, Mr. Scott Beck, Dr. Hines, Mr. Harrison Vickers.
Scores—O. V. Spedden, L. W. Barroll, W. R. Moody.
Clerk of course—Prof. Seronde.
Assistant clerk of course—Mr. Herbert Perkins, Prof. Neilson.
Starter—M. J. Thompson.

### WASHINGTON'S FINE BALL ON NORTHERN TRIP.

The Washington College base ball team returned to Chestertown on Sunday, May 3d, after a week's trip through Pennsylvania and Western Maryland, on which the teams of Rock Hill, Gettysburg, Mt. St. Mary's and Villanova Colleges and of the Carlisle Indian school were played. All these schools have good, fast teams, and played hard base ball against the Washington College aggregation.

The Rock Hill game was one of the most exciting and best played ever witnessed in Ellicott City. Both teams fielded well and batted freely, and it was anybody's game until the last man was out. Rock Hill won by the score of 2 to 1.

At Gettysburg the visitors struck a fast team, one hard to beat, but won out in the seventh inning by sheer pluck and hard game playing. Both teams played an excellent game, but the home team could not bunch their hits, White pitching a faultless game, and the game ended with a score of 4 to 3.

The next day, Wednesday, April 30, a heavy rain prevented good ball being played by either team, so after five innings in the mud, the game was called, with the score 7 to 0 in favor of Mt. St. Mary's.

The Carlisle Indians put up a fast line of ball playing, but were completely out fielded by Washington's team, which played an errorless game. Garlow's excellent pitching alone saved the game for the Redskins, who won by 2 to 0.

Saturday's game was the only poor exhibition of baseball the travelers put up, but the Villanova bunch seemed to have them bluffed out. After seven innings of poor ball, the game was stopped on account of rain, with the score 10 to 1 in favor of Villanova.

Although winning only one game, the Washington team is well satisfied with the results of the trip. The team-work and general good playing, both in the field and at the bat, does great credit to the players and to coach Thompson, to whom belongs much of the praise. Everything being considered, the showing made on the trip was excellent. The team put up a fast line of ball all the time, without exception, and will be quite ready to give the old league teams a hard rub when the time comes. The first championship game is with Western Maryland on May 16th, and both teams are more or less confident.

On May 23rd Washington plays St. John's at Chestertown. This will of course be a good game, as both teams have been playing fast ball this year, are anxious to win, and are hopeful.

## BETTERTON BRIEFS.

The rainy weather of the past week has been a great disadvantage to the farmers who have not planted corn, but a benefit to those who have early gardening.

The Ladies Aid Society held its monthly business meeting at the home of Mrs. Horace Brice on Friday evening of last week.

Miss Helen Crew has returned home after spending several days with friends in the Monumental City.

Miss Florence Jewell, principal of Worton school, spent Saturday at her home on Ericsson Ave.

Mr. and Mrs. Hohn and family have moved from Baltimore into Ellwood Cottage and will remain there until fall.

Quite a number of graphaphones have been obtained from Owens & Co's. store as premiums for the purchasing of thirty-five dollars worth of goods cash.

Owing to the inclement weather the prayer-meeting on Wednesday evening was not so largely attended as usually.

Miss Bessie Leigh is visiting relatives in Baltimore.

We are very sorry to report the illness of Miss Lydia Hickman.

Miss Hettie Crew, who has undergone an operation in a Baltimore hospital, we are very glad to state, is improving rapidly.

A few boarders have already registered at the different hotels, the most being fish solicitors and men representing different city newspapers in search of hotels and boarding houses for advertisements.

The Epworth League will be led this Sunday evening by Mrs. Frank Clark, subject "What will God give to His children?" A cordial invitation to the public.

The ladies of the church will hold a shad supper and a strawberry festival on the church green Saturday evening May 16th.

RACE RECORD, 2:15¼.
Authentic Trial, 2:09.
FOALED 1901.
Registered No. 35,381; Rule No. 1, Trotting Standard.

The attention of prospectiive breeders is respectfully invited to what I believe is the most attractive proposition ever offered in this section. I INVITE THE FULLEST INVESTIGATION of this horse's claims to SUPERIORITY, and can furnish incontrovertible evidence from which the prospective breeder may draw his own conclusions.

PICKNELL'S SIZE, 15.2 hands, and COLOR, mahogany bay, are IDEAL and his BREEDING is THE HIGHEST OF FASHION. HIS CONFORMATION is the "EASY KEEPER" KIND. HE IS ABSOLUTELY LEVEL-HEADED, and HE IS SOUND and WITHOUT A BLEMISH. HE WEARS NO HOBBLES NOR OTHER FALSE RIGGING: and when raced, wore only such boots as are commonly used for protection.

PICKNELL was started GREEN, in the early fall of 1906, in SIX races, winning TWO of them, and being well up in the money the other four. He made his first, regular stud season, last year at Newark, Del.; and Mr. H. R. Tyson, in whose care he was, says that he would have had him in condition for the racing season, and a record well within the 2.10 list, but for the season I permitted him to make.

The oldest of Picknell's get is a two-year-old, bay filly, 15.1, no white, a blue ribbon winner, showing 2:30 speed as a yearling.

PICKNELL'S SIRE is ALLERTON, 2:09¼; CHAMPION TROTTING STALLION to HIGH WHEELS; THE LEADING SIRE FOR 1907, and THE GREATEST SIRE OF HIS AGE LIVING OR DEAD. Allerton 2:09¼, is sire of 178 in the list, of which 136 are TROTTERS, WITH RECORDS from 2:07½ to 2:30, and 42 pacers from 2:02 to 2:25. Allerton's sire was JAY BIRD, 2:31, sire of 106 TROTTERS from 2:06¼ to 2:30, and 12 PACERS from 2:09¼ to 2:25; and Jay Bird was by GEORGE WILKES, 2:22, etc.

PICKNELL'S DAM is BON BON, dam of Picknell, 2:15¼; Bon Jay, 2:19¼; Miss Minnie, 2:23; Gay Baron, 2:26¼, tr. 2:15; Jay Boul, tr. 2:09¼; Baron Stamboul, mat., 2:16, and Laurine, dam of four in the list, including THE KENTUCKY FUTURITY WINNER, OXFORD BOY, 2:20 at two years old. BON BON'S FULL SISTERS, Brava, 2:14¼, and Bon Mot, 2:25¼, each have THREE TROTTERS in THE LIST better than 2:30.

BON BON'S SIRE is BARON WILKES, 2:18, TROTTING, sire of 107 trotters from 2:08½ to :30, and 30 pacers from 2:03¼ to 2:25; and is the world-famed "FUTURITY SIRE."

BON BON'S dam MARY A. WHITNEY, 2:28, trotting, and dam of FIVE TROTTERS, from 2:14¼ to 2:30. She was by Volunteer, full brother to Dexter, 2:17¼, and the sire of 33 trotters and 1 pacer in the list, including the one-time WORLD'S CHAMPION TROTTER, ST. JULIEN, 2:11¼.

MARY A. WHITNEY'S DAM was PEGGY SLENDER, dam of the TROTTERS, Mary A. Whitney, 2.28, and Wm. H. Allen, 2.23¼.

PICKNELL will stand in my Calvert Street Stables, Chestertown, Md.

TERMS—$15.00 the season. Insurance, by special agreement, $25.00. Please make your bookings EARLY. All mares subject to my approval. I offer this very low price for reasons of my own. It is your opportunity.
