INITIAL SPORTS.

Field and Track Events an Innovation in Washington College Athletics Which Will Lead to Greater Prominence for the College.

Prof. M. J. Thompson, director of athletic sports at Washington College, has done much during the scholastic year now closing to bring Washington College into close contact with other and larger institutions of the country, but the field and track events on Washington field on Saturday afternoon were the beginning of those events which will undoubtedly add much to the reputation of the college and will bring its students into closer relation with the great athletes of other schools of the country. The new field was inaugurated on Saturday when the first interclass field and track games were held. As this was the initial bow for the college in this sphere of athletics, a good crowd was present by invitation from the college authorities. There were 80 entries. The events included a 100 yard dash, won by Jump, time 11 seconds; mile run won by Cross, time 5 minutes 41 seconds; 220 yards dash won by Turner; running high jump won by C. Bordley, highest 4 feet 9 inches; running jump won by Hitch, distance 18 feet 10 inches; putting shot won by M. Voss. A relay race between the classes ended the days sport, in which the Sophomore class won. This class also won the meet, scoring a total of 43 points. Warren Jump, of Talbot county was given the prize for points. Mr. M. J. Thompson, who is doing so much for the success of the college athletics and who has refereed several large meets this year, was in charge. Mr. Thompson is to be congratulated upon the success of the meet, and we trust that the events will become a feature at the college and that the student body and the public will sustain them. A special meet will be a feature during Commencement Week.

Organize, Merchants.

We learn upon the best authority that the Bankers and Merchants Association of Queen Annes county, of which Mr. Charles Clements, of Crumpton, is president, is doing much to advance the interests of the business people of that progressive county, and for this reason we call the attention of our merchants and business men throughout the county to the necessity for such an organization in Kent county. The association is both enterprising and beneficial to the members and much good could be accomplished for the financial interests of the merchants. We urge the merchants of the town and county to call a meeting looking to a permanent organization in the very near future, and to take steps to perfect an association such as is now flourishing in Queen Annes.

Water Board Organizes.

The newly appointed Water Board, Messrs. J. D. Bacchus, Thos. D. Bowers and Charles N. Satterfield, met at the office of Mr. J. D. Bacchus on Tuesday evening and organized by electing Mr. Bacchus president, Mr. Bowers secretary and Mr. Satterfield treasurer The board elected Mr. Wm. B. Usilton superintendent of the waterworks for one year at a salary of $500, and John Ringgold was retained as engineer at a salary of $10 per week. The board will assume control of the system and books of the company on July 1st, when the first steps will be taken regarding the character of the improvements to be made.

Choral Society Concert.

A rare treat is offered to the music loving public of Chestertown for Friday evening, June 5. The Washington College Choral Society has decided upon that date for the annual concert to take place in William Smith Hall. The organization has been meeting for sometime under the direction of Mrs. James W. Cain and it is safe to predict that the musical program will be the best rendered in the town for years. The society will be assisted by some well-known soloists, who have had considerable experience in concert work, and their names should bring out the large crowd of home folks who are interested in music. The proceeds of the concert will be donated to the Athletic Association.

**Police Justice J. Cordray Loud who has his office in the Loud House, heard his first case on Monday evening when Tobe Mitchell was before him for disorderly conduct. The Justice dismissed the accused. Harrison W. Vickers Jr., Esq., appeared for Mitchell.
