Fruit Freight Status.

It has been developed that the Pennsylvania Railroad Company was not quite so liberal in its consessions to fruit growers of the peninsula as was understood last Saturday after the visit and apparently generous offer of Chas. E. Kingston, the division freight agent, concerning the return of empty crates, carriers and baskets.

The return, free of charge, of three-baskets, two-baskets and other carriers and crates, free of cost from the cities of Philadelphia, Baltimore, Chester and Wilmington, it now transpires applies only to tomato shipments. It may be possible for shippers to load in on the railroad company fruit carriers which have been used for peaches or products other than tomatoes, but this will be cheating, as the company makes the tender for free return of packages to the shipper of tomatoes only.

The concession regarding the net weight of peaches, however, and to not weigh peach packages or consider their weight, but to charge freight only on a fixed weight of the fruit itself stands.

HAD CATARRH THIRTY YEARS.

Congressman Meekison Gives Praise To Pe-ru-na For His Relief From Catarrh.

CONGRESSMAN MEEKISON COMMENDS PE-RU-NA.

"I have used several bottles of Peruna and I feel greatly benefited thereby from my catarrh of the head. I feel encouraged to believe that if I use it a short time longer I will be fully able to eradicate the disease of thirty years' standing."—David Meekison.

OTHER REMARKABLE CURES.

Mr. Jacob L. Davis, Galena, Stone county, Mo., writes: "I have been in bad health for thirty-seven years, and after taking twelve bottles of your Peruna I am cured." Mr. A. E. Kidd, well-known architect, 5477 Jefferson Ave., Chicago, Ill., writes: "I have had catarrh over half of my life. I tried nearly every catarrh remedy advertised, beside a great many physicians' treatments, all of which failed. I had heard and read of Peruna and decided to try it. I have taken seven bottles of it and weigh 173 pounds."

A SINCERE RECOMMENDATION.

Mr. D. C. Prosser, R. F. D. No. 2, Shelby, Oceana Co., Mich., writes: "Two years ago I was badly afflicted with catarrh of the stomach. I had had a run of typhoid fever, was very depleted. I could find nothing I could eat without causing distress and sour stomach. Finally I came to the conclusion that I had catarrh of the stomach and seeing Peruna advertised, began to take it. It helped me soon, and after taking three or four bottles I was entirely cured of stomach trouble, and can now eat anything."

Vansant & Newsome,

Gents' Furnishers and Shoers.

INTELLIGENCE

If any one should tell you that it requires no unusual amount of intelligence to select suitable wearing apparel with the present-day methods at one's disposal, agree with them, FOR THEY TELL THE TRUTH, but do not fail to mention that intelligence, and that of the highest type, is most essential to select the store that not only carries first-class GENTS' FURNISHINGS, but that displays the correct STYLES. Once you have decided in our favor a further display of intelligence is unnecessary, in fact you would be perfectly safe in selecting the style blindfolded—merely repeating the words, "My mother told me to take this one."
