WAS CAPT. WALMSLEY MURDERED?

Two Colored Men Were Arrested Late on Saturday Night and Are Held on Suspicion.

Alexander Mosely and Horace Hynson, both colored, were lodged in jail on Saturday night by Sheriff Hadaway. They are held on suspicion of being implicated in robbery, murder and arson. About two years ago the home of Capt. J. E. Walmsley, in Morgnec, was burned and Capt. Walmsley's body was found in the ruins. It was known at the time that he had considerable money about the house, having drawn $300 from bank on the day of the fire, and it was suspected that robbers got into the house, murdered him, got his money and then set fire to the house to cover up their crime. This was the general opinion of people in that neighborhood. Ever since the fire State's Attorney Beck and Sheriff Hadaway have been tireless in their efforts to run down the outlaws. They have been collecting evidence and keeping their own counsel, and the latter part of last week they secured sufficient evidence to connect Mosely and Hynson with the matter, and Sheriff Hadaway arrested one at his home in Morgnec and the other at Kennedyville. State's Attorney, Beck put the prisoners through the "sweating process" in the jail on Monday morning for more than an hour, and he secured some admissions that point strongly to Mosely and Hynson's connection with the matter. The officers are on the lookout for another negro implicated in the affair, and when he is caught a hearing will be given, when the mystery of Capt. Walmsley's death may be cleared up.

The Epworth League will be led Sunday evening by Mrs. Sallie Price. Topic, "God's Unseen Protection."

Last Sunday was a great day at our church. At the morning service, Caleb E. Burchenal, a very promising young lawyer of Wilmington, spoke on the great cause of temperance to a splendid audience. Mr. Burchenal is a refined, cultured, well-educated man, fully capable in every way of handling the subject in which he is so much interested. He possesses a charm of manner and a gift of oratory surpassed by few which combine to make him a most interesting and instructive speaker. Still Pond bids him God speed in this good work. At the anniversary of the Epworth League in the evening all the people could not be seated. The Epworth League of Bettsrton was invited to attend the service, and they came in a body, about 85 Epworthians and friends. Our paster made the welcome address, after which he introduced Miss Lola Crew, president of the Betterton League. The greetings she brought us from her League were heart-cheering, and it is not strange that Betterton has such a good League with such a splendid president. Come again, Epworthians. The new officers of both Leagues were installed by the pastor, Rev. E. H. Collins. The regular anniversary program was used, entitled: "In the School of the King." The following persons took part in the program: The introductory address was given by F. H. Cornelius, Mrs. Wm. Medders took the Registrar part and introduced all the students first. Course of study, knowledge of the King, its Methods and Results, given by Chas. Ford and Miss Marion Hackett. Second course, Knowledge of the Kingdom, How and Why, given by Miss Lucille Parr and Carl Norris. Third course of study, the Service of King, Ways and Means, Miss Mary Capps and Walter Harris. Fourth course, the Studen's Vocation, given by Lemont Hackett and Miss Mabel Norris.

Mrs. Wm. Medders closed the exercise with an address to the older students and appealed for new students, to which four young ladies responded. A service of dedication was given for the benefit of the older students and the new. It was a most blessed service, closing with all chanting the Lord's Prayer. The league choir never sang more sweetly and they were at their best with each number. The church was beautifully decorated with flowers and flags.

Our pastor's subject next Sunday moruing, "The Immulibility of Jesus Christ." In the evening the pastor will speak on "The Echoes of the General Conference." The large chorus choir will have charge of the singing, and this of itself is worth coming to hear. A cordial welcome awaits you at all the services.
