FAITHFUL HOUSEWIVES OF THE UNITED STATES

Send Grateful Tributes to Dr. Hartman For Benefits Received From Pe-ru-na.

MRS. D. C. NOLAN.

No More Throat Trouble.

Mrs. D. C. Nolan, Gem, Kas., writes: "I have no more throat trouble, thanks to Peruna. It is the only medicine I care to have. I always feel safe when I have it in the house.

"I have used Peruna for nine years and I ought to know about it. Peruna has helped me a great many times, and I shall praise it to every one of my friends."

Ever since Peruna was introduced to the public thirty years ago, the housewife has been an ever faithful friend to Peruna. She it is that has seen the practical benefits of the use of Peruna in the family.

When the baby has snuffles or cold she gives a few doses of Peruna, instead of filling the system with the doctor's drugs.

When the school children have coughs or colds she again resorts to Peruna.

When any member of the family is afflicted with catarrh, either in its acute form or chronic, Peruna is resorted to. In a large number of minor ailments she finds Peruna a never-failing remedy.

All this has won the confidence of the housewife in Peruna, which cannot be easily shaken by the statements of people who know nothing of Peruna, having never had any personal experience in its use.

Pe-ru-na Tablets.

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

Mrs. T. J. Ballard, Pryor Creek, Indian Territory, writes: "I keep free from my old stomach trouble, feel no catarrhal symptoms at all. I am able to do my work, eat and drink what I want, and am rejoiced to know that I found a sure cure in your valuable medicines."

Dyspepsia and Constipation.

Mrs. John M. Stabler, Millersburg, Ind., writes: "I have been cured of a very bad case of catarrh of the stomach and constipation, and a complication of ailments that I have had for several years.

"I doctored with three doctors who did me not much good, so I quit doctoring. I bought a bottle of Peruna and commenced taking it. I found I was getting some better, but thought I was not doing as well as I might. So I wrote to Dr. Hartman to see what he thought about me. He gave me special directions and medical advice.

"To our astonishment I improved and am today a well woman and weigh as much as I ever did in my life.

"My old friends in Ohio, where we moved from about fifteen months ago, say when they see me, 'How well you look. I did not expect to see you ever look so well again.' I tell them I would not look so well if it had not been for Peruna.

"Peruna saved my life. I recommend Peruna wherever I am, and when any of our folks are sick I give them Peruna with success.

"I thank Dr. Hartman, and may he live many years more to go on with the good work. Tongue cannot express the gratitude that my husband, children and I owe to Dr. Hartman for the kindness he has shown toward me during my sickness.

"I want the public to know what Peruna and Dr. Hartman have done for me."

An astonishing number of families use Peruna continuously for the various petty ailments to which the family is liable.

MRS. AUGUSTA PAULINE OCHS.

Systemic Catarrh.

Mrs. Augusta Pauline Ochs, R. F. D. 2, North English, Iowa, writes: "I took Peruna over three years. I suffered from systemic catarrh and had pains in my right side so I could hardly do my housework.

"I am 66 years old, and am now doing all my housework. I am in the best of health, and cannot thank Dr. Hartman enough for his advice and medicine."
