RELIGIOUS MATTERS.

Christ M. P. Church—Rev. Dr. F. T. Little pastor. Testimony Meeting 9.30 A. M. Preaching at 10.30 A. M. Sunday School at 2.30 P. M. Juniors at six o'clock. No service at night owing to service at Washington College.

Chestertown M. E. Church—Rev. W. L. White pastor. No service in the morning owing to Baccalaureate Sermon at Washington College. Sunday School at 2 15 P. M. Twilight services at 6.45 P. M. All are cordially invited.

Splendid Children's Day exercises were held last Sunday evening at Still Pond, Kennedyville and Worton. At each church the exercises were elaborate and well rendered.

Mrs. H. H. Klinefelter entertained the members of the Women's Foreign Missionary Society at a "Lawn Party" at her home on Washington avenue on Tuesday evening. The Mite boxes were opened and found to contain $17.

Rev. J. T. Richardson will preach a special sermon to the graduates of Rock Hall High School in the M. E. Church of that town tomorrow (Sunday) morning. Children's Day exercises in the evening.

A proposition has been made for the two Methodist Sunday Schools of the town to unite in their annual picnic.

The St. Paul's festival was attended by a big crowd, and as usual, the ladies served a splendid supper, which netted a good sum for church purposes.

Sacred heart Church festival drew a large crowd, and a splendid sum was realized from the sale of strawberries and ice cream.

Public School Notes.

We are informed by Superintendent of schools, Milton Melvin, that nearly all the teachers in the county will secure an increase in salary due to the act of the last legislature. Good. In determining the fitness for increase in salary the board took into consideration the character of work done by the teacher, her experience and the size of her class.

The Hibernia Public School, Miss Ethel Salloway, teacher, held its patron's day and picnic last Saturday on the school lawn. About 75 guests were present and enjoyed an interesting program by the pupils. The feature of the day was a baseball game between the little boys and the "big boys." Messrs. John H. Clendaniel, Wm. M. Clendaniel, Webb Hill, William Baxter, John M. Comegys, Edward B. Pennington and others were on the latter team and the way the boys had them chasing the ball over the lot was good to see. But they showed that there was a time when they could play ball, for they seem to know how to grab rooters, and grub up grounders. Umpire Garrett Foxwell had his hands full deciding disputed points, but the school boys won the game all the same.

Curtains and a flag pole for the school have been secured and a library fund started by interested friends of the school.

An abundance of cake, ice-cream and strawberries were served. The committee on refreshments was Mrs. John M. Comegys, Mrs. Wm. M. Clandaniel and Mrs. William Baxter.

We are informed upon reliable authority that thus far there is not a vacancy in the county among the assistant teachers, and very few among the principal teachers.

The Faculty and Senior class of Rock Hall High School will please accept the thanks of the editors and their families to attend the Commencement exercises next Friday evening.

Wedding Bells.

HARPER—BRYAN.

A wedding of interest to the people of Queen Annes and Kent counties last Saturday was that of State Senator J. Frank Harper to Miss Mabel Bryan, daughter of Mr. and Mrs. Valentine Bryan, of Queenstown. The ceremony was performed in old St. Paul's Church, Baltimore, by the assistant rector, Rev. J. W. Sutton. Mayor's Secretary A. S. Goldsborough was best man. The ceremony was attended by only the immediate members of the families. After a wedding tour of the North Senator and Mrs. Harper will reside in Centreville, where the groom is a leading member of the bar.

Sale of Bonds.

The sale of $28,000 worth of bonds, with which to purchase the Chestertown Waterworks and make improvements to same, on Thursday was a splendid success financially and the Town Commissioners are to be congratulated on the net proceeds of the sale which amount to $1,125.60. There were three bidders as follows:

Baker Watts & Co. & Hamilton & Co. combined, of Baltimore	$29,125.60
Second National Bank, of Chestertown	28,420.00
Kent County Savings Bank	28,100.00

The bonds were sold to the Baltimore firm at a premium of $1,125.60, which will give the Water Board over $5,000 above the cost of purchase with which to make improvements to the plant and defray other expenses.

OBITUARY.

MR. JAMES RODNEY

Mr. James Rodney, an esteemed resident of the Fifth District, died at his home near Rock Hall on Monday afternoon after a short illness, aged 67 years.

Mrs. Julia A. Hossinger, one of the oldest and most highly esteemed women of this county, died at the home of her son, Mr. J. Biddle Hossinger, near Lynch, on Tuesday night of general debility, aged 84 years. The deceased was widely known throughout this county, and was a grand, good woman. Since the death of her husband she had made her home in her residence in Lynch, where she has always had the esteem of a host of friends and the tender care of her family. She is survived by one son, Mr. J. Biddle Hossinger, one of Kent's most prominent farmers and land owners. Funeral services were held from the residence of her son yesterday afternoon at two o'clock, conducted by Rev. S. R. S. Gray, of St. Paul's and I. U. parishes. Interment in Chester Cemetery. Rich Neck Farmers.

The Rich Neck Farmers' Club was delightfully entertained at the beautiful home of Mr. and Mrs. Harry P. Skipper, over the river on Thursday. The club is doing a splendid work in developing agricultural problems, and in creating a beneficent social atmosphere, and the meeting on Thursday was all that one could desire from an educational as well as a social standpoint. At the meeting in the afternoon the question "Which has accomplished more in the world, muscle, brains or wealth?" created much discussion and showed that in the Rich Neck Farmers Club there are some debaters who can make good on a larger forum. Mr. Charles McKee was especially forceful in his argument in favor of muscle, while some of the fellows who have plenty of wealth were just a little shy of sounding its praises. The discussion in the evening was on "Tomato raising for profit," and another agricultural subjects of equal interest. A splendid collation, consisting of chicken patties, ham, deviled crabs, veal, cheese, sliced tomatoes, Maryland biscuits, coffee, ices and cake was served. Mr. and Mrs. Skipper have a beautiful home and they entertain in charming manner. At a business meeting of the club the following officers were elected: H. P. Skipper, president; J. T. Anthony, secretary; John McRochester, treasurer. Executive committee the above with Messrs. C. H. Jefferson and W. Irving Walker. Those present were: Mr. and Mrs. Thomas Skipper, Mr. and Mrs. Charles H. Jefferson, Mr. and Mrs. S. R. Hurlock, Mr. and Mrs. W. CATARRH OF THE STOMACH RELIEVED.

Perhaps No Medicine in the World Has Relieved More Cases of Catarrh of the Stomach Than Pe-ru-na.

The Symptoms of Stomach Catarrh Are Heaviness After Eating, Belching Gas, Sourness of the Stomach, Sluggish Bowels.

ALDERMAN GEO. W. WEICK. DENVER, COL. SAYS:— "I HAVE USED PERUNA FOR CATARRH OF THE STOMACH AND IT HAS HELPED ME WONDERFULLY."

SOME OTHER STARTLING TESTIMONIALS.

ALDERMAN GEORGE W. WEICK, 1474 South Seventh Street, Denver, Col., Alderman Eleventh Ward, writes: "I have used Peruna for catarrh of the stomach and it has helped me wonderfully."

Chronic Stomach Trouble.

MR. SAMUEL A. SEAL, Route 2, Treadway, Tenn., writes: "It gives me great pleasure to testify to the great good your medicine, Peruna, has done for me in a chronic case of catarrh of the stomach. I was confined to my bed for some time, and could not sit up. I had tried everything that I could find recommended for catarrh, without any benefit. I tried the best physicians in Hancock County, with little or no benefit. I then tried two of the best physicians in Hawkins County, and found they were doing me no good. I was gradually growing worse.

"Then a friend of mine, passing by, handed me one of your pamphlets, and seeing how Peruna was recommended for catarrh, I sent to Rogersville, Tennessee, next morning, a distance of about fifteen miles, and procured some of your Peruna, and began taking same according to directions, and after taking it a few days I began to get better.

"I continued using it until I was able to go to work on the farm again, and now I am in very good health and do work on my farm.

"I do honestly believe your great medicine, Peruna, saved my life, and I cheerfully recommend it to like sufferers. You are at liberty to publish my testimonial, and I truly hope it may be a benefit to some one."

Catarrh of Head and Stomach.

Mr. Frank Richter, of 809 East Second Street, Winona, Minn., writes: "As a remedy for catarrh I take pleasure in recommending Peruna for catarrh of the stomach. I know what it is to be afflicted with this awful disease, and consider it my duty to say a word in behalf of the remedy which gave me such relief.

"Peruna cured me, and I know it will cure any one else who suffers from this disease. It gives me great pleasure to testify to the curative effects of this medicine.

"Peruna is a well tested and frequently used remedy, and for catarrh of the stomach it is unsurpassed.

"My catarrh was principally located in my head and stomach. I tried many remedies without success. I tried several doctors, but they were unable to cure me. I read of Peruna in the papers, and five bottles cured me."

Almost from the first dose Peruna will relieve symptoms of stomach catarrh. Peruna at once sharpens the appetite, increases the digestive powers, and gives renewed strength.

People who Object to Liquid Medicines Should Buy Peruna Tablets
