It's certain you don't like needless lifting. So get a waist low

SHARPLES

Dairy Tubular Cream Separator.

Here are five separators—the largest Sharples Dairy Tubular in the middle and two "back breakers" on each side. The machines are all set so the crank axles are level. Which kind for you? The girl is 5 feet 4 inches tall. We handle Tubulars exclusively. Tubulars have waist-low supply cans and other advantages over all other separators. Call and examine Tubular.

Chestertown, Naryland.

BETTERTON BRIEFS.

The steamer Annapolis brought an excursion of the members of Northeast Baltimore Improvement Association to Betterton on Wednesday. The boat arrived at 2.15 o'clock and the afternoon was spent in roller-skating, dancing, bowling and racing, consisting of barrell, sack, potato, hop, and foot races, prizes being awarded to the winners. The Chesapeake House, and Betterton Hotel furnished supper, and at seven o'clock the steamer pulled out from the pier on her return trip to Baltimore. For three successive years this association has visited Betterton about the middle of June each year.

The Penn and Lord Baltimore have started the day trips between Philadelphia and Baltimore. The running of these boats is of great importance to the popularity of Betterton and daily brings crowds of excursionists to the place.

Boarders have commenced to arrive and are scattered about at the hotels and cottages.

A number of people from here attended commencement at Washington College on Wednesday. They were all delighted with the exercises also the game of ball in the afternoon.

Still Pond nine played the Betterton nine on Saturday afternoon last, resulting in a victory for our boys. Betterton is hard to beat in anything.

Carpenters are busy at work on Shadylawn Cottage. The roof is being torn off and a higher one to be replaced, also other improvements.

Mrs. Rasch, of Chester, Pa., is the guest of Mrs. Ewel Wilmer.

Mr. Thomas Shallcross is visiting his daughter, Mrs. Brown, in Wilmington.

Miss Ella Litsinger, of Baltimore, is spending sometime with Miss Hettie Crew.

Mrs. Robert Young and daughter, Miss Ethel Young, have come over and will open Ferncliff Cottage in a few days.

Mrs. Frank Clark is entertaining relatives from Wilmington.

Mr. and Mrs. Charles Brice visited Baltimore this week.

Mr. Alex. Mair opened for the summer the ice cream parlor and dairy lunch room on the beach last Saturday evening.

Children's Day service will be held Sunday evening at 8 o'clock, also special services in the afternoon.

DEATH OF "BLIND TOM".

Noted Negro Musician, Long in Retirement, Dead in Hoboken.

"Blind Tom," a noted negro musician, marvel of three generations of playgoers, died Saturday evening in Hoboken, N. J., where for years he had been living in retirement and subsisting on charity. Thomas Wiggins is the name given in his burial certificate, but the surname was one he adopted. He was born a slave near Columbus, Ga., about 1850.

In early childhood Tom, who was born entirely blind and more than half idotic, showed himself remarkably imitative, frequently stealing into the house of his master to reproduce on the piano melodies he had heard played by others. In 1862 he became so proficient that he was taken to New York and exhibited as a phenomenon, and later was widely heard in the United States and Europe.

"Blind Tom" made a vast fortune by his wonderful musical powers for a white man who was his manager in his exhibitions, and the sad part of it all is that this man had not the gratitude to provide a retirement of ease and comfort for the blind musical wonder.

State Teachers' Meeting.

The next meeting of the State Teachers Association will be held in Ocean City, June 24-26. The railroads and steamboats have made reduced rates for the meeting. Among those who will address the Association are:—Dr. Chas. B. Gilbert, Lecturer, Western Reserve University; Dr. Henry West, Department of Education, Baltimore; Judge Robley D. Jones, Snow Hill, Maryland; Dr. Thomas H. Lewis, President Western Maryland College; Miss Isabel Davidson, Supervisor of Primary and Industrial Work, Public Schools, Baltimore county; Miss Beatrice Robertson, Public Schools, Wicomico county; Prof. Herbert E. Austin, State Normal School; Prof. E. H. Norman, President Baltimore Business College; President Albert S. Cook, Superintendent of Public Schools, Baltimore county; Mr. T. B. Fitzpatrick, President of the Virginia State Teachers' Association; Mr. A. C. Willison, Superintendent of Public Schools, Allegany county. An attractive feature of the program will be the music rendered by "The Ionic Lady Quartette, of Baltimore."

State Bankers' Association.

Preparations are being made for the entertainment of the Maryland State Bankers' Association in Baltimore on September 16, 17 and 18. The headquarters of the association will be at the Hotel Belvedere. The business sessions will be held on September 17 and 18, and a banquet will be held at the Belvedere on the evening of the 18th. The Mayor will deliver an address of welcome to the visitors, and efforts are being made to secure the attendance of the Governor.

Announcement was made this week of a few of those who will deliver addresses before the convention. Among the speakers will be Messrs. W. F. King cashier of the Pocomoke City National Bank; Charles Evans, cashier of the Southern National Bank, of Wilmington, N. C.; F. O. Watts, president of the First National Bank, of Nashville, Tenn., and Charles Williams, superintendent of the New York State Banking Department.

***A blaze in the chimney of the Pippin Hotel caused an alarm of fire to be sounded last Saturday afternoon. The Volunteer Fire Company responded quickly to the alarm and extinguished the blaze before any damage was done. Mr. and Mrs. Pippin are very grateful to the Fire Company for their quick response, and clean work. Not even the paper on the walls was defaced.
