THE SECOND NATIONAL BANK

OF CHESTERTOWN. MD.

Only National Bank in Kent County

Capital	$50,000
Surplus and Profits	46,000
Stockholders' Liability of	50,000
Total Security to Depositors	$146,000

THE only monetary security an incorporated bank can honorably and truthfully offer its Depositors is the margin of security which the Capital, Surplus, Undivided Profits and Stockholders' Liability of the Bank affords. In our case this margin exceeds double that of any bank in this vicinity. Thus from a security view-point our patrons have more than double the amount in security than those have who patronize other institutions. Together with the above we have taken the following precautions in the bank's management: Four examinations each year, two by the National Bank Examiner, two by the Board of Directors. Each officer giving a substancial bond in the strongest surety company, Burglary Insurance on the contents of the vault. Cash Reserve of 15 per cent. of its deposits. Our Conservative Policy—all for your protection. Let us have your business.

A CARD OF APPRECIATION.

In retiring from business, which my failing sight compels, I wish to return my grateful thanks to the many friends and patrons who have stood by me so faithfully and some of them by my father before me. It is with much feeling and great regret that I have faced the inevitable and given up the business I have been engaged in so long, and in which I have achieved a reputation that any one may well envy.

Again thanking all my friends, I desire to recommend my successor, MR. CHARLES L. DODD, to their liberal patronage, feeling sure of his ability to coduct the business in the most acceptable manner.

Respectfully,

JOHN N. DODD,

The Cost of it.

The depositors of banks which fail generally have large costs to pay in winding up the affairs of such institutions and sometimes the stockholders have these costs to shoulder.

The Farmer's Banking and Trust Co., of which the Galena Bank was a branch is an illustration of this condition. The assets of the Trust Co., which came into the hands of receivers amounted to about $111,000. There was distributed to the depositors the sum of $89,000. The difference, some $21,000, shows the cost of the settlement of their dividend of 40%. In other words its cost amounted to 20%, to handle and disburse this 40% dividend.

The three receivers received as fees some $7242.54.

Mr. Mister received	$2500.00
Mr. Heuisler received	2000.00
Mr. Phelps received	2000.00
The estate of Mr. Johnson received	746.54

For stating the audit the charge was $1200.82. It pays to be an auditor in Baltimore city. But then the audit is a very bulky and large document.

The attorney for the receivers received a fee of $3000. The audit discloses how small an amount some of the foreign directors of the concern had on deposit. Some of the home directors, at the time of the failure, had as much deposited as $3000; while some of the foreign directors did not have $5.00. There is much talk in Baltimore of the liability of the directors to the stock-holders and of the stockholders to depositors for their deposits. But, as far as the TRANSCRIPT has been able to learn, nothing definite in this direction has yet developed.

Real Estate Sales.

Mr. Samuel G. Maslin purchased at private sale from Senator Wm. M. Slay, attorney, on Friday last the Mrs. A. L. Houston farm located near St. Paul's Church. The price paid is private, but it is reported to be a considerable advance over the amount bid at public sale. Mr. Maslin is one of our progressive and energetic farmers, and we predict he will soon make a first-class farm of his new possessions.

Hope H. Barroll, Esq., sold at private sale on Wednesday the Merritt farm near Kennedyville to Mr. Robert R. Hill for $12,000. The farm was offered at public sale on Tuesday and held up at a bid of $12,000. This farm contaids 178½ acres.

Hope H. Barroll, Esq., sold on Tuesday at private sale the Jones house and lot in Millington to Mr. J. E. Higman for $800. This property was offered at public sale at Millington on Saturday and held up on a bid of $7.25.

Hope H. Barroll, Esq., sold on Saturday at public sale in Millington, lot No. 9, parcel No. 2, of the James H. Pennington estate to Wm. Ward, colored, of Clayton, Del., for $80. Lot No. 13 was also offered at public sale at the same time, but was not sold. It can be purchased at private sale, from Mr. Barroll. Lot No. 2 was withdrawn.

S. Scott Beck, Esq., trustee, sold on Tuesday at public sale in Chestertown the Gamble farm to Mrs. John L. Deputy for $11,300. This farm contains 376 acres.

S. Scott Beck, Esq., attorney for Mr. George Beck, sold on Tuesday the two tracks of land of Charles S. Gamble, containing 80 and 20 acres respectively to Mr. Thomas Clothier for $3,100.

The Parks farm near Betterton offered at public sale on Tuesday by Mrs. Georgetta Merritt was held up on a bid of $4,000. This farm can be bought at private sale from Dr. J. B. Merritt, of Easton, Md.

Base Ball Notes.

The Church Hill base ball team, greatly strengthened by the presence of Johns and Jump, two of Washington College stars, defeated the P. O. S. of A. base ball team of Chestertown on Saturday in a well-played game by the score of 10 to 7. The P. O. S. of A. team was greatly weakened by the absence of four of her regular players. We hope these young men will not fool us again. Batteries, Church Hill, Dudley, Carter, Wallis and Whaley. P. O. S. of A., Bramble and Rolph.

The Chestertown Stars would like to have a game with the Millington Juniors. Address Robert F. Hendricks.

OBITUARY.

MRS. REBECCA LIEBERMAN.

Mrs. Bebecca Lieberman, mother of Mr. N. Lieberman, of Melitota, died on Monday, June 15th, at the residence of her daughter, Mrs. M. M. Wood, 227 E. 69th street, N. Y. She was buried at Washington Hebrew cemetery, Brooklyn. Her six nephews, Joseph, Lewis, Marcus, Leo, Victor and Bernard Wood, were the pall-bearers.

THOMAS H. EDWARDS.

Mr. Thomas H. Edwards died suddenly at his son's residence, on Park Heights Avenue, near Rogers avenue, Baltimore, June 24, 1908, at 12 30 A. M. Aged 85 years. Funeral services were held at the residence of his son yesterday morning.

Investigating Fire Equipment

Mr. Thomas D. France, president of the Chestertown Volunteer Fire Company, accompanied by Messrs. Wm. S. Carroll and Thomas S. Bordley, commissioners of Chestertown, Mr. Harry G. Cannan, chief of fire company, Messrs. Charles S. Smith, J. E. Ferguson, Hydie Thompson, F. H. Russell, W. L. Fowler, F. S. Russell, John S. Vandgrift, bailiff S. E. Cooper and Capt. W. F. Malin, visited Centreville on Wednesday to examine and inspect the fire equipment of that town, looking to equipping of an up-to-date departmert for Chestertown.

The committee found at Centreville two hose carriages, with 500 feet of hose on each carriage and 600 feet of hose on the drying rack to be used if needed at time of a fire; one ladder truck with wall and scalling ladders and full equiptments for 25 men, consisting of helmets, gum coats and gum boots.

A drill was given by Mr. Frank H. Phillips, chief of the Centreville Company, which showed a very effective and prompt service. Every courtesy was shown the Chestertown committee by the citizens of our sister town, and especially by Col. W. H. Gibson, president of the fire company, Messrs. Wm. McKenney and Albert Green, two of the commissioners of Centreville.

The water at Centreville is supplied by means of a standpipe and under favorable conditions a stream of water can be thrown from 80 to 90 feet high, while under ordinary circumstances a stream can be thrown from 50 to 55 feet high.

The committee desires us to extend to the Centreville committee their thanks and appreciation of their many courtesies. Capt. Malin carried the Chestertown delegation to Centreville in his gasoline launch.

LOST.
