THE SECOND NATIONAL BANK

OF CHESTERTOWN, MD.

Only National Bank in Kent County

Capital	$50,000
Surplus and Profits	46,000
Stockholders' Liability of	50,000
Total Security to Depositors	$146,000

THE only monetary security an incorporated bank can honorably and truthfully offer its Depositors is the margin of security which the Capital, Surplus, Undivided Profits and Stockholders' Liability of the Bank affords. In our case this margin exceeds double that of any bank in this vicinity. Thus from a security view-point our patrons have more than double the amount in security than those have who patronize other institutions. Together with the above we have taken the following precautions in the bank's management: Four examinations each year, two by the National Bank Examiner, two by the Board of Directors. Each officer giving a substantial bond in the strongest surety company, Burglary Insurance on the contents of the vault. Cash Reserve of 15 per cent. of its deposits. Our Conservative Policy—all for your protection. Let us have your business.

A CARD OF APPRECIATION.

In retiring from business, which my failing sight compels, I wish to return my grateful thanks to the many friends and patrons who have stood by me so faithfully and some of them by my father before me. It is with much feeling and great regret that I have faced the inevitable and given up the business I have been engaged in so long, and in which I have achieved a reputation that any one may well envy.

Again thanking all my friends, I desire to recommend my successor, MR. CHARLES L. DODD, to their liberal patronage, feeling sure of his ability to coduct the business in the most acceptable manner.

Respectfully,
JOHN N. DODD,

COUNTY GRANGE.

A Splendid Meeting Held in Still Pond Hall—Splendid Entertainment by the Local Grange—A Fine Program.

The Second Quarterly Meeting of the Kent County Grange was held on Thursday in Still Pond Grange Hall, and was not only largely attended, but was a most profitable and enthusiastic gathering. The Still Pond Grange entertained the County Grange in splendid style in their excellent and convenient quarters on the second floor of the Harper store, which was beautifully decorated with bunting and potted plants for the occasion. The Grange was called to order at 10.30 o'clock by Worthy Master Robt. G. Nicholson, and nearly every officer was in his place.

The entire morning session was devoted to the business of the grange. Mr. James T. Anthony, chairman of committee on By-Laws, submitted his report which was adopted with several amendments. At one o'clock a recess was taken, when a splendid luncheon was served by the ladies of Still Pond Grange.

The afternoon session began at two o'clock, Prof. H. J. Patterson, worthy State Master, having charge of the grange. The grange was particularly fortunate in having present National Lecturer Gantt, who, with Worthy State Master Patterson, obligated the members of the grange in the fifth degree, thus constituting it a Pomona Grange. Among the other distinguished visitors present besides State Master Patterson and National Lecturer Gantt were Prof. Symons, State Entomologist; Prof. J. S. B. Norton, State Pathologist; Mr. Evans, Master of Kent county, Del., Grange, and Mr. Marion Dawson, State Organizer. Profs. Patterson, Symons, Gantt and Mr. Evans delivered instructive and helpful addresses, which were greatly appreciated by the members. Prof. Patterson took occasion to compliment the Kent Grange upon its strength and progress, as did also National Lecturer Gantt and Mr. Evans, and Prof. Symons. The regular programme began with music and recitations in charge of Still Pond Grange. Mrs. Lavinia Harper sang a beautiful solo, Misses Ethel Robinson, Florence Harper and little Miss Bennett gave pleasing recitations, and Master Bennie Robinson in his characteristic manner sang a "catching" solo. He advised the grange to "Keep politics off of the farm." The following topics were ably discussed:

The Dairy—Mr. James T. Anthony.
Poultry Raising for Profit—Mrs. John P. Nicholson.

Are we training our girls to be home makers—Mrs. John H. Clendaniel and Mrs. F. M. Miller. The papers by the ladies as well as by Mr. Anthony were splendid, evoking much applause and very favorable comment. We shall publish several of these papers later.

The grange closed at 5.30 o'clock after a most instructive and enjoyable meeting to meet the 1st Thursday in October in Kennedyville.

The grange was delighted to have the presence of the distinguished visitors, and hopes that they may be able to come to the next meeting.

The questions given to Dr. G. I. Barwick and Mr. H. P. Skipper will be discussed at the next quarterly meeting. Every member of the grange should feel proud of the showing made on Thursday, and it should be the object of every granger to attend the next quarterly meeting. The Grange is destined to a great work of benefit to the farmers of the county, who should unite in this great effort to increase their social, educational and financial advantages. It was a great occasion and a splendid treat, both socially and from an educational standpoint.

Hill Top Burned.

The large dwelling on Hill Top farm, near McLain's Corner, owned by Mrs. William S. Godwin, was destroyed by fire on Tuesday afternoon about four o'clock, together with the greater part of its contents. This had been one of the greatest boarding places in the county during the summer having, entertained as many as 80 guests at one time, and already there were a number there for this year. They were all at Tolchester at the time the fire started, but most of their effects were saved. The fire is supposed to have originated from a defective flue, and the woodwork being so dry the fire made such rapid headway that it was impossible to save much of the furniture. The pump which stood close to the house caught fire soon after the fire started, and no water could be gotten with which to fight the fire. The loss is partially covered by insurance of $2500 on the dwelling and furniture.

Bank Dividends.

The board of directors of the Second National Bank at their meeting last Wednesday declared a dividend of 3 per cent. ($1500.00) payable July 14th, and carried $5000.00 to surplus account. This bank now has a surplus of $40,000.00 and undivided profits amounting to $4,900.00, a most gratifying showing.

The directors of the Kent County Saving Bank at their meeting this week declared a semi-annual dividend of 4 per cent. clear of taxes, and carried $2,305.15 to the surplus fund after paying the dividend. This bank now has a surplus fund and undivided profit account of $32,000.

The directors of the Cestertown Bank of Maryland on Wednesday declared a semi-annual dividend of 3 per cent. clear of taxes, and carried $1,829 to their surplus fund. This bank now has a surplus and undivided profit account of $26,829.

A Lucky Dive.—One day last week Mr. Coale, who was visiting Mr. and Mrs. James G. Beck, while on a pleasure trip to Emory's wharf, lost his gold watch valued at $60, overboard. One day this week Mr. Joseph Peterson Westcott learned of the loss, and while in bathing dived for the lost watch and found it. Mr. Coale valued the timepiece very highly and rewarded Mr. Westcott very liberally by giving him a crisp five-dollar bill.

Jr. O. U. A. M.

State Councilor Ritter and State Chaplain Mennerick, visited Chestertown Council 177, JR. O. U. A. M., on Wednesday night and delivered instructive and profitable addresses. After the meeting the visitors were entertained at the Loud House, where splendid refreshments of ices and cakes were served by Caterer Loud.
