THE LADIES' STORE, CHESTERTOWN, MD.

JEFFERSON.

SEMI-SUMMER REDUCTIONS.

AS the summer is fast passing away and finds us with a few odds and ends in the various lines yet on hand which we will close out at a great reduction to rid our shelves in order to make room for the vast array of fall goods which will soon begin to arrive. While the price in these "odds and ends" are exceptionally low, they are in no wise damaged but are genuine first class stock and as represented or money cheerfully refunded.

WE desire to call especial attention to the fact that "Ladies Store" is the only dry goods and notion house in the town that closes at 7 p. m. during the months of July and August and hope that the public will appreciate this and call during the day and secure some of the bargains offered below.

MILLINERY AT HALF PRICE.

Our Millinery parlors must be cleared AT ONCE. We need the money, we need the room. There are some few choice pattern hats, sailors, trimmed and untrimmed hats, flowers, ribbons, etc., here which must go; we say 50c on the dollar takes them; all persons can find real bargains here. Don't wait, come inspect, but meditate not for the price will surely please.

White Goods.

We have just finished our largest season on white goods, and the cause for the amount of business has been the quality of the line. This has been equal to any to be seen in the city. We are now ready to close out the odds and ends at great sacrifice.

Persian Lawn, 32 inches wide, 15 and 18 cents, at 12½c
" " 45 inches wide, 30, 35 and 40 cents, at 27c
Hand-woven Battist, Chiffons, Kristols, French Muslins, Organdies, etc., 50 and 60 cents, at 45c. 65 and 75 cents at 50.

7½c PER YARD

We have recently purchased a job lot of Muslin Remnants from one to ten yards to the piece. Regular price 8, 10 and 12½c per yard, we offer them while they last at 7½c.

A JULY SHOE CLEARANCE.

You know what that means. It's a clearing up of all Spring and summer shoe stock. "Six months and out"—is the rule—and here they go.

Pumps and Oxfords—every pair—good reliable shoes—no trash in our regular stock. It's the opportunity of the season to get good shoes at little prices.

First Choice is Always Best

Just look at this list. We think the prices will make your purse uneasy.

All Tan and Gun Metal Pumps, the regular $3.30 line, go in this clearance sale at **$2.90**

A number of pairs of Black Kid, Patent Leather and Gun Metal Oxfords. The regular $3.00 line go at **$2.50**

Come out, ladies, during the day. You will find the store pleasant, fans plentiful, cool, refreshing water and a souvenir to all who call between 7 A. M. and 7 P. M.

MURDERED MAN HANGED TO A TREE.

Was the Father of a Well-known Lady Resident of Crumpton Whom he had Visited Only a Short While Before his Murder.

The finding of the dead body of William Williams, a well-known and well-to-do farmer, aged 60 years and a widower, living near Marydel, hanging from a tree in a thicket, on Tuesday, has caused much excitement among the residents of Marydel and Templeville, Md., between which places the body was found.

Especially mysterious has the finding of the body become, since it developed that on the head of Williams is a deep wound, evidently caused by a blow from a hard instrument, and that a blood clot was formed on the brain. Various bruises on the body indicate that he met with foul play before being hung to the tree.

A marriage license being found in his pocket, indicated that he had intended to marry again. The other party mentioned in the license is Miss Elizabeth Walls, aged only 13 years, who lives with her family on one of the Williams' farms.

The coroner, as well as the authorities of Queen Anne's county, Md., are investigating the case, which may result in proving that death was caused by foul play.

Since the death of Williams' wife, nearly a year ago, he had lived with his relations, he having two daughters and three sons. He was of a roaming disposition and when he absented himself from home for a day or more, nothing particular was thought of it.

On Friday last Williams went over to Crumpton, Md., to visit one of his daughters. After remaining there a little while he left the house with the excuse that he desired to go in the back yard. Since that time nothing has been seen or heard of him until Tuesday morning, when his body was found in a wood between Marydel and Templeville by John Russum, who had gone into the thicket to gather huckleberries. Upon making his ghastly find the man ran to the road, and seeing Dr. J. R. Smith of Templeville passing, called to him. The two went to the woods and cut the body down. The doctor examined the body and found that life was extinct and had been possibly for ten hours or more.

Word was at once sent to the dead man's relatives and the coroner and undertaker were notified, who came and took possession of the body, removing it to the home of Williams' son, residing in Delaware, just near the dividing line of the two States.

Bedworth, Jr., Coming Home.

Mr. William A. Bell, the well-known horseman, has traded his sorrel mare, Bonnie Lassie, with a money consideration for Bedworth, Jr., Maryland's greatest race horse. For the past three or four years Bedworth, Jr., has been owned by a Mr. Javin, of Washington, who used him on the speedway and allowed him to start in several races. The return of Bedworth, Jr., to his old home, Rose Hill, where he was raised, will be hailed with delight by all lovers of good horses, for he is not only the fastest horse ever raised in Maryland, but he is the sire of many fine colts, many of which have great speed. In the deal which Mr. Bell has made, while he has exchanged a fine mare, yet he has benefited farmers and horse owners by returning Bedworth, Jr., to the stud, and his presence in Kent will be worth money to him besides. Bedworth arrived at Rose Hill this week. He is still very fast, having been driven in a slow mile in 2.30 last week. Whether or not Mr. Bell will race him again is not known.

***We are indebted to Dr. W. Frank Hines, State Superintendent of Immigration, for a copy of a recent report of the Bureau. Everything is in splendid shape, having been left so by his predecessor, Mr. Turpin, of Queen Annes, and the pamphlet is illustrated with attractive views of various scenes on the Eastern and Western shores.
