Here are five separators—the largest Sharples Dairy Tubular in the middle and two "back breakers" on each side. The machines are all set so the crank axles are level. Which kind for you? The girl is 5 feet 4 inches tall. We handle Tubulars exclusively. Tubulars have waist-low supply cans and other advantages over all other separators. Call and examine Tubular.

CAPT. MALONE'S SHOOT.

How The Ameteurs Will Recover Their Entrance Money.

The James R. Malone fifteenth annual trap shooting tournament will be held at Betterton July 27, 28, 29 and 30. The Tourney committee is Joe Hunter, H. Keller, C. France, W. Ford and James R. Malone, manager.

The management reports such a big lot of entries as to convince it that the tourney will be the greatest of its history.

Experts will shoot, but will not be contestants for any of the money prizes. All amateurs who shoot through the entire program will get back their entrance money, irrespective of the scores they make, as 1 cent for each target thrown will be put in a fund to pay those who make poor scores. This fund will amount to about $300.

Under this system last year George McCarthy, M. Regan and F. Tower each won $100.

In the shoot events 90 and 95 per cent. men will be put on the 20-yard mark, 80 per cent. men on the 18-yard mark, while those shooting below 80 per cent. will stand at the 16-yard mark. Purses will be divided on a 40, 30, 20 and 10 per cent. basis.

The program is an elaborate one and one which should keep busy the great number of shooters expected to take part.

GOMPERS FOR TICKET.

Samuel Gompers, President of the American Federation of Labor, 2,000,000 strong, has announced himself for the Democratic ticket. Mr. Gompers says:

"I have been a Republican all my life," he said at the railroad station Tuesday afternoon, while waiting for a train on which to continue his journey to Washington, "but this year I shall vote for Mr. Bryan and shall take the stump for the Democratic ticket. I shall do everything in my power for its success. The Democratic platform expresses the principles for which the American Federation of Labor and its officers are working, and, in supporting and fighting for the success of these principles, we will support and fight for the candidates who are pledged to carry them into effect.

"The Republican party has repudiated the just demands of the working people, and in that action has taken a stand for injustice and unfair treatment of labor. We do not ask for any special privileges, but do ask equality of justice. All our affiliated organizations have been instructed to work for the Democratic platform and ticket, and in their meetings they are declaring for the principles that the Democrats have embodied in their platform. I believe we shall win the fight."

IN MEMORIAM.

MRS. MARY DONLIN.

Our mother, how we miss you,
You have left us sad and alone,
And have gone to live with Jesus,
But we hope to meet you soon.

You are numbered with the Angels,
In a home of perfect love,
You are happy now with Jesus,
For you rest with Him above.

Tell us no more of home and wealth,
Of careless care and blooming health,
For they have all their snares.
Let us but know our mother is forgiven,
And see our names enrolled in Heaven,
And we are free from cares.

Lonely the day and sad the hours,
Since our dear mother has gone,
But, Oh! we hope a happy home
In Heaven is now her own.

Farewell, my mother dear, farewell,
Adieu, farewell to thee,
Our mother is gone and we are left
The loss of her to mourn,
But may we hope to meet with her
With Christ before God's throne.
