Mr. Merchant began farming about two years ago and consequently all of the implements and machinery are practically new. The advertisement inserted elsewhere in this issue should attract everybody who needs first-class farming stock and implements. Mr. Merchant will remove from the county to Denver, Colorado. Look up this advertisement. It may pay you.

To Build Bridge.—The County Commissioners have awarded the contract for building the Still Pond road bridge to Messrs. Stavely & Bowers, the well-known Lynch's Contractors and Builders. There were two bidders as follows: Stavely & Bowers $339, S. J. Coleman $498.50

To Our Readers.—Owing to the pressure of advertising matter, we are forced to omit all communications and much other interesting local matter this week. If your name is not mentioned in the personals or the story of the lost diamonds does not appear, please consider it no slight, and look for it next week.

Will of the Late Willard S. Dill.—The will of the late Willard S. Dill was filed in the Orphans' Court on Wednesday evening. After making allowance for the widow's dower, it divides the residue of the estate into three equal parts, the portion allotted to Mrs. Geo. Perkins, being left in trust. Harrison W. Vickers, Jr., Esq., is the executor.

Dr. Lewis to Lecture.—Rev. Dr. Thos. H. Lewis, president of Western Maryland College will lecture in Stam's Hall on the evening of Sept. 7th. under the auspices of the County Teachers Institute. His subject will be "Following the Footsteps of St. Paul in the Capitals of Power and Culture." The lecture will be illustrated by over 100 views, and we are sure it will be grand. Particulars next week.

Passed Fine Examination.—Mr. Jas. A. Merritt, son of Mrs. Simon Wickes Merritt, on Front street, has returned from the West where he went through the ordeal of an examination for entrance to the Navy. Mr. Merritt passed a most creditable examination, being almost perfect in mathematics, one of the navy's greatest requirements, and in physique he was declared "allright." He was admitted to the navy, and we understand he will shortly be assigned to an important post at a lucrative salary. The TRANSCRIPT congratulates you, Mr. Merritt. Another Chestertown boy has made good.

NEWSY BRIEFS.

*†*Tuesday is show day. It is a good show, too.

*†*Mr. Robert J. McWhorter has traded his fine roadster to Mr. Walter T. Morris for a fine driver.

*†*The circus will show on the lot owned by Mr. J. Waters Russell at the head of town on Tuesday next.

*†*A valuable horse was killed by lightning and another severely stunned on the Dodd farm during the storm on Wednesday afternoon.

*†*Local dealers were paying 95 cents for wheat yesterday. Corn is selling in Baltimore for 83 to 84 cents and oats from 60 to 64 cents per bushel. Wheat reached the $1 mark in Baltimore on Wednesday, but the market was off Thursday and yesterday.

*†*Several farmers in the county are talking 50 bushels of corn per acre on some of their tillage. If correct, that's not so bad for Kent land in this year of drought.

*†*Race entries for the Tolchester Fair closes on Aug. 18th. All other exhibitors are urged to have their exhibits entered as early as possible by the secretary, Mr. G. E. Noland.

*†*Tomato shipments will begin in the county on a small scale next week, and our canneries will give employment to laborers shortly. The contract price in Kent this year is $8.

*†*Sheriff Hadaway is to be congratulated upon the very excellent condition in which he keeps the court house and jail grounds. His force of workmen is selected from the jail prisoners under his strict supervision.

*†*Dr. G. Allen Jarman tested with tuberculin the fine herd of dairy cattle belonging to Col. Albert Story, one of our dairymen, on Saturday, and he found them in excellent health and free from all evidences of tuberculosis.

*†*The Town Commissioners have fixed the town tax next year at 40 cents on the $100 instead of 30 cents as heretofore. The change is made necessary because of improvements to streets contemplated by the commissioners.

*†*Judge John H. Simpers' Rockwell property, corner Park Row and Cross street, is being greatly improved by an attractive coat of paint. Messrs. Needles Bros. are doing the work, and as usual, are making an excellent job.

*†*The Town Commissioners are giving the Maple avenue driveway a good covering of sand and gravel. This experiment has proven very successful on the roads of the town thus far, and other driveways will be covered as soon as convenient.

*†*The Kennedyville third team and the Chestertown Stars played a close game at Chestertown on Saturday. Score 12 to 10 in favor of Kennedyville. The score was tied in the fifth inning, but by good work the Kennedyville boys managed to win out in the ninth.

*†*Mr. Clifton L. Jarrell lost a very valuable Adelect colt on Thursday morning. The colt jumped over a railing fence on one of Mr. Jarrell's farms in Queen Annes and impaled itself. Dr. G. Allen Jarman was called but the animal was beyond medical skill. The colt was dropped by a mare which Mr. Jarrell purchased from Dr. H. G. Simpers.

*†*We urge the Town Commissioners to be careful hereafter about granting privileges to patent medicine fakirs to sell their wares on the street corners. Some of them deceive the people shamefully, and break up the merchants' trade at night generally. All reliable patent medicines can be purchased at our drug stores, and the people of the town have no need for medicines sold by street fakirs that often do more harm than good.

House Party.

One of the most pleasant events in Kent society of the present season was the house party given recently by Miss Jessie Crewe at "The Grange," her home near Betterton. Those from the county were Mrs. H. L. Crewe, Mrs. Dr. T. B. Willson, Mrs. Harry Skirven, Misses Anna and Charlotte Willson, Messrs. L. Harris Crewe and Roland Crew from Baltimore; Misses Maude Willson and Caroline McConnell; Messrs. George Thompson and James Thompson. It goes without saying that all had a royal good time.

With Our Advertisers.

Is Pe-ru-na Useful for Catarrh?

Should a list of the ingredients of Peruna be submitted to any medical expert, of whatever school or nationality, he would be obliged to admit without reserve that each one of them was of undoubted value in chronic catarrhal diseases and had stood the test of many years' experience in the treatment of such diseases. THERE CAN BE NO DISPUTE ABOUT THIS WHATEVER. Peruna is composed of the most efficacious and universally used herbal remedies for catarrh. Every ingredient of Peruna has a reputation of its own in the cure of some phase of catarrh.

Peruna brings to the home the COMBINED KNOWLEDGE OF SEVERAL SCHOOLS OF MEDICINE in the treatment of catarrhal diseases; brings to the home the scientific skill and knowledge of the modern pharmacist; and last but not least, brings to the home the vast and varied experience of Dr. Hartman, in the use of catarrh remedies, and in the treatment of catarrhal diseases.

The fact is, chronic catarrh is a disease which is very prevalent. Many thousand people know they have chronic catarrh. They have visited doctors over and over again, and been told that their case is one of chronic catarrh. It may be of the nose, throat, lungs, stomach or some other internal organ. There is no doubt as to the nature of the disease. The only trouble is the remedy. This doctor has tried to cure them. That doctor has tried to prescribe for them.

BUT THEY ALL FAILED TO BRING ANY RELIEF.

Dr. Hartman's idea is that a catarrh remedy can be made on a large scale, as he is making it; that it can be made honestly, of the purest drugs and of the strictest uniformity. His idea is that this remedy can be supplied directly to the people, and no more be charged for it than is necessary for the handling of it.

No other household remedy so universally advertised carries upon the label the principal active constituents, showing that Peruna invites the full inspection of the critics.
