DEMOCRATIC TICKET.

FOR PRESIDENT:
WILLIAM JENNINGS BRYAN,
OF NEBRASKA.

FOR VICE-PRESIDENT:
JOHN WORTH KERN,
OF INDIANA.

FOR CONGRESS:
J. HARRY COVINGTON,
OF TALBOT COUNTY.

SENATOR WM. M. SLAY attended a meeting of the several State Commissions called by Governor Crothers for consultation in Baltimore yesterday. Senator Slay is a member of two very important commissions.

THE OWNER and publishers of the Baltimore American, one of Baltimore's best and largest dailies will begin on Monday August 17, the publication of The American Star, an afternoon paper. For some years the Baltimore City News has had the afternoon field to itself. We wish the new paper success.

HARRY THAW has been adjudged a bankrupt. No wonder. The way the lawyers and doctors have been handling him for two years, it is a wonder that he knows where he's at. His two trials have cost him $600,000. Dr. Evans got $6,000 for his testimony and lawyer Gleason got $80,000 for his services. No wonder he is a bankrupt.

THE speech of acceptance of Mr. Bryan was a severe arraignment of Republican policies and the Republican administration. It cannot fail to make a profound impression upon the voters of the country because of the absolute truth of its statements based upon the results of Republican administrations. Mr. Bryan's speech was excellent, and was of exactly the right stamp. It will make him many a vote.

MR. BRYAN has certainly got the Republicans on the run this time. That's a big bluff they are putting up about 100,000 plurality in Ohio, and they are going to spend thousands of dollars in Vermont, a naturally republican state, to impress the country that Republican principles are still popular. The people of the country are tired of such bluffs.

THE Baltimore Sun has declared for Taft for the presidency. The Sun is about as yellow a journal in politics as the New York Journal, and may be depended upon every time to go against the best interests of the masses of the people, especially when *there's a little boodle in it.*

The editorial in Thursday's paper, is the most glaring and flagrant admission of the influence of predatory wealth that any paper could have made. The paper supported Bryan in 1900. Now when every paper of principle and power in the country admits that Mr. Bryan is more conservative and has become broadened in his views by his contact with other nations, and is a man of remarkable intelligence and prevision, the Baltimore Sun, the paper that pretends to shine for all, says that *from a sense of public duty,* it favors Taft, the Republican nominee over Bryan. Democrats of Maryland, the Baltimore Sun has sucked the "pap" from the Democratic party long enough. It's time to do something. The Baltimore Sun's financial interests are tied up in one of the biggest trust companies in Baltimore city, and the reason it prefers Taft to Bryan is not because it believes Taft to be a stronger man than Bryan, but because it is a member of a big trust whose business interests are similar to those Mr. Bryan would seek to control by proper legislation. That's why the Sun is supporting Taft *from a sense of public duty.* The paper lost five subscribers in as many hours after its editorial was read here.
