THE LADIES' STORE, CHESTERTOWN, MD.

JEFFERSON.

SEMI-SUMMER REDUCTIONS.

AS the summer is fast passing away and finds us with a few odds and ends in the various lines yet on hand which we will close out at a great reduction to rid our shelves in order to make room for the vast array of fall goods which will soon begin to arrive. While the price in these "odds and ends" are exceptionally low, they are in no wise damaged but are genuine first class stock and as represented or money cheerfully refunded.

WE desire to call especial attention to the fact that "Ladies Store" is the only dry goods and notion house in the town that closes at 7 p. m. during the months of July and August and hope that the public will appreciate this and call during the day and secure some of the bargan offereds below.

MILLINERY AT HALF PRICE.

Our Millinery parlors must be cleared AT ONCE. We need the money, we need the room. There are some few choice pattern hats, sailors, trimmed and untrimmed hats, flowers, ribbons, etc., here which must go; we say 50c on the dollar takes them; all persons can find real bargains here. Don't wait, come inspect, but meditate not for the price will surely please.

White Goods.

We have just finished our largest season on white goods, and the cause for the amount of business has been the quality of the line. This has been equal to any to be seen in the city. We are now ready to close out the odds and ends at great sacrifice.

Persian Lawn, 32 inches wide, 15 and 18 cents, at 12½c
" " 45 inches wide, 30, 35 and 40 cents, at 27c
Hand-woven Battist, Chiffons, Kristols, French Muslins, Organdies, etc., 50 and 60 cents, at 45c. 65 and 75 cents at 50.

LAWNS! LAWNS!

In our stock of Lawns and Colored goods which will be closed out at prices to suit all. We have some of our best patterns, and since the price has been dropped they are going. Colored goods 25, 30, 35c, at 15c. Lawns 18, 15 and 12, at 10 and 12½c.

Muslins! Muslins!

7½c PER YARD

We have recently purchased a job lot of Muslin Remnants from one to ten yards to the piece. Regular price 8, 10 and 12½c per yard, we offer them while they last at 7½c.

A GREAT SHOE CLEARANCE.

You know what that means. It's a clearing up of all Spring and summer shoe stock. "Six months and out"—is the rule—and here they go.

Pumps and Oxfords—every pair—good reliable shoes—no trash in our regular stock. It's the opportunity of the season to get good shoes at little prices.

First Choice is Always Best

Just look at this list. We think the prices will make your purse uneasy.

All Tan and Gun Metal Pumps, the regular $3.30 line, go in this clearance sale at
$2.90

A number of pairs of Black Kid, Patent Leather and Gun Metal Oxfords. The regular $3.00 line go at

Rock Hall Items.

Never before in the history of Rock Hall were there so many boarders as on Sunday last. When the Gratitude came up to the wharf on Saturday she resembled an excursion. Messrs. Robt. Wickes and Richard Willson each had three large teams for their boarders. Mr. Anderson had two hack loads, Mr. Drew and Whallen three hack loads and many wagon and dearborn loads were carried to different houses. On Monday and Tuesday as many more came, and at this writing every one reports as being unable to take more. On evenings the streets present a gay appearance, and much to the credit of this overflow not one complaint has been lodged against them. Four hundred boarders mean something to our town. R. S. Crew and J. E. Casey wear a smile that won't fade. Downey and Alexander's wagons are constantly on the road delivering goods, while our truck-growers, ice-deliverers and milk venders keep the air resonant informing the public with what they have for sale. On the river front during the day may be seen numbers of bathers, and the shore is strewn with men, women and children engaged in crabbing (this is fine sport, as crabs are in abundance). The evenings are spent in launches, which enables the oystermen to carry home a neat little sum, thereby preventing them from going into debt as they usually have to do at this season of the year.

Our city fathers have employed a force of workmen, and under the supervision of Policeman Webb our streets are being put in good condition. The questien of lighting the town has been deferred until all means has been exhausted to obtain an electric plant. What is needed here is co-operation on the part of the residents. The frontage of the lots is not long, and if each would go to the commissioners and agree to make a good substantial walk of brick or cement, much annoyance from the mud next winter could be avoided, then let the same place a few lights (oil) upon the streets, which will cost but little and be a great convenience to the traveling public. If we want to improve our town, each resident must put forth an active effort himself and not wait for taxes. Where are the women? Every town on the Eastern Shore has its ladies' improvement society. Shall Rock Hall be found wanting in this respect?

Mr. T. B. Durding had a fine 3-year-old colt injured by being caught in barb-wire on Monday. The front legs were badly lacerated but not seriously so, and at this writing is doing well.

Fishing with hook and line is good and we hear of many fine catches, in fact, one old veteran says, "If they prevent purse-netting, he can make money." Haul-seining is nothing and several crews have quit the business. Crabbing has become one of the leading pursuits and men and boys are actively engaged in it. They go out as early as 2 A. M. and crab until 3 P. M. One ten-year-old boy caught four barrels one day last week which cleared him $3.25.

Our carpenters are unusually busy, especially Frank and Johnnie, brothers. These two men have finished two fine dwellings and for workmanship and amount per day cannot be excelled in this State. They do not idle, nor "soldier" upon their employer, and they make no mis-fits. We do not say the above to advertise them, they do not need it, but to commend honesty in time and fair dealing to their customers. Messrs. Leary & Sons are very busy and their lumber wagons are constantly on the go, sometimes as early as 3 A. M. Henry Smith, colored, has had a building erected and installed an oriental and opened a first-class laundry.

Mr. Joseph Downey is running his tomato cannery and gets a few tomatoes sufficient to keep him engaged two or three days in the week.

Peaches, pears and apples are being carried through the town to the wharf in large quantities every day, the prices are fair, and good fruit brings good prices.

Our doctors are kept busy, principally with children, a few adults are on the sick list but not seriously.

It is rumored that Mr. John Brice will move from our midst and take the Hynson farm at the mouth of Fairlee Creek. We hope that this is not true as he has been with us so long that we would be sorry to have him go.

The channel at Sharp's wharf is being made wider and deeper and as soon as completed will again open the cut across the bar, thereby saving considerable distance in trips from Baltimore. What advantage this will be cannot be told as the present Steamboat Co. has a monopoly, and would hardly forsake their wharf at Gratitude for Sharp's wharf. We will comment on this in the near future.

The friends of Miss Julia Burchinal here were shocked to hear of her death. We shall miss her, especially her smiling face, in the school work in which she took such delight.

Our base ball club, having defeated all who have crossed bats with them, cannot find a club willing to enter the diamond against them, and have had no game for three weeks. Where is Wheatley or Smyth's team?

Mr. Clarence Thompson has purchased a lot from Dr. Sharp adjoining Mr. Lake and will erect a commodious dwelling in a short time.

Miss Maud Aldrich and Miss Grace Thomas are the guests of Miss Lillian Wilson.

Miss Ruth Durding, of Washington, D. C., is the guest of her mother, Mrs. Minnie Durding, on Rock Hall avenue.

James Martin, of Baltimore, who is in poor health, is recuperating at the residence of Mr. J. W. Bowers.

Miss Edna Durding will accompany her sister Ruth when the latter returns to Washington, D. C.

Mrs. McCormic, son Charlie and daughter Rose, of Allentown, Pa., are visiting Mr. and Mrs. William Durding.

Mr. and Mrs. Wesley Coleman and granddaughters, of Stephenville, Kent Island, are visiting Mr. and Mrs. J. E. Apsley.

Miss Carrie Ottinger, of Merchantville, N. J., is the guest of Mr. and Mrs. Greenwood.

Messrs. Rich & Durding are giving the school house a coat of paint both inside and out. Mr. Satterfield is white washing and giving the rooms thorough cleaning. Much satisfaction is being expressed at the prospect of a Commercial course being added to this school.

Dr. Steiner, of the Pratt Library, has sent 250 volumes to Prof. A. L. Greenwood for the Piney Neck school library.
