A Square Deal

Is assured you when you buy Dr. Pierce's family medicines—for all the ingredients entering into them are printed on the bottle-wrappers and their formulas are attested under oath as being complete and correct. You know just what you are paying for and that the ingredients are gathered from Nature's laboratory, being selected from the most valuable native medicinal roots found growing in our American forests and while potent to cure are perfectly harmless even to the most delicate women and children. Not a drop of alcohol enters into their composition. A much better agent is used both for extracting and preserving the medicinal principles used in them, viz.—pure triple-refined glycerine. This agent possesses intrinsic medicinal properties of its own, being a most valuable antiseptic and antiferment, nutritive and soothing demulcent.

Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heart-burn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels.

Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or pelvic organs. Even in its ulcerative stages it will yield to this sovereign remedy if its use be persevered in. In Chronic Catarrh of the Nasal passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures the worst cases.

In coughs and hoarseness caused by bronchial, throat and lung affections, except consumption in its advanced stages, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on coughs caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in its advanced stages—no medicine will do that—but for all the obstinate, chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken.

THE CIRCUS IN TOWN.

Frank A. Robins All Feature Shows Will Show in Chestertown Monday, August 31.

This famous circus arrived in Cohoes during the small hours of the day and the experienced workmen erected the big tents with the rapidity with which the mushroom springs from the pasture lot. The layman invariably marvels at the east and quickness with which the circusmen build the huge canvases from a comparatively chaotic intricacy of ropes, pulleys and poles. If one believed in the power of magicians, one would almost declare that every big circus must employ a wonderful magician to wave his wand over the men when they erect the tents. However the combined efforts of all the magicians on the face of the earth would not prove efficacious in the matter of building the white tops; for there isn't a bit of magic connected with the work at all. It is simply system that does the trick—a splendid system which is carefully adhered to by every working man, from the superintendent down to the humblest canvasman, and to the careful observer, this system is truly admirable.

To the infinite joy of the small boy and his sister, and the evident delight of the older folks, the circus parade, replete and resplendent, in majestic, scintillating, bewildering beauty, was taken over the principal streets of Cohoes this morning. And the pageant made a decidedly favorable impression on all who thronged the line of march.

The ticket wagon and main entrance will be opened at one o'clock and the big show will begin at two. The performance proper is one of the very best that has ever been given under canvas in this city.

The doors will be opened at seven o'clock and the performance will start at eight.—Cohoes Republican.

Will exhibit in Chestertown, Monday, August 31.

ONE VOTER'S REASONS.

That some of those who have opposed Mr. Bryan since his first nomination for President, in 1896, will vote for him this year is not to be doubted. One such gives his reasons, in a letter to the New York Evening Post, as follows:

A Roosevelt or Wall Street candidate is equally odious to me, and is perfectly clear that Mr. Taft is one or the other. I have opposed Mr. Bryan for twelve years, but to use the President's phrase, "I am a practical man," and shall therefore, support the Nebraskan. I don't like him, but to abstain from voting or to vote for a third party would not help to defeat Mr. Taft. It would simply be a vote wasted. When Mr. Taft went to Oyster Bay with his speech I made up my mind. It is interesting to compare an echo with the creating voice, but it excites our curiosity, not respect. At least Mr. Bryan requires no one's O. K. but that of the electorate.

This letter donates a situation which is bound to prove Mr. Taft's greatest danger—the conviction, that he is merely an understudy of President Roosevelt's and a candidate whose election would mean a continuance of the present administration of the office of President.

Grand Army Encampment.

The forty-second annual encampment of the Grand Army of the Republic will assemble at Toledo, Ohio, during the week beginning Monday, August 31. The department of Maryland will leave Baltimore on a special train on the Baltimore and Ohio Railroad on Sunday, August 30, leaving Camden station at 7 A. M., reaching Toledo at 9.45 P. M. The tickets will be good until September 5. The Maryland headquarters will be established at the Hotel Schuchman, on Summit street, Toledo. Comrades desiring accommodations at the headquarters hotel should address Lewis M. Zimmerman, Assistant Adjutant General, 114 N. Paca street, Baltimore. Col. Wm. J. Vannort, of Chestertown, is a very prominent official in the organization and will attend the encampment.
