VOL. XLVIII—NO. 12. CHESTERTOWN, MARYLAND, SATURDAY, AUGUST 29, 1908. $1.00 PER ANNUM.

CHESTERTOWN, MD., August 5, 1908.

To the Board of Directors Second National Bank:

GENTLEMEN:

The undersigned, a committee appointed by you to examine the condition of the Second National Bank, beg to report that they performed this duty as of the close of business Thursday, July 30, 1908. The cashier furnished the following statement:

Assets:		Liabilities:	
Redemption Account	$ 1,475.00	Capital Stock	$50,000.00
Bonds	212,851.10	Circulation	29,500.00
Loans	457,759.33	Deposits	661,205.68
Due from other banks	72.303.41	Due other banks	4,077.08
Cash in bank	35,956.52	Surplus	40,000.00
Banking House	11,000.00	Undivided Profits	6,229.87
Expenses	152.26	Certified Checks	484 99
	$791,497 62		$791,4 9726

Taking up the liabilities first—The Capital Stock is a fixed amount. The cashier produced receipts from the United States Comptroller, showing the exact amount of circulation. The Deposit ledgers were gone over carefully—every account checked up and the grand total agreeing with the cashier's ledger. Due from other banks—every account was verified by the correspondence. The surplus and undivided profits account were very carefully examined, and found to be correct. The Certified Checks outstanding were proven to be all right.

The Assets—The redemption Account was verified by calling for the receipts from the Treasurer of the United States. Bonds—We handled and counted every bond owned by the bank as an investment, found them to be correct and all unpaid coupons attached. Loans—Your committee listed and counted every piece of paper discounted and found the total to agree with the cashier's balance sheet. Due other Banks—This sum was verified by writing to these banks and getting their reports, and in every case the cashier's balance sheet was proven correct. Cash in Bank—$35,956.52 was counted and found to be correct to the penny. Banking House—$11,000.00 is a fixed sum. Expenses—This account was very carefully examined for the past six months, vouchers called for and proven correct.

We found the condition of the bank most satisfactory. The fact that the U. S. Government has designated this bank as a depository of Government funds, attests the confidence it has in the integrity and good standing of the institution, and this examination of your committee confirms this view of the Government.

Signed,

JAMES A. PEARCE,
HOPE H. BARROLL.

The New Superior Drill

Worton, Md., Dec. 1, 1907.
Davis & Satterfield,
Chestertown, Md.:

Gentlemen:—It gives me great pleasure to say that the new "Y" spouts you put on the Superior Fertilizer Finger Grain Drill this fall gave me perfect satisfaction. I consider the Superior Drill one of the best on the market. It is light running and is so easy and simple in the change of quantities in both grain and fertilizer, that it makes me believe the drill has its right name—"Superior."

Yours truly,
W. D. CARTER.

We warrant this machine to do satisfactory work or no pay. Light draft, simple to operate, a regular distributer of both grain and fertilizer. All we ask is a fair inspection and an honest judgment.

We solicit your patronage,

A CARD OF APPRECIATION.

In retiring from business, which my failing sight compels, I wish to return my grateful thanks to the many friends and patrons who have stood by me so faithfully and some of them by my father before me. It is with much feeling and great regret that I have faced the inevitable and given up the business I have been engaged in so long, and in which I have achieved a reputation that any one may well envy.

Again thanking all my friends, I desire to recommend my successor, MR. CHARLES L. DODD, to their liberal patronage, feeling sure of his ability to coduct the business in the most acceptable manner.

Respectfully,
JOHN N. DODD,

OBITUARY.

MISS ARIANA ELIZABETH ESTES.

The funeral services of Mrs. Ariana Elizabeth Estes, who died last Thursday, were held on Sunday afternoon at 2 o'clock from the residence of her daughter, Mrs. Walter U. Lusby, on High street, conducted by Rev. Dr. F. T. Little, assisted by Rev. Dr. D. L. Greenfield. Both pastors paid beautiful tributes to the memory of the deceased. Interment was made in the family lot in Chester cemetery. The pallbearers were Messrs. Lewin S. Fowler, Charles S. Smith, Frank H. Howard, Wm. F. Russell, Wm. A. Wheatley and William Robertson. The floral tributes were profuse and beautiful. Undertaker Charles L. Dodd had charge of the funeral arrangements.

GEORGE W. ALDRIDGE.

George W. Aldridge died at his home in Centreville Monday afternoon of tuberculosis, aged 44 years. For many years he had held the position of purser on the boats of the old Chester River Line and after the consolidation of that company he held a similar office with the Maryland, Delaware and Virginia Railway Company. In early life he married Miss Margaret Keating, who survives him, with two sons and two daughters.

ANNA MAY EVERETT.

Anna May, infant daughter of Michael and Nannie Everett, died at the home of her parents near Chestertown, Tuesday night, Aug. 25, aged 1 year, one month and 22 days. Funeral services were held Thursday afternoon, conducted by Rev. W. L. White. Interment at Crumpton cemetery. Undertaker Charles L. Dodd, had charge of funeral arrangements.

A Case of Rabies.

A horse belonging to Mr. Herbert Matthews, of near Worton, while being driven to a wagon on Wednesday on the public road near the Massey farm, by a colored farm hand, was bitten in the nose by a large water dog who was suffering with the rabies. The dog met the team of Mr. Matthews, and when near it made a sudden dash at the horse and snapped it on the nose inflicting a gash about one and a half inches long. The man drove the horse at once to Mr. Matthews' house and notfied him of what had happened. Mr. Matthews got his gun and jumping on the horse went in pursuit of the dog. He overtook it on the Kennedyville road near Mr. Romie McCauley's gate, and as he approached it the dog made for the horse, but was knocked down by the feet of the horse and run over. Mr. Matthews then rode ahead a short distance, got off the horse, and as the dog advanced toward him shot and killed it. He then rode the horse to Chestertown and had it treated by Dr. G. Allen Jarman, who cauterized the wound. Future developments of the case will be carefully watched by Mr. Matthews.

Suit Against Western Union Telegraph Company.

The Western Union Telegraph Company recently received a message from Mr. B. S. Sutton at Black's. By not delivering it as it was written the Company caused Mr. Sutton to lose $40.00. After a long and tedious correspondence, and an offer by the Telegraph Co. to pay $20.00, Mr. Sutton got tired of the conduct of this corporation. Remembering the advice of the TRANSCRIPT he put the matter in his attorney's hands with instructions to bring suit. Suit was brought last week before Henry Parr, J. P., at Galena. Three days afterwards, the Telegraph Co. sent its check for the sum of $41.40 in payment of Mr. Sutton's claim, with costs. "The TRANSCRIPT did it.

The Schauber Corn Cutter.

We call the attention of our readers this morning to the advertisement of the Schauber Corn Cutter. Experience has proven that this cutter is one of the best on the market, made strong and durable, easy running and operated by one man and one horse. The Messrs. Schauber Bros. have orders for a large number of these machines all over the Eastern Shore, and it is so reliable in make and serviceable in use that it has become an indispensable part of farm machinery. Consult Messrs. Schauber Bros., near town, or their agents, J. K. Aldridge & Co., Chestertown, or A. S. Turner, Worton, Md.

*†*A prominent farmer in Virginia is reported to have lost the value of his farm by the sale of a cargo of lambs which he bought on speculation. He paid 6 and 7 cents per pound for them and sold a carload in Baltimore the other day at 4 and 4½ cents per pound.
