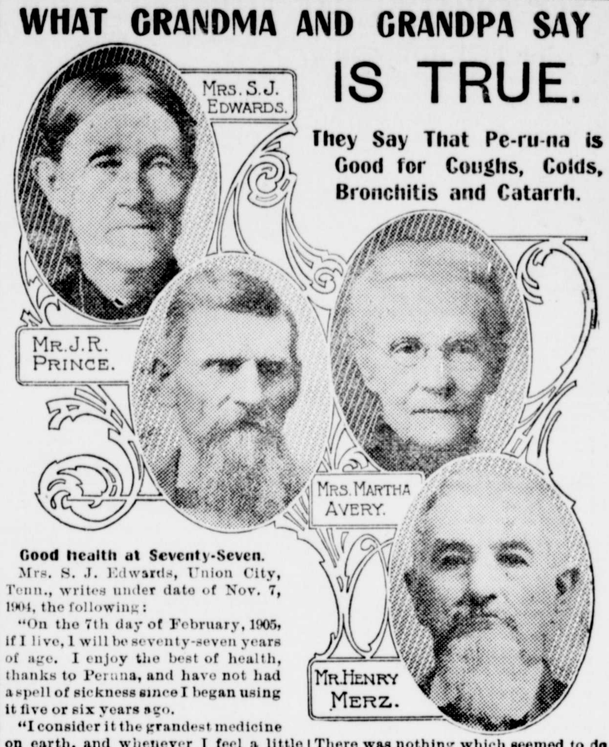
WHAT GRANDMA AND GRANDPA SAY IS TRUE.

They Say That Pe-ru-na is Good for Coughs, Colds, Bronchitis and Catarrh.



Good Health at Seventy-Seven.

Mrs. S. J. Edwards, Union City, Tenn., writes under date of Nov. 7, 1904, the following:

"On the 7th day of February, 1905, if I live, I will be seventy-seven years of age. I enjoy the best of health, thanks to Peruna, and have not had a spell of sickness since I began using it five or six years ago.

"I consider it the grandest medicine on earth, and whenever I feel a little badly a few doses of Peruna put me right.

"I can do as much work as I could forty years ago. I think all old people, who feel the effects of age, should benefit their health by using Peruna."

Ill the Best Part of His Life.

Mr. J. R. Prince, R. R. 2, Cattaraugus, N. Y., writes: "I am not very well satisfied with the picture that I am sending you, but when the reader looks at this picture if he could only realize that the original suffered for forty-five years, the best of his life, until your kind advice and prescription cured him, he would know from whence these wrinkles came. Next month I shall be sixty-six years old."

Nervous Prostration.

Mrs. Martha Avery, 28 Graham St., Leominster, Mass., writes:

"Four years ago I had nervous prostration. I employed several doctors. One would say I had catarrh of the stomach and bowels, another nervousness and another enlargement of the liver. My stomach was in a bad shape. There was nothing which seemed to do me much good.

"I tried other remedies, but did not gain any flesh until I commenced taking your Peruna, which built me right up. I have taken several bottles, but have not taken any now for about six weeks.

"I am seventy-three years old. I never expect to be entirely well or young again, but I am thankful for what Peruna has done for me."

Feels Ten Years Younger.

Mr. Henry Merz, 1505 West Franklin St., Evansville, Ind., writes: "When I first wrote to you I had bronchial trouble for four years, and had tried several doctors, but they could do me no good. I had pain and rattling in the chest, cough, expectoration, especially at night.

"I took Peruna, and can now say that I am entirely well. I feel ten years younger since using Peruna. I recommend Peruna to all my friends, for I was in bad condition.

"I am an old soldier and am seventy-seven years old."

Facts About The Great Majestic RANGE.

It is the only range in the world made of Malleable and Charcoal Iron.

It has, beyond any question of a doubt, the largest and best reservoir.

It uses about half the fuel used on other ranges, and does better work by far.

The Majestic All Copper Nickeled Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.

The Charcoal Iron Body of the Great Majestic Range lasts three times as long as a steel body.

Being made of non-breakable material, there is practically no expense for repairing the Majestic.

As for breaking, it is perfection; not only for a few months, but for all time to come.

A Great Majestic Range lasts three times as long as a cheap range, but it don't cost three times as much.

PROOF—We dont ask you to take our word for any of the above statements, but if you will call at our store, a man from the factory, where Majestie Ranges are made, will prove to your satisfaction that these are absolute facts, and will show you many more reasons why the Great Majestic Range is absolutely the best that money can buy.
