St. John's Wins.

St. John's foot ball team, accompanied by the student body and a band of music came to town on Saturday afternoon and took the Washington College team into camp by the score of 34 to 16 on Washington field. A great crowd of spectators was present and with the Chestertown boy band and the St. John's band, there was no dirth of rooting. It was a well contested game, and although the score does not show it, the teams were very evenly matched. Indeed Washington College played superior ball when it comes to straight foot ball, but St. John's excelled in punting and making the forward pass. In the first half Washington received the ball and carried it to St. John's seven-yard line, but lost it in three attempts to carry it over. St. John's punted, recoved the ball, and on a forward pass to McAlpine scored the first touchdown. Jump was hurt and had to retire, causing a big hole in Washington's line. St. John's scored two more touchdowns in the first half, both being scored on flukes. In the second half Washington came back strong and by consecutive line plunging and forward passes to Turner, who played a corking good game, scored two touchdowns. The third was made by Voss, who also played a fine game, who blocked one of Bosley's kicks and fell on the ball behind the goal line. St. John's scored two touchdowns in the second half and Bosley, who knows how to kick, made a place kick from the 15-yard line. For St. John's, Ruhl, Bosley and McAlpine played pretty much the whole game, while Turner, Voss, Johnson, Hayes and Maddox played a strong game for Washington. It was a splendid game to see, and but for flukes the score would have been a tie. The lineup was as follows:—

St. John's.	Positions.	Washington.
Butler, Johnson	L. E.	Hayes
Jones	L. T.	Gibson
Hudson	L. G.	Voss
Owens, Blades	C.	Johnson
Wilson	R. G.	F. Porter
Hauver	R. T.	Maddox
McAlpine	R. E.	Jump, Crouch
Bosley	Q. B.	Meegan
Warfield	R. H.	A. Porter
Ruhl	L. H.	Turner, Cross
Grove	F. B.	Noonan, Turner

"They're laying for me," becomes a familiar expression among poultry raisers who feed their hens Fairfield's Tonic and Egg Producer for Poultry only. Fairfield's does the work every time, because it is scientifically prepared to meet all the requirements of poultry. Sold under written guarantee by Davis & Satterfield.

A hen infested with lice will, in one day, waste vitality sufficient for the production of several eggs. This is why the egg season is so often cut short. Your hens need not be in this condition, Fairfield's Lice Killer will rid your fowl of the pest. Sold under written guarantee by Davis & Satterfield.

It has been discovered that many cases of disease in horses diagnosed as Lung Fever are really worm troubles. Fairfield's Blood Tonic for Horses only is recognized by leading horsemen everywhere as a sure exterminator of worms, as well as a natural invigorator and blood purifier. Sold under written guarantee by Davis & Satterfield.

The latest advices reaching this office inform us that the many severe tests made of the Fairfield's Milk Producer for Cattle only prove most conclusively that it is actually all that is claimed for it. Besides increasing the flow of milk, it enriches the quality and improves the condition of the animal. Sold under written guarantee by Davis & Satterfield.

"Root hog or die," was once a popular expression. The hog raiser doesn't say that nowadays. He says feed the hog Fairfield's Tonic for Hogs only and he will get well, stay well and become a profitable investment. The farmer knows a good thing when he sees it. That's why he uses Fairfield's. Sold under written guarantee by Davis & Satterfield.

A farmer that sowed wheat all over his farm and then expected to reap a crop of oats, wheat and corn from the same, what would you think of him? What would you say of a man who fed his horse, cow, hog and poultry from the same package of condition powder? The intelligent farmer uses Fairfield's Tonics because there is a separate preparation for each kind of animal. Sold under written guarantee by Davis & Satterfield.

Eggs multiply as though by magic when Fairfield's Egg Producer for Poultry only is fed. The magic in this case consists in supplying the hen with the elements needed for egg production and no others. This can only be done by having a compound prepared especially for poultry. Sold under written guarantee by Davis & Satterfield.

Poultry owners in this country will be much pleased to learn that science has at least perfected a remedy for the Roup in Poultry. Fairfield's Roup Remedy is the result of the latest scientific research, and has never failed to do the work. Sold under written guarantee by Davis & Satterfield.
