The Chestertown Transcript.

VOL. XLIX—NO. 34. CHESTERTOWN, MARYLAND. SATURDAY, JANUARY 29, 1910. $1.00 PER ANNUM

National and State Banks.

One of the most vital and important regulations of the National Banking Law is that which controls what is known as the "LEGAL RESERVE." It requires that **15 PER CENT.** of all deposits shall be kept in the vaults of National Banks or in the hands of approved reserve agents. National Banks cannot count as a part of this reserve any funds in the hands of other banks unless these banks are especially strong, that is, banks which are DESIGNATED BY THE NATIONAL GOVERNMENT as those in which other banks may hold their deposits.

The law requires NO RESERVE to be kept by any State Bank. Therein lies the difference. The following statement of the deposits of the three banks of Chestertown shows what reserves these banks, under the **15 PER CENT.** requirement of the National Banking Law, ought to have and what reserve is actually held by each of these three banks.

SWORN STATEMENT OF THE CONDITION OF THE CHESTERTOWN BANKS, NOVEMBER 16, 1909:

	DEPOSITS.	15% RESERVE.	RESERVE HELD.	PER CENT.
SECOND NATIONAL	$690,546.46	$103,581.90	$111,217.09	16 1-10
Chestertown Bank	437,724.10	65,658.61	35,433.63	8 1-10
Kent Savings	337,405.24	50,610.79	38,124.99	11 3-10

After reading these sworn statements published last Saturday, which do you think is the STRONGEST and SAFEST BANK in which to conduct your Banking Business?

Yours Respectfully,

The Only National Bank in Kent County is

An Appreciated Compliment.

The following letter was received this week from Mr. Wm. H. Stewart, who, though absent from home, still retains great interest in his native county:

MR. THOMAS D. BOWERS,
Chestertown, Md.

DEAR FRIEND BOWERS:

I enclose herewith check for $1.00 to pay subscription to the TRANSCRIPT for the ensuing year.

It has now been nine years since I have visited my old haunts, and I often have the desire to do so, but it seems that the pressure of business is always so great that I can never get away.

The TRANSCRIPT is a welcome visitor every week, and is eagerly read. The paper is to be congratulated upon the stand it has taken in matters of public interest pertaining to the county's welfare.

With kind regards,
Yours very truly,
W. H. STEWART.

New Eastern Shore Line.

A regular passenger and freight service between Baltimore and Queenstown and Love Point will be established May 1, according to Baltimore city papers. There will be a regular schedule of two sailings a day between those points. The new company has under contemplation the spending of about $250,000 to improve their property at both Love Point and Queenstown by building places of amusement and laying out parks for the accommodation of excursion traffic during the summer. The steamer Dreamland, formerly the Republic, the largest excursion boat on the Bay, will be used to ply between the points.

State Council.—Efforts are being made to have the next State Council of the Jr. O. U. A. M. meet in Chestertown at its next State meeting in April. It is hoped that the efforts of the local order will be successful, as there are 250 delegates in the State Council, which means the expenditure of about $1000 with our merchants in the two days' meeting, and it will bring our town in contact with the remainder of the State. Go after it, brothers.
