OBJECTS AND PRINCIPLES OF THE

Jr. O. U. A. M.

FIRST—To maintain and promote the interests of Americans and shield them from the depressing effects of unrestricted immigration; to assist them in obtaining employment and to encourage them in business.

SECOND—To provide for the creation of a fund or funds for the payment of benefits in case of sickness, disability or death of its members, to members, their legal dependents or representatives, and to issue certificates of membership for the same.

THIRD—To uphold the American Public School System, to prevent interference therewith, and to encourage the reading of the Holy Bible in the schools thereof.

FOURTH—To promote and maintain a National Orphans' Home.

We recognize the landing upon our shores of the ignorant, the vicious and the lawless of the Old World as a constant menace to our institutions, and believe that it should be viewed with alarm by the loyal and patriotic citizens of the country.

We would place a flag upon and a Bible within every Public School-house of our land, that all might learn these to be a beacon light in every storm which may threaten our destruction.

Deputy Organizer James T. Anthony installed the officers of the Chestertown Grange last Wednesday. There was a large attendance of members and the time was consumed in the transaction of important business. The committee on clover seed reported progress; the committee on seed potatoes did likewise, and Mr. Rumsey Anthony was made a committee of one to look into the question of purchasing garden seeds. The question for discussion at the next meeting is "To what can we attribute our inability to get a stand of red clover." Hon. James H. Baker has been asked to lead the discussion. The meetings are being largely attended and the interest is increasing. Mr. Reader, wont you become a member of the grange? It will do you good, morally, socially and every other way.

Fairlee Grange will hold a special meeting and supper next Wednesday afternoon and evening. A class of 14 will be given the 3d and 4th degrees. A feature of the afternoon meeting will be the reading of the Garner, the grange paper, by Mrs. L. M. C. Smyth. Musical and literary program will be given, also addresses by two visiting brothers.
