New Laundry Plant Assured.

A special meeting of the stockholders of the Family Steam Laundry was held on Thursday afternoon and measures were adopted looking to the re-establishment of their plant with better and more up-to-date machinery, so that the new plant will have greater capacity at less cost. Several locations have been offered the laundry, and arrangements will soon be made to secure suitable quarters. Representatives of two of the leading laundry machine companies in the United States have been here and gone over the list of machinery required, and each has submitted a bid for same. This is an enterprise that ought to appeal to the people of Chestertown and Kent county, and they should lend their aid and patronage in upholding the Family Steam Laundry in its efforts to give more and better service They have temporary headquarters in the old TRANSCRIPT building, near the Voshell House. Phone 34 will bring Mr. Sheets or his assistant to your relief.

The Transcript Did It.

Mr. George T. Hudson advertised 400 bushels of good orchard grass seed for sale last Saturday. He sold 50 bushels to various parties and on Tuesday afternoon sold the balance to one man. Mr. Hudson notified us "to take the advertisement out, that it had done the work," and that he had sold 400 bushels of seed in less than *three* days after advertising it in the TRANSCRIPT at an expense to Mr. Hudson of *only 50 cents*. Mr. Hudson says the TRANSCRIPT is all right, and so say we all.
