In Memoriam.

In sad but loving remembrance of our grandmother, Mrs. Ellen Marvel, who departed this life just one year ago. The days seem to have grown longer while the mist of sadness has continued to become thicker and thicker since our faithful friend passed from earth away. She was the prize of our home and the joy of our hearts. She uttered only words of kindness and always wore a smile which would brighten the hearts of her relatives and friends in the hour of deepest despair. Her general way of living can be followed with credit by all who desire to live here and hereafter. Her many friends as well as relatives are sorely affected and she will long be remembered by all.

We miss that smile grandmother wore,
That voice we loved is stilled;
There is a vacant chair at the fire side now,
Which never can be filled.

We miss the tender kindness shown,
When trouble oppressed the soul,
She lived a life both true and kind,
And at last she won the goal.

By her grandchildren, M. J. E.

Solve This Problem.

A friend asks us to multiply $5 by $5. We do so and announce the result as $25. Now multiply 500 cents, give the answer in cents, pure and simple, not as fractional parts of a dollar. We do and are surprised to see the figures climb up to 25,000 cents, which is $2,500. As $5 and 500 cents are equivalent, the result is puzzling. It cannot be urged that decimal marks should be used. A cent, as such, is as distinct a unit as a dollar, and as the result is to be announced in cents the decimal cannot be pleaded in extenuation of the rather surprising result. But there is clearly something wrong. Can any reader explain it.

"IN A BAD WAY."

Many a Chestertown Reader Will Feel Grateful for this Information.

When your back gives out;
Becomes lame, weak or aching;
When urinary troubles set in,
Your kidneys are "in a bad way."
Doan's Kidney Pills will cure you.
Here is good evidence to prove it.

Mrs. William Holston, 218 S. Governors Ave., Dover, Del., says: "I was in a bad way as the result of kidney trouble. If I sat down, I could hardly arise and had to be very careful how I moved, as sharp pains often darted through my kidneys. I was treated by doctors, but found no relief, in fact, steadily grew worse. The kidney secretions passed too frequently, but were scanty and distressing and on arising in the morning, my back was so lame that I could hardly move. I finally procured a supply of Doan's Kidney Pills as they had been highly recommended as a cure for such trouble. The contents of two boxes removed every symptom of my complaint. I shall substantiate this statement to anyone asking me about it.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
