Got a Good Pounding.—The members and friends of St. James' and Lynch's M. P. Churches gave their popular pastor, Rev. G. A. Morris and family, a good pounding on Monday night. The good people "stormed the castle" and took the parson and his wife by surprise, and by the time they had finished with them, there was enough flour, meat, vegetables, poultry, etc., lying around to keep the household cheery for months to come. Bro. Morris is a fortunate fellow. He lives among some of the best and most wholesouled people in the world, and the nice part about it all is, we understand that everybody wants him and his good family to "come back" next year. The Lynch congregation presented Mr. Morris with a handsome gold watch chain and charm.
