What's Behind the Varnish?

Did you ever see a hypocritical piece of Furniture.

It pretended to be so and so—but it was REALLY behind the varnish, something very different.

Such Furniture as that never fooled us—and never will. The sham is too easy to see through.

But it's always a legitimate question to ask the Furniture Man what is behind the varnish.

With this store there is never any masquerading. Oak is always oak, mahogany is mahogany and ash is always ash. If you pay for a certain quality you get THAT quality—always.

And behind our "say so" is a business standing that is ready to correct any mistakes that we may make.

Mutual Fire Insurance

of Kent County.

During the past 13 years it has paid to its policy-holders for fire losses $80,000.00.

During the same period has returned to them in settlement of policies canceled $65,000.00.

Has now to their credit over $170,000.00.

The books of the company show that at the present the saving from insurance when policy was taken out in the years mentioned below to be as follows:

1896—	Savings from	50 to 55 per cent.
1898—	" "	50 to 60 " "
1900—	" "	45 to 50 " "
1905—	" "	60 to 65 " "

Last year the cost of Insurance was only about one half of payments made.
