IN THE STUD FOR 1910.

John B.,

MATINEE RECORD, 2 21;

By Bedworth, Jr., Race Record, 2.06½.

Dam, Lilly B., by Alcantell, and he a son of the great Alcantara, 2.23.

JOHN B.,

is 9 years old April 28th, 1910, is a beautiful dark bay, 15½ hands high, weighs about 1100 pounds, is as handsome as a picture and one of the most sensible and best disposed horses living, and has to his credit as fine colts as there are in the State (none excepted). One of his colts,

HO BOY,

with but little training in his 2-year-old form showed a half mile on Belmont Track, Philadelphia, in 1.07½. And another of his colts,

LADY THOMPSON, (3 years old),

paced Bell's track last year a full mile in 2.23½, the last half in 1.11 and won second money at Tolchester in the 3-year-old class, was second to Lucky Prince, 2.21½, (Lucky Dick Henchell's fast colt).

JOHN B.,

is a fair and square trotter, won a matinee race on Bell's Track last year in 2.21, won the cart race at Tolchester last year, and was fifth in a field of ten horses last year at Pocomoke, which race was under 2.19½.

John B. is a sure foaler, having 18 live colts to his credit from 23 mares.

Will travel this season in Kent and Queen Annes counties.

Haakon, No. 43404

FOALED MAY 23, 1904,

By Onward Silver 2.05¼, Champion Trotting Stallion of 1901.

Haakon is a dark bay horse, 16 hands high, weighs 1130 lbs., white nose, both hind legs, and left fore pastern white. Bred by Mr. William H. Whitridge, Baltimore, Md.

Haakon is a trotter, and is one of the handsomest horses in the country. He took 1st prize as a 2-year-old at Timonium Fair Baltimore Co., Md., and 2nd prize as a 4-year-old at Madison Square Garden, Horse Show, New York.

Haakon's sire was the champion race stallion of 1901. Having gone 32 heats to win 6 races, which shows his wonderful endurance, in conjunction with his extreme speed, both of which he emparts to his offspring.

Haakon's conformation, looks and size compare with those of his Great sire Onward Silver 2.05¼, which fits him as a stud to produce foals that would suit for any purpose such as a race horse, coach horse, show ring, saddle or general utility, as he has a very mild disposition with good manners. As his pedigree shows his ancestors have extreme speed, they are at the same time producers of the same, back to Hambleton 10, on his sire's side, to Mumbrino Chief on his dam's side, the two greatest sires of standard bred horses in the world.

You can not make any mistake by breeding your mare to this horse, because of his individuality as well as to his breeding.

Haakon will make his season in Kent and Queen Annes counties at $25.00 to insure mare in foal. Will not be responsible for accidents or escapes, but best care taken of mares sent to us. Parties parting with mares responsible for colts. For further particulars address,

The wreckage consists of a quantity of large timbers, apparently the wreck of some bridge carried down the Susquehanna by the recent flood, and is very dangerous to navigation. The bottom of the obstruction is fast in the mud, while the top swings with the tide and current.
