THE inauguration [illegible]borough at Annapolis next [illegible]y will be elaborate, and hosts of the State's leading people will attend the ceremonies.

SENATOR WASHINGTON WILKINSON, of St. Mary's county will be Republican Senate floor leader, and Mr. W. T. Warburton of Cecil will be Republican House floor leader.

MR. WILLIAM H. COOPER, of the Sixth District, was on hand at the assembling of the Legislature to hold down his old position of front door keeper until his successor is appointed.

HARRISON W. VICKERS, ESQ., took the oath of office as State's Attorney on Tuesday, and former State's Attorney, Wm. W. Beck qualified as Senator from Kent on Wednesday. Delegates Miller and Harris also qualified in the House.

THE TRANSCRIPT is 51 years old. Young and flourishing, and able to sit up and take notice of everything that appeals to all the interests of all the people. Help us to make 1912 a more prosperous year to you, and a more profitable one to us.

HERE'S hoping that the session of the Maryland Legislature may not only be an economical one, but only those laws will be passed which are in the interest of the people at large. Let the Legis[illegible]re fulfill every pledge of the Demo[illegible]ic platform, and steer clear of the [illegible]ge of playing partisan politics.

HOW WERE ROAD LOANS SPENT?

The People Should be Told How the $5,000,000 for Roads has Been Spent Before Their Representatives Vote for an Additional Loan of $7,500,000 by the State.

Before the representatives in the Maryland Legislature vote for an additional loan of $7,500,000 for road building in this State, they should exact of Governor Crothers and the State Road Commission an itemized statement of the expenditure of that part of the $5,000,000 loan which will have been spent when the new loan bill comes up. We indorse every word of the statement recently made by Mr. Wm. T. Warburton, delegate from Cecil county, when he says:

"I have no personal or political animosity to serve in seeking this information, but the people of this State ought to know how their money has been spent for road improvement before they would be willing that their representatives in the General Assembly authorize a second and larger loan. They ought to know not only how and by whom this money has been spent, but they ought to know just what results have followed—how many miles of road have actually been built, how many miles are under construction, how durable the roads are, and how great or small will be the annual cost of repairs. All this and other information will be essential for the guidance of the General Assembly before it ventures upon another loan.

GREAT COST OF ROADS.

"I have looked in the reports of the State Roads Commission and have been astonished at the cost of the roads. I have read that installment of Governor Crothers' message which he devotes to public road improvement, and if the figures which he quotes are accurate, I am amazed at the excessive cost, which has been in the neigborhood of $22,000 per mile. Why that sum is larger than the cost of building per mile the Pennsylvania Railroad through Cecil county, including the cost of stations, which are not included in the cost of public road improvement. Certainly the people ought to know the details of the expenditure of such a vast sum before another loan is granted."

Mr. Warburton is not alone in his position. There is a very general demand throughout the State for some definite and detailed report on road work. The actual cost per mile in certain localities of building these State roads has been so enormous as to astound the people, and they are becoming anxious to know where the money has gone. If the money has been expended properly and there has been no graft in the case, the people have a right to know it, and if there has been any grafting of the State's money the people should know it, and those guilty of graft should be punished. The recent lengthy report of Gov. Crothers published in the Baltimore Sun, furnishes very little, if any, real information as to what the people really ought to know. The report credits Kent county with having 10.90 miles of road building under contract, which has cost **$94,830.91.** The mileage adopted to be built in Kent county was 30 miles—17 miles from Chestertown to Galena and thirteen miles from Chestertown to Rock Hall. The total allotment to Kent county of the $5,000,000 loan is **$106,097.56.** And mind you, in building only 10.90 miles of road, $94,830.91 of this $106,097.56 has been spent, and just a little more than one-half the total of 30 miles to be built has been finished. There remains of the original allotment only $11,266.65 to complete the road from a mile this side of Locust Grove to Galena, a distance of about four miles, and the $11,266.65 will hardly build one mile.

The people of the upper section of the county have been wondering when the road from Locust Grove to Galena will be finished, and when the long-suffering people of Rock Hall will get their road. NEVER, unless the next Legislature authorizes another loan of $7,500,000 to be spent for such roads at such fabulous prices, as only 10.90 miles have been completed in this county. There is no reason in the world for such enormous cost of road building as the people have been burdened with, and they should know how this money has been spent. If they take the remainder of the road money, $11,266.65, and start to building towards Rock Hall, whose people have neither railroad facilities nor good highways for reaching Chestertown, and whose section is greatly deserving of better transportation facilities, it will go about as far as the Vickers hill. It has required three years to build the road to within a mile of Locust Grove, and they neither have the money to finish the road to Galena nor to even make a start towards Rock Hall. Just before the primaries last August somebody put up a big bluff of making a survey of the road from here to Rock Hall, and if we are not very much mistaken that survey is about as far as the road will get in the near future. The suggestion has been made to get the Legislature to amend the law so as to provide for the extension of the road through the towns. That should have been done in the first place, and the Road Commission knows why it was not done. The people are awake to this question of road building and its enormous cost, and they are demanding an itemized statement of expenses. The people of Kent county want to know why it is that Kent county with a much larger taxable basis only got $106,097.56 while Caroline county got $176,097 56, and why $193,617.52 has been expended on 15.80 miles of State road in Caroline, while 94,830.91 has been expended on only 10.90 miles in Kent county. Turn on the light. There's something the matter.

LEGISLATURE CONVENES.

Price Defeats Lee for President of Senate, and Trippe of Baltimore City Beats Osborn for Speaker.

At the Democratic caucus in Annapolis on Tuesday night Senator Jesse D. Price, of Wicomico county, received 11 votes for President of the Senate, including the vote of Senator Beck of Kent, against 8 for Lee. The vote stood as follows:

For Price—Senators Bosley, Frere, Beck, Maloy, Coady, Campbell, [illegible]mond and Price. Benson

Dodson, Wells, Milbourne and Lee.

By a vote of 47 to 13 Mr. James Mac. Trippe, of Baltimore city was chosen speaker of the House, and the legislative session of 1912 was on. The desk officers of the two Houses elected are as follows:

SENATE.

Secretary—John R. Sullivan, Anne Arundel.
Assistant Secretary—Geo K. Houck, Cecil.
Journal Clerk—Joseph M. George, Queen Annes.
Reading Clerk—M. J. Fahey, Harford.
Sergeant-at-Arms—F. H. Cannon, Dorchester.
Chief Engrossing Clerk—Frank O. Smith, Calvert. He was elected chief engrossing clerk to pacify the Lee element.
Asst. Engrossing Clerk—F. B. Beall, Alleghany.
Postmaster—James Bradley, Baltimore city.

HOUSE OF DELEGATES.

Chief Clerk—Albert J. Almony, Montgomery.
Assistant Clerk—A. M. Wood, Frederick.
Journal Clerk—Thomas J. Murray, Cecil.
Asst. Journal Clerk—Frank Redmond, St. Mary's.
Reading Clerk—Humphrey D. Wolfe, Howard.
Chief Engrossing Clerk—M. J. Tighe, Prince George's.
Asst. Engrossing Clerk—J. F. Crew, Harford.
Sergeant-at-Arms—S. M. Crockett, Worcester.

The position of assistant journal clerk in the Senate will be named later and will be filled by a Democrat from Cecil county selected by Senator Omar D. Crothers.

Rev. J. Earle Maloy, of Cecil, an uncle of Senator Maloy, of Baltimore, will be the chaplin of the House.

The Organization of both houses was controlled absolutely by the friends of Senator Arthur P. Gorman and Senator John Walter Smith. Senator Blair Lee received two less than a majority vote for President of the Senate, while Mr. Ogle Marbury, of Prince George's county, who had been strongly mentioned for speaker of the House, withdrew in favor of Mr. Trippe. Mr. Marbury will likely be made chairman of the ways and means committee. This will make him the House floor leader.

Senator Beck was named as temporary secretary of the caucus with Senator Maloy.

Many of the leading Democrats in the State were in Baltimore and Annapolis during the conferences held at the Hotel Rennert, and the caucus at Annapolis and remained over until Wednesday to see the Legislature get a start. The progressive element in the party led by Senator Blair Lee in the Senate and Harry Osborn in the House, will work in harmony with the majority element and they will wield a powerful inflence for the adoption of progressive legislation.

ORDER OF PUBLICATION.

JOSEPH BROWN, Colored.
vs.
James Wright, Carrie Brown, George Brown, Joseph Wright, Joseph Thomas, William Thomas, Sylvester Thomas, Carrie Thomas, Joseph Thomas, Edith Harris Ringgold, George Ringgold, Hester Tiller, Alfred Tiller, Kosora Bright, William Bright, Mary Priscilla Parker, Emma Taylor and all the unknown heirs of Richard Hazzard, colored.

The object of this bill is to procure a decree of this court for the sale of the real estate of Richard Hazzard, colored, deceased, situated in Kent county, Maryland, and for a distribution of the proceeds to the heirs at law. The bill states:

1. That Richard Hazzard, colored, late of Kent county in the State of Maryland, deceased, died many years ago, and at the time of his death was seized and possessed of certain real estate situated, lying and being in the Second Election District of Kent county, Maryland, in that part of said district known as "Big Woods," and containing some 13 acres of land, more or less.

2. That the said Richard Hazzard left surviving him, the following children, namely: Caroline Hazzard, who married William Harris, both of whom are dead, and the said Caroline Hazzard Harris left surviving her, a son, Joseph Brown, the plaintiff, whose wife's name was Sophia Brown, but she is now dead. The said Caroline Hazzard Harris also left a daughter, Elizabeth Brown, who married James Wright. She is dead and left the following children namely: Carrie Brown, who inter-married with George Brown and Joseph Wright; Annie Brown, who is dead, but who married Joseph Thomas and by him had the following four children, namely: William Thomas, Sylvester Thomas, Carrie Thomas and Joseph Thomas, Edith Harris Ringgold, George Ringgold, Hester Tiller, Alfred Tiller, both of whom live in the City of Chester, in the State of Pennsylvania. And the said Caroline Hazzard Harris left a daughter, Aggie Harris, who married Samuel Tillotson; they had two daughters, one Hester Tiller, she married Alfred Tiller, both of whom live in the "Big Woods," and the other daughter of Aggie Harris Tillotson was Kosora, who married William Bright, both of whom also live in the "Big Woods." And the said Richard Hazzard left a daughter by the name of Mary Priscilla Parker, who, your plaintiff is informed, resides in Chester, Pennsylvania. And also Richard Hazzard also left a daughter, Emma Taylor, who, your plaintiff alleges, resides in the city of Philadelphia, in the State of Pennsylvania. And these, your plaintiff alleges, are the only children and heirs at law of the said Richard Hazzard known to him; and it is unknown whether the said Richard Hazzard left any other heirs surviving him.

3. That the said real estate is not susceptible of partition without material loss and injury to the parties entitled to interests therein as above stated, and that in order to make division of said interests it will be necessary for said real estate to be sold and the proceeds divided among the parties entitled thereto according to their several interests therein. It it thereupon, this 11th day of December, 1911, ordered by the Circuit Court for Kent county, in equity, that the plaintiff by causing a copy of this order to be inserted in some newspaper, published in said Kent county, once in each of four successive weeks before the 15th day of January next, giving notice to the said non-resident defendants, Edith Harris Ringgold, George Ringgold, Mary Priscilla Parker and Emma Taylor, and the unknown heirs not named in this proceeding of Richard Hazzard, warning them to appear in this court by person or by solicitor, on or before the 1st day of February next, to show cause, if any they have, why a decree ought not to be passed as prayed.
