Colored Man Killed at Cecilton.—William Thompson, aged 40 years, shot and killed William Brown, aged 35, of Sassafras, at the home of Thaddeus Brown, in Cecilton, about 12 o'clock Thursday night of last week. A dance had been going on at the place of Thaddeus Brown and whiskey had played its part in the dance. It is claimed, however, that the shooting was accidental. Sheriff Miller and Coroner Frazer, of Cecil, went to Cecilton early Friday morning. The Sheriff placed Thompson under arrest and the Coroner summoned a jury of inquest on the body of Brown. Both Thompson and Brown are colored men of the First district of Cecil county.

Doing Fine Business.

The firm of H. F. Jefferson & Bro., dry goods, notions and millinery, is doing a splendid business. The senior member of this firm, Mr. Harry F. Jefferson is a graduate of Bryant & Stratton's Business College, of Baltimore. He came to Chestertown in 1901 and was engaged until 1903 as bookkeeper in the office of Mr. Wilbur W. Hubbard. In 1903, Mr. Jefferson and Mr. A L. Sparks purchased the goods etc, of Mr. Ralph Bergen, and formed a partnership, doing business under the firm name of Sparks & Jefferson. This firm did a successful business until 1905, when by mutual consent, Mr. Sparks purchased Mr. Jefferson's interst in the business. Mr. Jefferson with commendable push and public spirit, at once purchased the site upon which the J. F. Thompson store stood opposite Stam's Hall, and had erected the fine brick property at a cost of $8,000, Mr. F. E. Duyer being the builder. Mr. Jefferson stocked his handsome building with a $15,000 dollar stock of splendid dress goods, notions and millinary, and from that day to the present by faithful attention to business and rare good judgment, he has enjoyed a splendid trade, catering to the wants of all classes in the splendid stock which he carries. In July 1910, his brother, Mr. Norman Jefferson, associated himself with the business, and these two hustling, pushing boys who started in the business with practically no experience, have made an eminent success of the business and enjoy the confidence and respect of the entire community. They carry an excellent line of goods in all their large departments, they have an obliging and courteous corps of lady clerks, and they are in every way prepared to serve a large and lucrative trade. The TRANSCRIPT wishes this popular firm success in their business and hope that 1912 may prove to be one of its best years.

Ice Boat Arrives.

The ice boat Annapolis arrived at the Chestertown wharf on Tuesday afternoon at half-past four o'clock, after an uneventful trip from Baltimore. The captain stated that he encountered very little ice in the bay or in the river except at its mouth, where it was piled across Love Point Bar to the thickness of two or three feet. The big vessel had trouble in getting through these floes, but aside from that the trip was easy. The captain of the Annapolis stated that the conditions in the bay and its tributaries have been worse during the winter than for many years, and both ice boats have been put to the severest tests in breaking the great fields of heavy ice in the bay. Conditions have changed very materially and the river and bay are practically free of ice. The presence of the ice boat attracted a large crowd of people to the wharf, as it was the first steamboat that the people had seen since the 5th day of January, when the B. S. Ford left here for Baltimore. The big ice crusher remained here over night and left early next morning with orders to proceed up the Sassafras river. A telephone message from Mr. J. H. Gooding stated that the bay around Betterton was practically free of ice and that it was thought that the Tolchester Company would send a boat to Betterton on Wednesday. There will be a boat to Tolchester to-day.

Buys Store Goods.—Mr. James T. DeCorse, one of our most prominent farmers, has purchased the store goods and fixtures of Mr. James S. Bradley who has successfuliy conducted the mercantile business in Chestertown for the past 35 years, and will take charge at once. Mr. DeCorse has rented the residence formerly occupied by John D. Urie, Esq., corner Cannon and Front streets, and is moving in. Mr. DeCorse is too well-known to the people of Chestertown and the county to need introduction. He will make a success of his new business we are quite sure, and we wish him success. Mr. Bradley will assist Mr. DeCorse for a week or two.

Horsey With the Reds.—Hanson Horsey, of Galena, who helped to win the pennant for Reading last year, will accompany the Cincinnati team to the South and be given a chance to make good with the National Leaguers. Horsey is a fine pitcher, and made a splendid record in the Tri-State League last year. Horsey has recommended Mr. Frank Jarman of last year's Washington College squad, for a tryout in the Tri-State. We have no doubt of Frank's ability to make good. He is one of the best pitchers Washington College ever had, and he has a fine future in the base ball world.

Gov. Goldsborough on Wednesday sent to the Senate all the State and county appointments that have to be confirmed by the Senate.
