Wall Papers and Paints.

Wall Paper

Our stock of new Wall Papers is nearly all in—over 9000 rolls. We purchased at a lower price and will sell at a lower price than ever before. The cash discounts on this bill is enough profit for us. We can sell these papers at the same price our competitors pay for what they buy. The starting price is

2½c Per Single Roll up to 10c Per Roll,

but come and see these papers and prices will surprise you. We'll sell paper. We sell you the paper outright or send you a competent man to hang it. No charge for our team.

Paint

Big Reduction in the price of B. P. S. Paint.

The Patterson Sargent Co. are using what they call their Universal Label on all their different products. So to keep in touch with this move, we have decided to sell all gallon cans bearing old labels at cost

$1.75 Per Gallon.

Also Hirschberg Hollander & Co.'s Stag Semi-Paste Paint; 1 gallon makes 2 gallons at $1.75. This reduction comes in season, don't wait as these prices won't last. Back they go when this lot is gone.

ONE THOUSAND MORE.

BY DR. CANDLER.

The P. O. S. of A. have been invited down,
To hold their "annual session" in old Chestertown,
By the Patriotic Sons of Camp 34;
Bothers, we are coming with "one thousand more."

We must all work hard for the order we cherish,
In order to let no good American perish;
Then we can go down on the "great Eastern Shore'
With our grand increase of "one thousand more.'

We will be welcomed you can all bet,
By the Patriotic Sons of Camp 34,
If we will wake up and endeavor to get
That increase of "one thousand more."

On to Chestertown, let us up and away.
The cry will ring out down the bay,
When we land on that beautiful shore
With our grand increase of "one thousand more"'

By Townshend, Coleman, Davis and Wheatley of that Patriotic Band,
We will be welcomed and shaken by the hand,
For there will be a mighty rumbling on the Shore
When we land with our "one thousand more."

GRADUATE IN LAW AT 67.

Clerk Nathaniel T. Meginniss, Well-Known in Chestertown, is a Spry Student in Law as Well as an Excellent Clerk to the Supreme Court of Baltimore.

A white-haired student of law at the University of Maryland and trust clerk to the Supreme Bench, Mr. Nathaniel T. Meginniss celebrated his birthday last week at his home, 2102 North Charles street, Balto. Some of his relatives and friends said it was his sixth-seventh, but other friends, and even Mr. Meginniss himself, would not verify it.

Although advanced in years, Mr. Meginniss is as "spry" as the rest of the "boys," and as a student is the most popular in his class. Mr. Meginniss would never tell his age, and to those who inquired he would remark that he felt 10 years younger. He admits that he is a living contradiction of the Osler theory, and says that no man should lose his grasp on things and get rusty and out of date.

He will be graduated this year at the university. Every afternoon he leaves the court house to attend his lectures, and he is a hard student. When asked why he started to study law so late in life Mr. Meginniss remarked that he wanted to be better fitted to carry out his duties as trust clerk to the Supreme Bench.

Galena Items.

Quite a great many changes are occuring in our town, and several of our oldest residents are leaving for other abodes.

Mr. John C. Briscoe, who has lived in Galena for many years, will remove to Betterton, where he will make his home with his son, Mr. Ernest Briscoe, who will tenant the Turner home farm recently purchased by Mr. Kelly, of Baltimore.

Mr. Muldoon and family, of Baltimore, will take the Mrs. Nickerson house, Mrs. Nickerson having married and removed to Millington.

Mr. Walter McIntire has purchased the John Pennington hotel stable property which has stood in the town for 60 or 70 years. He will replace it with a workshop.

Miss Mary Steele, who graduated in Philadelphia recently as a trained nurse, has been visiting her parents, Mr. and Mrs. William Steele, during the week. Miss Steele has secured a desirable position as trained nurse in Philadelphia with a prominent physician.

Mr. William Steele, the plumber and windmill builder, is doing some work for County Treasurer Wm. J. Tarbutton, on his farm near Melitota.

Mrs. William Kersey and daughter, of Wilmington, Del., has been visiting her sister, Mrs. William Steele.

A new lighting plant will be installed in Galena M. E. Church by the Ushers Union.

The people of Galena are very much gratified at the return of Rev. F. H. Lewis for another year.

Mr. Edward Morgan has accepted a position as clerk for Owens and Co., Betterton.

Rev. and Mrs. J. M. Mitchell, of Mt. Vernon, Md., who have been visiting friends in town returned home on Wednesday.

Mr. Price Roe and Miss Carrie Roe, of Massey, who have been visiting their sister, Mrs. Andrew Woodall, returned home on Monday.

Mr. and Mrs. Harry Redding, of Betterton, spent Saturday in town.

Dr. E. A. Scott and daughter, Mrs. Jas. Davis, spent a part of last week in Baltimore.

Miss Mary Caldwell, daughter of Mr. Samuel Caldwell, has been quite sick, but is better at this writing.

Miss Mary Scott, of Chester, Pa., is visiting her sister, Mrs. Jas. Davis.

The Base Ball team of Shrewsbury Academy is planning to give an entertainment in the near future.

Galena Base Ball team crossed bats with Cecilton on Saturday last. Who won? Galena did.

In spite of the rain of last week great crowds of people attended Mr. Samuel Caldwell's sale. It is reported that about one hundred and seventy five horses were sold. This sale was advertised in the TRANSCRIPT.

The Pennsylvania Railroad Pays Up.

Our people frequently have occasion to complain of the refusal and neglect of the Pennsylvania Railroad to adjust proper claims for lost freight, damage to freight, etc. Mr. William C. Sutton, in October of last year, received a damaged radiator and immediately complained to the railroad. His complaints, as is usual in such instances, were without effect until he placed the matter in the hands of his attorney. Then on February 23rd, the company settled by sending check to pay the loss. The only way for our readers and the people of this county generally is to take prompt action against the railroad for loss or damage to freight and in this way compel it, as Mr. Foster did at the last term of court, to recognize its liability to its shippers. Owing to the campaign of publicity started some years ago by the TRANSCRIPT, the Adams Express, as well as the Railroad Company, has been shown as occupying much the same position towards its patrons in Kent. By determined, as well as united action against the corporations, this trouble will be finally removed. When a responsible man, like Mr. Sutton, makes a complaint why don't the railroad send its check? Then if it finds Mr. Sutton has made a dishonest claim [illegible] easy to collect from Mr. Sut[illegible]ney improperly paid, inde[illegible]ier than for Mr. Sutton [illegible]he railroad company! [illegible]rs to protect thems[illegible]e against this op[illegible]y land or water.

John Smith Translated.

The good old name of John Smith does not suggest in English any great degree of aristocracy, but transferred to other languages, it seems to climb the ladder, so to speak.

Thus, in Latin it is Johannes Smithus, the Italian smooths it off into Giovanni Smithi, the Spaniards render it Juan Smithus, the Dutchman adopts it as Hans Schmidt, the French flatten it out into Jean Smeet, and the Russian says Jonloff Smittowaki.

When John Smith gets into the tea trade in Canton he becomes Jovan Shimmit, if he clambers about Mount Heela the Icelanders refer to him as Jahne Smithson; if he trades among the Tuscaroras he becomes Ton Qa Smittia. in Poland he is known as Ivan Schmittiweiski; should he wander among the Welsh mountains they talk of Jihon Schmidd; when he goes to Mexico he is called Jonth F'Smitti, if of classic turn he lingers among Greek ruins he turns to Ion Smikton, and in Turkey he is utterly disguised as Yie Seef.—Chicago Record-Herald.

Domestic Science at M. A. C.

EDITORS TRANSCRIPT,

DEAR SIRS: I want to send a few lines about the domestic science course down here at M. A. C. Prof. Taliaferro has worked so hard to make it a success, and we who came appreciate his efforts. We hope the directors can be prevailed upon to make this one of the regular courses, two weeks, and closely following the poultry course so that we can get them together.

The lecturers have all been chosen with great care and foresight. Each is peculiarly suited for her own particular line. About 80 ladies are present, but Kent county alone should have that many. Only four are here—Mrs. Wm. G. Smyth, Mrs. Acca Crevr, Miss Leaverton and Mrs. A. L. Harris.
