NOW IS THE TIME

To See About Your Painting.

We have on hand, and are sole agents for a new brand of Paint for outbuildings, brickwork, concrete, etc. Also for wall plaster and interior decorations which we can furnish at a small cost. One coat of this Paint will cover and look as well as two coats of high-priced paint on new or old buildings or scraped whitewashed buildings. This Paint has been tested and will last as long as oil paint, is also weatherproof, fireproof, sanitary; is used extensively inside of hen houses, stables, dairys, etc., as it destroys all germs, it dries hard and will not rub off. This is not the so called water paint, but is noted for wear and durability. Can furnish this paint in 21 different shades. It is easy to apply and anyone with little experience can use it. Before whitewashing this spring, consider this matter and send for sample cards and prices, and cut out that horrible job of yearly whitewashing, which will add wonderfully to the appearance of your home by using these Paints. Price 70 cents per gallon at Lynch's.

I give my personal attention to every detail of every painting job. A large part of my success is due to the fact that we use only the best material, Lewis white lead, (Dutch Boy painter, trade mark) and absolutely pure Linseed Oil, our other materials are of equially high value. Always ready to show sample cards and quote prices. Let me estimate on your painting.

THE LARGER TRANSCR[IPT]

Owing to increasing business [and] desire to protect the interests o[f] readers and advertisers, the size of [the] TRANSCRIPT has been increased, b[e]ginning with this issue, making it n[ow] only the largest paper published [in] Kent county, but also as large as any pa[per] per published on the Eastern Shore o[f] Mary[land]. We have added one inch to [the] length of each of the 56 columns, which means an addition of three columns of [the] present column being 22 inches in length exclusive of [the] margin. We not only give o[ur] the benefit of the increased size of the paper, but we also provide additional space for reading matter. It is with pardonable pride that we refer to this enlargement of the paper. The business has steadily increased from year to year, due to efforts to drive our patrons' business, and to furnish that class of reading matter that not only touches the social and religious life of the community, but which endeavors to deal with the political affairs of our town and county in an honest, plain and straightforward manner, aiming always to tell the plain unvarnished truth in such a manner as to stamp the individuality and independence of the paper upon those who read it. We are very grateful, not only for an increasing business, but also for a greatly increasing subscription list, and we shall continue to advance the interests of our patrons and friends as vigorously and as unflinchingly in the future as we have done in the past. Hurrah! for the bigger and better TRANSCRIPT.
