NOW IS THE TIME
To See About Your Painting.

We have on hand, and are sole agents for a new brand of Paint for outbuildings, brickwork, concrete, etc. Also for wall plaster and interior decorations which we can furnish at a small cost. One coat of this Paint will cover and look as well as two coats of high-priced paint on new or old buildings or scraped whitewashed buildings. This Paint has been tested and will last as long as oil paint, is also weatherproof, fireproof, sanitary; is used extensively inside of hen houses, stables, dairys, etc., as it destroys all germs, it dries hard and will not rub off. This is not the so called water paint, but is noted for wear and durability. Can furnish this paint in 21 different shades. It is easy to apply and anyone with little experience can use it. Before whitewashing this spring, consider this matter and send for sample cards and prices, and cut out that horrible job of yearly whitewashing, which will add wonderfully to the appearance of your home by using these Paints. Price 70 cents per gallon at Lynch's.

I give my personal attention to every detail of every painting job. A large part of my success is due to the fact that we use only the best material, Lewis white lead, (Dutch Boy painter, trade mark) and absolutely pure Linseed Oil, our other materials are of equially high value. Always ready to show sample cards and quote prices. Let me estimate on your painting.

A Distressing Shooting.

A distressing shooting occurred at the Hurlock farm, near Hibernia, this county, Wednesday night, when Mr. John Hessey shot and instantly killed Mr. Irving Hurlock, son of Mr. J. E. Hurlock, of Millington. Mr. J. E. Hurlock is the owner of the farm, and Mr. Hessey is the tenant. It seems young Hurlock, who lives with his parents in Millington, had been about the farm of Mr. Hessey during the day, and Mr. Hessey thought he had gone home. Mr. Hessey and his family retired about nine o'clock and shortly thereafter heard a noise at one of the outer doors of his house and called out the window to know who it was but received no answer. Shortly thereafter he heard some one coming up the stairs, and again asking who it was and receiving no reply, he shot down the stairway, the load taking effect is Mr. Hurlock's chest, killing him instantly. About eight years ago young Hurlock lived on this farm, and one evening when returning from Millington, where he had gone to see his parents, he was caught in a fearful electric storm, the ligtning striking a tree near him, the shock of which rendered him unconscious, and since that time he has been subject to spells of mental aberration. It is supposed he suffering from the effects of one of his accustomed spells, is why he did not answer Mr. Hessey when he asked who it was. A jury of inquest, of which Mr. Leonard Wilson was foreman, exhonorated Mr. Hessey of all blame.

Base Ball Notes.

Double Creek beat Chestertown High School team on Ford's field last Saturday afternoon—score 13 to 12. The Chestertown High School returned the game on Monday and defeated the Double Creekers 12 to 8.

Rutgers College team and Washington College played an interesting game on Monday afternoon 5 to 1. Biddle pitched a fine game against the Northern collegians, but the latter had the more seasoned team and won. Washington left on a Southern trip on Tuesday where they will meet several of the strongest teams in the South.

The game scheduled for Friday between Washington and the University of Vermont was called off.

WASHINGTON 8—STAUNTON M. A. 3.

A dispatch from Staunton, Va., says: "Washington College defeated Staunton Military Academy Wednesday afternoon 8 to 3.

The Chestertown boys started the ball rolling in the first inning when three of them crossed the plate. Lewis, who took to the box for the first time this season, allowed only one hit. The Washington infield did some excellent work, Meekins and Brown being especially fast.

Staunton M. A.	0	1	0	0	0	1	0	1	0	—3

D. of A. Farewell Reception.

When Chestertown Council No. 58, Daughters of America, convened Monday evening, April 8th, it was very evident that something out of the ordinary was about to occur.

After the business of the evening had been transacted the Council room was transformed into a scene of festivity. It was a farewell reception to two of the Council's most honored members, viz: Mrs. A. P. Matthews and daughter, Miss Lillian Matthews, who are soon to remove from Chestertown. A programme having been previously arranged, the Council then entered into the Spirit of the meeting. The Council opened the reception by singing "The star Spangled Banner." This was followed in succession by a reading by Mrs. W. F. Malin and a solo by Mrs. Horace W. Reed. The crowning event of the evening occured when Mr. J. B. McIntire arose and delivered an address. At the conclusion of his remarks he requested Mrs. Matthews to come forward and presented to her, in the name of the Council, a most beautiful lodge pin of gold, encased in a golden egg. Mrs. Matthews responded to the honor by a few appropriate remarks, after which the Council were served with refreshments. The Council then adjourned after having spent one of the most enjoyable evenings in its history.

Portraits of Judges.—General Joseph Seth and Col. Oswald Tilghman, a committee of the Talbot county bar appointed to obtain portraits of Talbot judges, last week received a portrait of the late Hon. John Mitchell Robinson, Chief Justice of this circuit from 1867 to 1896.
