Concert of the Glee and Mandolin Club.

The ninth annual concert of the Glee and Mandolin Club of Washington College will be given in Smith Hall next Thursday night, the 18th, at 8 o'clock. The club has worked hard in preparation for the concert, and will present the best entertainment ever given by this organization. The development from year to year has enabled the two clubs to prepar selections from the more difficult and better music.

Mr. T. Kemp Bordley, '08, himself a former member, has generously given his time to training the Glee Club. Under his directorship the club has made marked progress and will render some delightful vocal selections. The Mandolin Club, under the direction of Dr. Cain, has worked up a programme of much variety and interest, and will contribute to the pleasure of the evening in an unusual degree.

The proceeds of the concert will be presented to the Athletic Association in which all friends of the college are so deeply interested. The Glee and Mandolin Club concerts have always been regarded as one of the leading social as well as musical events of the season, and it is hoped that a large audience will make this year's concert distinguished and enjoyable. The annual Easter and Missionary service at Christ M. P. Church was held Sunday evening when the following delightful program was rendered: Orchestra selection; chorus, "Welcome Easter Day"; scripture reading and prayer, led by Mr. Thos. D. Bowers; chorus, "Wonderful Morning"; address by Mr. Norman Crouch, president of the Missionary Society; chorus, 'He Liveth,' recitation by Miss Frances Bacon; recitation, "If I was a Flower," Master Ellsworth Estes; chorus, 'Message of Cheer'; recitation by Master Thomas Elliott; recitation exercise, "Easter Bells;" chorus "Dear Calvary"; exercise, "What Easter Means", six little girls; Lullaby exercise "Soft Blow the Winds, nine girls; collections by classes; selection by orchestra; chorus "This is the Day"; award of banner to class taught by Mr. W. The aggregate contributions for missionary purposes for the year was $477.28.

There will be no services at St. James' or Lynch's M. P. churches on Sunday, April 14, as Rev. Mr. Morris is in attendance at conference. Mr. Morris says he expects to be back and preach at both churches on Sunday, April 21.

Chestertown M. E. Church, Rev. L. E. Barrett, D. D., pastor. Services next Sunday, April 14th, as follows: 10.30 A. M., preaching by the pastor—subject, "Soul Hunger"; 2.15 P. M., Sabbath school and pastor's Bible class; 7 P. M., Epworth League song service, followed by sermon by the pastor. All invited and made welcome.

The Easter services at the M. E. Church last Sunday morning were of an interesting character. The choir, under the leadership of Mrs. Merrick Clements, sang beautiful Easter hymns and music. The pastor's sermon was from text: "While it was yet dark: Why seek ye the living among the dead." The congregation filled the church. The decorations were unique and tasty. Palms, ferns, lilies and other plants and flowers filled the chancel; on the pulpit platform was a large white cross wreathed with ferns and from its top a white dove in the attitude of flight. The effect was charming. The whole service was beautiful and impressive.

Special Easter music was rendered by the choir at Emanuel P. E. Church last Sunday morning. In the evening the children's Easter service was held. A fine musical programme, under the leadership of Miss Isabel Beck, was well carried out. The Easter offering amounted to a nice sum.

Easter services were held on Sunday afternoon in Lynch M. P. Church. The church was decorated more beautifully than ever before for the occasion. Rev. G. A. Morris, the pastor, selected his text from John 12-24 and preached one of the most eloquent sermons of his career. A large choir rendered selections of Easter music.

DE LAVAL CREAM SEPARATORS

The World's Standard

Used Exclusively by 98% of World's Creameries

Ten years ago there were a dozen different makes of creamery or factory separators in use. To-day over 98 per cent of the world's creameries use De Laval separators exclusively.

When it comes to buying a separator why not profit by the experience of the creameryman, which qualifies him to advise you correctly.

He knows which separator will give you the best service and be the most economical for you to buy. That's why 98 per cent of the world's creameries use the De Laval exclusively.

There can be no better recommendation for the De Laval than the fact that the men who make the separation of milk a *business* use the De Laval to the practical exclusion of all other makes. They *know* from experience.

Easiest to turn; easiest to wash, skims the cleanest, lasts the longest.
