Rock Hall Items.

Mr. John W. Elburn, of Rock Hall, was drowned near the Sharp wharf on Thursday morning. Mr. Elburn was on his way from his home to the wharf to get a man who oysters with him, and when near the wharf fell overboard and drowned. Some watermen saw his hat floating near his boat, and upon investigation found Mr. Elburn missing. They soon recovered his body but he was dead when the body was taken from the water. He was about 45 years old and leaves four children, Ivey, Elmo, Lelia and Hurbert. Justice Wilkinson summoned a jury of inquest with Walter H. Hadaway, foreman. The jury rendered a verdict of accidental drowning.

Several of the boys of the town have received letters from Joseph Ayres, who is in the service of the navy, and at present is stationed in China. He writes of the many interesting sights and customs that occur in that land, and his letters are very much appreciated by all his little friends here. He will be away for two and a half years yet. We wish him the greatest success.

Colored Shooting Affray.

Sheriff Wm. H. McKee, arrested Mansfield Wickes and Norris Tilghman on Monday morning at Tolchester charged with shooting, or being implicated in the shooting, of a colored woman at Sharptown, near Rock Hall, Saturday night last. Wickes and Tilghman arrived at Tolchester about eight o'clock Monday morning to take the boat for Baltimore and their actions created the suspicion of superintendent Noland who telephoned to the sheriff asking if anything had happened in the criminal line in the county, stating that these two men were at Tolchester and that their actions indicated they were guilty of some crime. The sheriff got busy and soon located the trouble. The affair had been kept quiet and the sheriff knew nothing of the shooting. He immediately went to Tolchester, made the arrest, brought the prisoners to Chestertown and lodged them in jail where they are at present.

BALTIMORE'S BEST STORE

Hochschild, Kohn & Co.

HOWARD AND LEXINGTON

THE STORE WHERE EVERY PURCHASE *Must* BE SATISFACTORY

One of the foundation principles of the Hochschild, Kohn & Co. Store, laid down nearly fifteen years ago, was this: "Every article sold in this store must give satisfaction; if it does not, the purchaser is to receive a new article, or the purchase money."

This principle has been practised every business day since November 15, 1897—and it has helped to make this business grow as no retail business in Baltimore ever grew.

Added to this security, every purchaser has the knowledge, born of experience, that Hochschild, Kohn & Co. merchandise is the best possible value for the money.

And added to this, is the knowledge that Hochschild, Kohn & Co. stocks offer wider variety, and are selected with the best of taste and judgment.

When you come to Baltimore for your spring shopping, there's just one logical place to visit—the Hochschild, Kohn & Co. Store.
