GOV. WOODROW WILSON'S clean-sweep of Pennsylvania, getting its full delegation of 76 votes, has greatly strengthened his chances for nomination for the presidency. The wonderful victory of Theodore Roosevelt in the same State makes imperative the nomination of Gov. Wilson by the Democrats, for the reason that the same vital force in our government which is making almost certain the nomination of Col. Roosevelt, or some candidate other than President Taft by the Republicans, is demanding that a man shall be nominated by the Democrats who is close to the people, and whose election would be in line with all those great principles, the enforcement of which will bring the administration of governmental affairs under the rule of the people for the people. The people of the entire country are aroused to their interests as never before in the history of the country. They are demanding as a leader and a president a man who, they believe, most nearly conforms in his views to their idea of government, and for this reason Wilson and Roosevelt are making inroads into the strongholds of the politicians that indicate in no uncertain tones the trend of public opinion. The people are the sovereigns of the great republic. It is their votes that will elect the next president. What is the use of the politicians endeavoring to force the nomination of a man who is not the popular choice?

IT HAS developed during the week that the Organization candidates for delegates to the State Convention are hedging somewhat on their preference for the candidate for President. They seem to be in somewhat of a dilemma. They know that the State forces which they follow are not favorable to Governor Woodrow Wilson for President, yet they realize that the overwhelming sentiment in the county is for Wilson as against any other candidate, and so they have changed their plan of campaign somewhat and are now soliciting the vote of the people upon the plea that if Roosevelt is nominated they are for Wilson, but if Taft is nominated they are for Champ Clark. The fact of the business is that the Organization in Kent county is against Gov. Wilson because they so declared themselves in the first instance and Mr. Wm. W. Beck has openly declared for Champ Clark as have many of their district leaders. It is an open secret that at a recent interview of several gentlemen in a law office in Chestertown concerning the preference for President, the interviewer, an Organization leader, and a newspaper correspondent, when pressed for an answer as to where he stands, said he is for Harmon.

So what is the use of straddling the question. The candidates must stand for something. They must as men have some preference. The argument that they are for Wilson if Roosevelt is nominated and for Clark if Taft is nominated won't hold water. Let the people know where you are at. Don't be a straddler. Let the people of this county understand once for all that the Organization and their candidates for delegates are opposed to the nomination of Gov. Wilson for president, and they should not vote for any man for delegate unless they know absolutely that the candidate for delegate who solicits their votes is pledged to use his influence in the State Convention for the election of delegates to the National Convention in Baltimore who will be pledged to Woodrow Wilson for president.

sea. Thousands of families have been afflicted, and more than a thousand homes have been wrecked by the great loss of life, and the world stands awed and horror-stricken at the terrible toll of the sea. Besides the awful loss of life, the palatial ship, with its fine equipment and cargo is destroyed causing a loss of $20,000,000. Altogether, the sea has wrought a terrible disaster, and the sympathy of the whole civilized world goes out to the grief stricken families and relatives.

THE JUDGESHIP CONTEST.

The Easton Star Democrat has the following to say about the argument being used against Judge Adkins. We are in accord with what the Shar-Democrat says:

"We have observed that the only argument the opponents of Judge Adkins are making is to the effect that, in the event of his nomination and election as chief judge, Governor Goldsborough will have to appoint his successor, and presumably the governor will appoint a Republican.

"Judge Adkins opponents neglect to add that such appointee will serve for less than one year, and then in 1913 we will have the opportunity of electing an associate judge.

"We believe the fact that in 1913, when we are put to the necessity of electing our county tickets, the presence of a judicial candidate on that ticket will strengthen and materially aid the local candidates in the several counties in this judicial circuit. We say this because it is an admitted fact that our judicial candidates are always stronger in this circuit than any other candidate or class of candidates, and such candidate would therefore lend strength rather than weakness to the election in the fall of 1913. This election will be especially important from the fact that the legislature, when elected, will select a United States Senator to succeed the Hon. John Walter Smith, and such strength as we can properly muster in that fight should be welcomed.

"We cannot see how the argument advanced by those opposing Judge Adkins can have any force—certainly not from the viewpoint of political expediency. Judge Adkins' friends fully realize the above conditions and know that his presence on the ticket this fall will lend material strength, and the presence of his successor on the ticket in 1913 will be an additional force in the important fight then to be made."

CAPT. CURTIS E. CRANE, the Organization candidate for delegate to the State Convention, is personally a splendid gentleman both socially and in a business sense. Politically he is identified with the Organization faction of the party, and as Mr. Wm. W. Beck, the recognized leader of the Organization faction, and the man who probably had more to do with selecting Capt. Crane as the candidate for delegate to the State Convention, has openly declared for Champ Clark for President, not only during the recent session of the Legislature but also to a prominent gentleman in Chestertown last week, it is hardly politically possible that Mr. Beck would select a candidate for delegate to the State Convention whose choice for President is at variance with his own choice. Capt. Crane in his candidacy for delegate has found so much Wilson sentiment in the town and county during the week that he has begun to hedge, and according to an interview with a prominent gentleman on the street this week whom he believed to be a Wilson man he is reported to have asked the gentleman this question:

"I am a candidate for delegate to the State Convention, will you vote for me?"

The gentleman said, "Who are you for for President?"

"Well," said Capt. Crane, "I am for Wilson if Roosevelt is nominated, and I am for Clark if Taft is nominated."

We respectfully submit that this is rather an amusing position for Capt. Crane to assume. Mr. Charles W. Kibler, Capt. Crane's opponent in this district, and throughout the county as well, is openly and avowedly for Gov. Wilson without any IFS about it. Mr. Kibler, Mr. Harry Davis, of the Second District, and Mr. Jeff D. Ayres, of the Fifth District, stand squarely upon Gov. Wilson's platform, and they will stick to Gov. Wilson to the last ditch. They are for Wilson first, last and all the time, and are asking the votes of the people upon the pledge that if elected they will use their influence to secure Gov. Wilson's nomination. We know the Organization is opposed to Wilson, and their candidates, Capt. Crane, Mr. Herman Massey and Mr. Carroll Willson are opposed to Wilson. Let's be frank with the people now and lets have no IFS about it. Let it be known from one end of the county to the other that the Organization is for Clark, and their candidates are for Clark, or, may be, Harmon, but never for Wilson.

Ex-Mayor Mahool for Wilson.

Former Mayor Mahool, of Baltimore, on Tuesday announced himself in favor of Governor Wilson, of New Jersey, for the Democratic Presidential nomination.

"Of all the men now before the people," he said, "It is my opinion that Governor Wilson represents the present-day ideals, not only of the members of the Democratic party but of the people as a whole.

"The world is moving along, and parties must move along with it. Governor Wilson stands for what the people want. The people believe in him, they feel that he is incorruptible, that no interests, no matter how mighty, could sway him from what he conceives to be his duty. He is able, he looks before he leaps, he knows what the country needs and will try his best to give the people what they are entitled to have."

vs.
Frederick A. Grier, Wellington H. Grier.

In the Circuit Court for Kent County, Maryland, In Equity, No. 1807.

The object of the bill is to procure a decree for the sale of the real estate of George S. Grier, deceased.

The bill states:

1. Your orators show that George S. Grier, late of Kent county, in the State of Delaware, departed this life seized and possessed of a certain lot of land with a fruit drying house, etc., thereon, situated, lying and being in the village of Kennedyville in the Second Election District of Kent county, Maryland.

2. That being so seized and possessed of the said land and premises the said George S. Grier departed this life about the 17th day of June, in the year 1907, leaving a last will and testament by which he left all of his real and personal estate unto his wife, Margaret Layton Grier, for and during the term of her natural life; in his said will the testator directed that after her death his real estate should be divided among his thirteen children or their heirs, as will appear by reference to an exemplified copy of the said will, which is filed herewith and prayed to be taken as a part hereof, and marked "Plaintiff's Exhibit No. 1."

3. And your orators show that the heirs at law of the said George S. Grier are your orators, the plaintiffs in this suit, and one son, namely, Frederick A. Grier, who resides at Salisbury, Maryland, and Wellington H. Grier, a grandson, whose address your orators are unable to ascertain and they do not know where it is possible to locate him, and that their mother, Margaret Layton Grier, hath departed this life.

4. And your orators show that all the heirs at law and devisees of the said George S. Grier are adults; but because the said Frederick A. Grier refuses to execute a deed for the purpose of selling said real estate at Kennedyville, in Kent county, Maryland, and because it it is impossible for your orators to ascertain the whereabouts of Wellington H. Grier, it is impossible for them to execute a good and valid deed and thus dispose of the said real estate for the purpose of partition.

5. And your orators show that they desire to sell for purpose of partition, the said real estate situated at Kennedyville, as aforesaid, but under all the circumstances of the case they are advised it is necessary for them to apply to this Honorable Court and ask that a trustee shall be appointed with power to sell the same for purposes of partition, so that the proceeds of the sale may be equally divided among all the heirs who may be entitled to the same under the will of the said George S. Grier.

It is thereupon this 4th day of April, 1912, order by the Circuit Court of Kent county, in equity, that the plaintiffs by causing a copy of this order to be inserted in some newspaper, published in said Kent county, once in each of four successive weeks before the 6th day of May next, giving notice to the said non-resident defendants, Frederick A. Grier and Wellington H. Grier, warning them to appear is this court by person or by solicitor, on or before the 20th day of May next, to show cause, if any they have, why a decree ought not to be passed as prayed.
