FRANK BROWN URGES WILSON.

Roosevelt's Recent Successes, He Says, Make This Necessary.

"Believing as I do that the recent primaries in Illinois and Pennsylvania indicate that Colonel Roosevelt will be the nominee of the Republican party for President, I call upon the Democrats of the State to lay aside personal preference and get behind Governor Wilson, the candidate in my opinion who can more easily meet Roosevelt on the hustings."

"I have been made a Wilson supporter by the recent Roosevelt victories.

"We know what kind of a campaign Roosevelt will conduct if nominated, which I believe he will be. He will visit every section of the country and almost every hamlet. He will appeal to the prejudices of the people, seeking to array the masses against the classes.

"I take it that the Democratic party wants to win. I believe that there is no candidate before the voters who would not honestly say that victory was the first consideration and personal advantage the second. To be certain of victory we must have a candidate who is not only mentally able to compete with Roosevelt on the stump, but one who has the physical vigor to do so and who is willing to make such a campaign. Governor Wilson has demonstrated that he both can and will make such a campaign. He will appeal to the reason of the voters, and, in a moment's notice, answer logically and convincingly any charge Roosevelt may make.

"I therefore call upon the voters of my party to turn a deaf ear to the orders of advice of party leaders. They have not shown in the past that they are safe guides. They have led our party into a ditch. If regardless of personal preference the Democrats of this State stop and ask themselves who will make the most available candidate, I am sure they will support Governor Wilson.

"Take it from me," the ex-Governor concluded with emphasis, "with Governor Wilson as the candidate for President and a strong running mate, the Democratic party will sweep this country. Maryland will be redeemed with an old-fashioned majority. Frank Brown is not a bad political prophet, as many doubtless remember, and I make this prediction with all sincerity."

Base Ball Notes.

Chestertown High School was outplayed, outbatted and outguessed by the high school team of Centreville last Saturday, on Ford's field, score 13 to 4. The first scoring was done by Centreville: in the second inning the Queen Annes county boys jumped on Sparks with both feet and by the time three men were retired had crossed the pan for six tallies. Centreville, in the last four innings of the fray, scored seven more runs. The inability of the locals to connect with the shoots of Tucker, was the main factor which caused their defeat, the Centrevillian allowing but three scattered singles. Chestertown High was unable to score until the seventh and eighth stanzas when they scored four runs. Batteries—Chestertown, Sparks and Robinson; Centreville, Tucker and Whitely.

Centreville	0	6	0	0	1	2	3	1	0	—13
Chestertown	0	0	0	0	0	0	3	1	0	— 4

Chestertown High will play a return game at Centreville, Saturday, April 27.

Washington lost an uphill game to Virginia Military Institute, at Lexington, Va., last Friday, score 4 to 3. The locals had them 3 to 0 in the ninth inning, but the Cadets hit the ball hard in their half and scored four runs. Batteries—W. C., Biddle, Lewis and Long; V. M. I., Throckmorton and Reed.

Virginia Polytechnic Institute easily defeated Washington at Blackburg, Va., last Saturday, by score of 6 to 0. The Engineers had little difficulty in hitting Biddle, while on the other hand the local collegians could not touch the Virginian.

Washington College will play Baltimore City College, on Washington Field this afternoon.

Pitcher Frank M. Jarman, of Washington College fame, who has signed up with the Reading base ball team, of the Tri-State League, left Monday for that town.

A meeting was held at the Chestertown High School on Wednesday, April 10, for the purpose of forming a baseball league.

The teams represented were Kennedyville, Millington, Lynch-Worton, Black's and Chestertown.

Kennedyville was represented by Mr. Redmile, Black's by Mr. Wheatley, Millington by Prof. Robinson and Norman Wallen, Chestertown by Prof. Smyth and Lee Robinson and Lynch-Worton by Stewart Price and Philip Jones.

Prof. Smyth was made chairman and Mr. Wheatley secretary, pro. tem.

The following officers were elected: Owen C. Blades, President, Norman Wallen, vice-President, L. C. Robinson Secretary.

The league was named the Kent County Base Ball League.

As some of the teams were not represented another meeting was called to be held at Kennedyville on April 15. Still Pond, Betterton and Galena were requested to be present.

At this meeting Still Pond and Betterton were represented and a six-club league was organized as follows: Kennedyville, Millington, Chestertown, Lynch-Worton, Betterton, Still Pond.

Rules and regulations governing the grounds, the umpires and the players were adopted.

The league opens this afternoon, April 20. As Millington has not yet organized and since Black's plays Double Creek these two teams will not play on the 20th but will start in on the 27th. The schedule for the opening games is as follows: Betterton-Still Pond at Kennedyville; Lynch-Worton at Chestertown. The games to begin at 3 30.

The rules have been made with a purpose to give a good, clean game of ball and if the league is given support by the fans we are quite sure it will be a success.
