A. S. TURNER, Prop.

Also have in stock a full and complete line of SURRIES and RUNABOUTS of the celebrated Deere line.

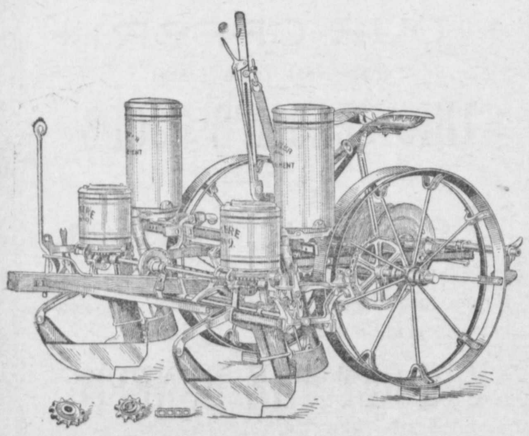

I have also received a full and complete line of

Farm Implements

which consist of

Deere Corn Planters, Disc Cultivators, Disc Harrows, Sulky and Gang Plows.

MR. FARMER,

Do not make a mistake in purchasing a new Corn Planter this season. You surely want to buy farming implements that you receive the best results from. The Deere Planter is in a class to itself; to prove the above statement the Deere people manufacture more planters than all other planter manufacturers combined in the U. S. We have the first planter to be returned or complaint of not being satisfactory in every respect. Can others make the same assertion? No; three-fourths of the planters sold in Kent county are the Deere. If not perfectly satisfactory return to me, it does not cost you a cent. We guarantee them to be perfectly satisfactory, and raise more corn by the use of a new Deere. We are 98 per cent. correct in our drop. Full line of REPAIRS kept on hand at all times. If you haven't the ksh. a good note is O. K write me. I have on hand a complete line of John Deere Plow Co.'s Farming Implements, Gasoline Engines, Carriages, etc.

Call and inspect or phone me—Phone 99M.

—ALSO—

Which are the make of the John Deere Plow Company.

BASE BALL NOTES.

Kent County Base Ball League

STANDING OF THE CLUBS.

Kennedyville	1	0	1.000
Lynch-Worton	0	1	.000
Betterton-Still Pond	0	1	.000
Millington	0	0	.000
Blacks	0	0	.000

In the opening game of the Kent County Base Ball League, Chestertown High School found little difficulty in defeating the Lynch-Worton team on Ford's Field Saturday, score 16 to 3. The hard hitting of the locals and the numerous errors by the visitors tell the whole story.

The visitors were unable to score unti the fourth inning, when they made a lonesome tally; they scored two more in the following stanza and after that were unable to cross the plate again.

The locals started their scoring in the third inning, when they hit safely for four singles and aided by the slip ups of the visitors they scored six times. In the following two innings they scored nine more tallies and in the eighth crossed the pan once, bringing the total to sixteen runs. Sparks, who pitched the last four innings for the High Schoolers, allowed but two hits.

The score:									R	H	E
Chestertown	0	0	6	7	2	0	0	1	16	11	5
Lynch-Worton	0	0	0	1	2	0	0	0	3	6	9

Batteries—Chestertown High, Bartley, Sparks and Robinson; Lynch-Worton, Parlet and Jones. Umpire—Kibler.

Kennedyville, April 20—Kennedyville defeated the team composed of players from Still Pond and Betterton, here, today, by the score of 18 to 10. It was nothing less than a swat fest, both teams hitting the ball hard on the nose. Batteries—Kennedyville, Smith and Hill; Betterton-Still Pond, Gosman, Shallcross and Crew.

WASHINGTON LOSES.

Washington College lost another uphill game Saturday, on Washington Field, when the Baltimore City College team defeated them 3 to 2. The Baltimore Collegians, although out-played from all angles, had luck with them and won. Biddle, who pitched for the local collegians, held the Baltimoreans to five scattered hits; he also fielded his position well. Lewis led at the bat for Washington, getting three singles out of four times up. Johnson led in the batting for B. C. C.

The score:										R	H	E
Washington	0	1	0	1	0	0	0	0	0	2	7	2
Baltimore	0	0	0	0	0	2	1	0	0	3	5	6

Batteries—W. C., Biddle and Long; B. C. C., Siegman and Ransom; Umpire, Pensmith, of Baltimore.

The opponents of Washington this afternoon will be the Polytechnic Institute team of Baltimore. Game calls at 3.30. Go out and help the boys win.

Rock Hall Items.

George A. Coleman and Joseph A. Bray, both of Rock Hall, and now of the United States Navy, were visitors to this town this week. They are on two of the largest ships in the navy, the Delaware and the Florida. Coleman speaks of his long cruises in the waters of several foreign countries in a very interesting way.

Mrs. Wood and Miss Dora Sewell, of the Chesapeake House, were in Baltimore this week.

S. B. Maslin was in Chestertown this week demonstrating his new gasoline lamp. He reports several sales.

J. A. Urie has lately erected a fence around his amusement park and has his merry-go-round up for business.

Some action should be taken by the officers of the county to put a stop to the carrying of firearms by the young colored men of Sharptown. Only a few days ago a party reports that while driving through a small crowd of young bucks that a pistol was drawn and some threats were made in regards to shooting. These things should not be tolerated.

W. W. Clayton and Chas. S. Porter were representatives from the Rock Hall Council Jr. O. U. A. M. at Havre de Grace to the State Council meeting, and report that that town is a gay little fellow to visit, both having had several little experiences there.

Miss Etta Durding has returned from her visit to Chestertown.

Miss Grace Thomas, of Baltimore, is the guest of Miss Lillian Willson this week.

Miss Pearl Griffin, of Baltimore, formerly a teacher in this school, visited friends in this town last week.

Miss Hattie Strong is home for a rest after extensive nursing in the city hospitals.

Last Saturday night Rock Hall was alive with politicians.

Three fish steamers from down the bay passed here one day last week, and it is reported that they bought herring from one man from this section to the amount of over one hundred dollars.

There will be held in the Mechanics Hall a dance every Saturday night after the moving pictures.

Mrs. Geo. M. Christle and daughter, Helen, of Baltimore, have been the guests of Mrs. Annie Kendall, of Catholic Avenue.

Mr. Boggs Making Success.

The Publishers Bullentin, of New York, has the following very complimentary reference to Mr. Charles W. Boggs, son of Mr. J. W. Boggs, of Crumpton, and son-in-law of Mr. and Mrs. Charles H. Jefferson, who is making a success in journalism in the West.

"Having given the management of the Times its full quota of recognition, we wish to direct attention to the fact that the Democrat & Leader, in the hands of Charles W. Boggs, has performed wonders, and is rapidly climbing the ladder of success. Having run down most perceptibly under the previous management, Mr. Boggs has made a most conspicuous success. Since Mr. Boggs has been associated with the paper, the circulation has doubled, and there is every prospect that the increase will continue. The city of Davenport is to be congratulated on the fact that it has two live mediums which supply their clienteles with news and editorial comment according to their respective political beliefs. No advertiser can afford to omit either one from his list if he wants to cover the field thoroughly, and neither medium will disappoint him in results. The Democrat & Leader confesses that it is a home newspaper, and makes no pretension of covering anything more than its local territory, where it naturally belongs."

DE LAVAL CREAM SEPARATOR

More Than 1,375,000 Are In Use

The Best Investment Any Cow Owner Can Make

That's what **nearly a million and a half of cow owners** the world over have found the De Laval cream separator to be.

A De Laval farm separator costs from $35 to $160—according to capacity. It saves butter fat and produces a cream of superior quality over any setting system or any other separator every time it is used—twice a day—730 times a year.

It involves far less labor than any setting system, and runs easier, has greater capacity and lasts from two to ten times longer than any other separator.

That's how a De Laval separator saves at least its cost the first year, and frequently in a few months, and then goes right along saving your money year after year.

We have an arrangement whereby you can make a partial payment at time of purchase, and pay the balance on such liberal terms that your machine will more than save its cost while you are paying for it.

Easiest to turn, easiest to wash, skims the cleanest, lasts the longest.

SOONER OR LATER YOU WILL BUY A DE LAVAL
