

The Dart Delivery Truck,

1500 lbs., $650 express body, $690 with top, fully equipped. I considered it to be the best Truck at the New York shows for the money, and believe you will agree with me when you look carefully over the truck. A 2-cylinder 16 to 20-horse power, 4 cycle, water cooled, Remy Magneto and batteries, returned oiling system and throughout the entire car along line that I consider will give satisfaction, and a bargain at $650.

This car has been a 1000 lb. Truck, now for 1912, a 1500 lb.

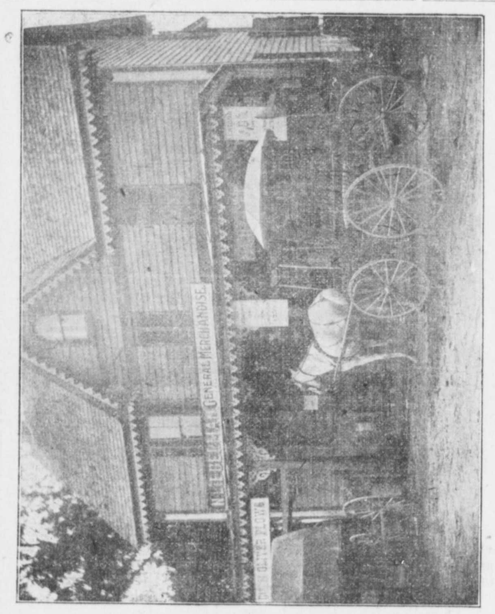

The factory assures me that the 1912 Truck costs over $650, and the price will be advanced to $750 on June 1st. I urge all parties considering a Truck of any make around 1500 lbs. to look the Dart over before the advanced rate on June the first.

Demonstrator at Easton.

The Rowe Truck, from 1500 lbs. to 6 tons. I also have Demonstrator in the 1 to 1½ ton Truck. A 4-cylinder, 35-horse power, returned oiling system, selective transmission and FULL SHAFT, NOISELESS SPIRAL DRIVE of the highest standard, fully guaranteed, and none better built. No side chains or sprockects open to mud.

The price of horse feed to-day is by far more than gasoline. Trucks are now practical and a necessity. A card will bring you either Truck. AGENTS WANTED.

Worton Items.

Nomination day passed off very quietly here Monday. The frequent honk! honk! of automobiles giving voters free rides to and from the polls and the general sociability that prevailed, reminded us that not since Aug. 29th and Nov. 7th of the past year have we witnessed such fellowship. "Let brotherly love continue."

Mr. Harry Spencer, who was struck on the ankle with a ball during a game of baseball some time ago, is able to get about with the aid of a cane.

Mr. George Rash, who sustained injures in a runaway, is able to be out.

There will be matinee race at the Old Worton Track, on Thursday, May 30th, Decoration Day. Fine racing is expected.

The Chestertown boys will cross bats with the Worton-Lynch team at Lynch to-day.

Mr. A. S. Turner is doing a rushing business nowadays. Last Saturday afternoon in a few hours he sold five new carriages.

Mrs. Frank Truitt and two children are visiting Mrs. Emma Fowler at Flatlands.

Mrs. John Mallalieu is visiting her mother at Sudlersville.

Mrs. Usilton is visiting her daughter, Mrs. Chas. Ivens. Mrs. Ivens after quite a long illness is now convalescent.

The Misses Clark, of Delaware City, donated two very nice chandeliers to the Worton Presbyterian church and they are quite an improvement to the lighting of the edifice.

Mrs. Benj. Davis, who has been seriously ill, is somewhat improved we are glad to state.

Mr. Given, the pastor of Salem and Union M. E. Churches, and his wife, have been spending a few days of this week visiting friends around here.

The ladies of the Presbyterian Church will hold a festival and supper in the lecture room of the church on Thursday evening, May 30th. Everybody come out and help a good cause.

Millington Items.

Miss Annie Gorton went to Johns' Hopkins Hospital last Wednesday morning, April 8th. She was accompanied by her sister, Miss Mary Gorton. She has been sick for some time, but the Dr. who attended her thought it best for her to enter a hospital for special treatment. She went by way of Georgetown, to Baltimore.

The play given by the young ladies of the P. E. Church, of Millington, was given at Lambson's last Friday evening. It was deemed a great success and a large sum was realized, which will be used for the benefit of the "Young People's Auxiliary." It may be repeated at Church Hill, some time soon.

Mrs. Jas. Moore has a party who is anxious to purchase her town property.

Dr. Jeter and his son, Julian, have returned from Maryland University, where his son has been for special treatment. He returns much improved.

Mrs. Elmer Gordon has returned from a visit to her sister, Mrs. Davis.

Mrs. Wm. Darrell is quite sick at her home near town.

The ladies of Millington are thinking of starting a civic club. It was started in Chestertown some years ago, and much has been accomplished by it, the improvement to the town is very noticeable.

Mrs. Julia Tyler expects to return to her home in Frostburgh, Saturday, April 11.

DE LAVAL CREAM SEPARATOR

A Money Maker and Saver

Soon Pays for Itself

Occasionally the intending buyer of a cream separator who has but a small amount of ready cash to invest is tempted to put his money into one of the so-called "cheap" machines.

Why pay your hard-earned money for a "cheap," trashy machine, which is always most expensive in the end, when you can buy a reliable De Laval upon such liberal terms that

It will more than earn its cost while you are paying for it.

When you buy a De Laval you have positive assurance that your machine will be good for at least twenty years of service, during which time it will save every possible dollar for you, and earn its original cost over and over again.

If it is not convenient for you to make full payment at time of purchase, we can arrange for you to make a partial payment, and pay the balance on such liberal terms that your machine will more than save its cost while you are paying for it.

Easiest to turn, easiest to wash, skims the cleanest, lasts the longest.
