Chestertown High School met defeat at the hands of Millington last Saturday on Ford's field by the score of 10 to 6. Beck, who was hurling for the upcountians, had the locals, with the exception of Derringer, who got three hits for a total of five bases, eating out of his hand. Sparks, the local ball flinger, pitched effective ball, but in pinches, his team-mates would slip up allowing men to tally. Batteries for Chestertown, Sparks and Robinson; for Millington, Beck and Gibbs.

Lynch, Md., May 4th.—Lynch-Worton and Still Pond-Betterton played an exciting game up to the seventh inning when hits coupled with errors put the game on ice for the locals. Score 14 to 9. P. Shallcross' stabbing of Morris' liner in the ninth was the feature. Parlett pitched masterful ball, especially in pinches. Score:

In a pretty ten inning game Washington College defeated Rock Hill College at Ellicott City last Friday by the scord of 9 to 7. The local collegians had the game cinched in the ninth but Biddle, who was on the slab for Washington, threw a ball over Porter's head at first base and allowed two runs, tieing the score. Washington scored again in the tenth. The batting of Porter featured for the locals.

Gallaudet College, of Washington, D. C., will be the drawing card on Washington Field to-day.

Washington College Reserves defeated Chestertown High School on Washington field last Monday, score 7 to 3. Sparks, who occupied the mound for the "High Schoolers," the first six innings had twelve strike-outs credited to him. Larmore, the Reserves left-fielder, starred at the bat for the collegians, getting three bingles out of as many times up. Ford excelled at bingle getting for the High School. Batteries—for Chestertown, Sparks, Bartley and Robinson; W. C. Reserves, Stouffer, Bowen and Harris.

Kennedyville Items.

A few of our farmers are through with corn planting; others, while being retarded because of the recent rains, may have more grass. The old saying is, "More rain, more grass. Massa." Fine season for setting out garden plants, with which, Mr. John Bennett, of our village, can supply you abundantantly of best varieties.

Mr. L. A. Pennington is improving his residence by a coat of paint.

Phœnix like, new buildings, of latest design, consisting of stables, barns, corn cribs, cow sheds, carriage houses and other outbuildings of the most convenient and substantial kind have been completed on the splendid farm now cultivated by the up-to-date and enterprising patron of husbandry, Mr. W. M. Clendaniel, since the fire of last fall. The mechanics who did the work are from the State of Deleware, near Middletown, and a part of these same workmen are forwith to construct a new barn for Mr. Thomas VanDyke. All our carpenters are kept busy, which indicates progress and improvement.

Mrs. Frank Baxter, under the skillful treatment of Dr. J. W. Urie, is much improved, since her recent illness, and her many warm friends of the Kennedyville Grange will rejoice to see her again in her accustomed place in the regular meetings of the order.

Mrs. Crossley, who for a number of weeks past, has been ill, is much improved, being able at times to sit up in her room.

Not only Dr. Urie, his faithful physician, but the numerous friends of Mr. Elias T. Othoson, rejoice in his restoration to his usual health after his long illness. For the first time for many weeks Mr. Othoson attended services at the M. P. Church last Sunday.

Attention is called to the special service in the M. P. Church for next Sunday, the 12th inst., when by invitation of the pastor, Rev. F. H. Mullineaux, Grangers, not only of Kennedyville Order, but of Kent county at large, are invited to attend public worship in a body.

Because of his services being specially desired at the dedication of the new Methodist Protestant Church in Milford, Del., Rev. J. S. Bowers, president, will not be at Kennedyville, as announced, for Sunday the 19th inst. Notice of his official visit will be given later.

Kennedyville M. P. Church services for Sunday the 12th—Sunday School 9.30 A. M., sermon to the Patrons of Husbandry at 10.30; Song service of 7.30 P. M., followed by brief sermon topic: "The Voice of Moses Out of the Burning Bush," and its lessons. Every body invited. Come and worship with us.

MR. FARMER,

Do not make a mistake in purchasing a new Corn Planter this season. You surely want to buy farming implements that you receive the best results from. The Deere Planter is in a class to itself; to prove the above statement the Deere people manufacture more planters than all other planter manufacturers combined in the U. S. We have the first planter to be returned or complaint of not being satisfactory in every respect. Can others make the same assertion? No; three-fourths of the planters sold in Kent county are the Deere. If not perfectly satisfactory return to me, it does not cost you a cent. We guarantee them to be perfectly satisfactory, and raise more corn by the use of a new Deere. We are 98 per cent. correct in our drop. Full line of REPAIRS kept on hand at all times. If you haven't the ksh, a good note is O. K write me. I have on hand a complete line of John Deere Plow Co.'s Farming Implements, Gasoline Engines, Carriages, etc.
