SCHEDULE FOR TO-DAY.

Chestertown at Millington.
Kennedyville at Still Pond.
Lynch-Worton at Blacks.

Chestertown defeated the combined forces of ball-tossers of Lynch and Worton, Saturday, at Lynch, score 8 to 6. Owing to the high wind and the rough field the game was a bit slow and tiresome. Bartley, who started to hurl for the locals, was replaced by Derringer in the sixth, when he showed signs of weakening. The Smythites started the scoring, when they crossed the pan in the fourth session for two tallies. They also scored six more in the remaining innings. The coalition of ball fingers tried to even things up in the ninth when they scored three times, but fell short by two runs.

| Chestertown | 0 | 0 | 0 | 2 | 0 | 4 | 1 | 1 | 0 | 8 | 8 | 6 |
| Lynch-Worton | 0 | 0 | 0 | 1 | 1 | 0 | 0 | 1 | 3 | 6 | 5 | 7 |

Batteries—for Chestertown, Bartley, Derringer and Robinson; for Lynch-Worton, Lee, Parlett and Jones. Umpires—Williams and Bedwell.

KENNEDYVILLE TAKES ONE.

Kennedyville, May 11—The locals got back at Black's, to-day, defeating them in a one-sided game by the score of 19 to 1. Smith pitched a brilliant game for the locals, allowing but five scattered hits.

MILLINGTON IS BEATEN.

Betterton, May 11—Millington was defeated here today by the Betterton Still Pond team by the score of 6 to 5. The up-countians fought an uphill game but played a loose game in pinches.

Batteries—Betterton-Still Pond, Gosman and Crew; Millington, Beck and Gibbs.

CHESTERTOWN HIGH GETS REVENGE.

The charges of Prof. Smyth went to Centreville last Thursday and got sweet revenge, defeating the Queen Annes ball tossers by the score of 12 to 11. When the locals went to the bat in the ninth session the score was 10 to 2 against them. The first two men up were easy outs, then came the rally which won the game. Thomas was hit safely eight times after the better half had been retired and Tucker was sent to the rescue, but it looked as if the only thing that could put the locals out was the fire company. Tucker, too, was hit lively and when the dust had settled around the home plate the Smythites had a two-run lead. The Centrevillians tried hard to even matters up in their half of the ninth, but their best efforts resulted in a single tally.

| SCORE | | | | | | | | | | R | H | E |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| Chestertown | 0 | 0 | 1 | 0 | 0 | 1 | 0 | 0 | 10 | 12 | 13 | 4 |
| Centreville | 2 | 2 | 0 | 0 | 1 | 1 | 2 | 2 | 1 | 11 | 8 | 5 |

Batteries—For Chestertown, Bartley, Sparks and Robinson; for Centreville, Thomas, Tucker and Whiteley. Umpire—Perry.

Washington College Reserves will play the future stars of St. John's College, of Annapolis, on Washington field to-day.

## Kill a Million at One Blow.

"One fly killed now means a million dead ones in July," said Dr. Marshall L. Price, secretary of the State Board of Health apropos of the "swat the fly" crusade. "I don't think that statement is too extravagant," he continued, "in view of the tremendous rapidity with which flies multiply, and if Marylanders will go after the very first flies that put in an appearance and kill them off, they will be accomplishing something that will materially help the crusade. You can't begin too early with precautionary measures against flies. In this connection here are a few suggestions which are timely and which will help in the anti-fly crusade: Put your window and door screens in now. A fly in the house is worse than a thousand in the back yard, particularly if the fly has come from the back yard. Cover all receptacles for garbage and keep them covered. Another item—don't allow garbage cans to stand in the hot sunshine. Keep stable pits covered and stables clean. Stables are one of the greatest breeding places for flies, but if kept clean, flies will not breed—at least not so rapidly. The main precaution is to get the screens in now and see that they fit tight and are kept closed. A screen that doesn't fit is almost as bad as none at all, for if there is a place where flies can get in, rest assured the flies will find it. Start now, and remember to kill the first flies that show up."

## Attempted Suicide.

On Friday, 10th inst., Samuel Merritt, a citizen of Townsend, Del., attempted suicide by hanging himself. The Merritts have recently sold their Townsend property and purchased a farm near Wyoming, and had moved their goods and were driving down. They stopped over at Mrs. Merritt's son, Mr. Curlotts, for a while, and Mr. Merritt, after enquiring if all the men had gone out to work, sliped out to the barn, procured a rope, went to the hay loft and hung himself to one of the rafters. He was discovered by a grandchild of Mrs. Merritt who raised an alarm and Curlott soon arrived from the field and cut him down. Fortunately the only rope he could get was a very heavy one, and life was not extinct. A doctor was sent for, but by good luck Dr. Niles was met on the road, and in a few minutes was giving Mr. Merritt attention, and he was so far recovered that they were able to send him to Farmhurst Hospital on the 2.39 train Saturday afternoon.

This is the second attempt Mr. Merritt has made to end his life, though he frequently has despondent spells.

The Deere Planter is in a class to itself; to prove the above statement the Deere people manufacture more planters than all other planter manufacturers combined in the U. S. We have the first planter to be returned or complaint of not being satisfactory in every respect. Can others make the same assertion? No; three-fourths of the planters sold in Kent county are the Deere. If not perfectly satisfactory return to me, it does not cost you a cent. We guarantee them to be perfectly satisfactory, and raise more corn by the use of a new Deere. We are 98 per cent. correct in our drop. Full line of REPAIRS kept on hand at all times.
