The following is a commission issued to Mr. Sewell Hepburn, father of Rev. S. S. and Mr. Edward W. Hepburn, of this county, by Daniel Martin, in 1829. It will be noticed in this commission the name is spelled Hepburn. The Rev. Mr. Hepburn has for some years contended that was the proper way to spell the name:

"The State of Maryland, to Sewell Hepburn, Gentleman Greeting.

"Be it known, That reposing especial trust and confidence in your fidelity, courage, good conduct and attachment to the State of Maryland and the United States, you are by these presents constituted and appointed Lieutenant of Captain John Kelley's Company in the Thirty-Third Regiment of the Militia of this State in Kent county. You are therefore carefully to discipline the officers and soldiers under your command, who are hereby strictly to obey you, as their Lieutenant, and in this and all other respects, you are diligently to discharge the trust committed to you by these presents, according to the laws and Constitution of this State and the United States, and such rules and regulations as under the authority thereof are or may be established, this Commission to be in force until lawfully revoked.

"Given at Annapolis this sixteenth day of June Anno Domini one thousand eight hundred and twenty nine."

Chestertown drew first blood, scoring one in the first, likewise in the second and third, the aforesaid six in seventh and one in the eighth. Kennedyville tallied one in the first, three in the second and two in the fourth and seventh sessions. Kennedyville tried hard to even up in the final session but Hill's best effort, with a man on first and second, was a pop fly to Usilton at first. Gibbs and Derringer starred at the bat for the locals, while the pitching of Sparks was of high calibre.

WASHINGTON LOSES TO ST. JOHN'S.

Washington College lost a fierce uphill game to St. John's College, of Annapolis, Saturday, on Washington Field, by score of 6 to 4. The local collegians were unable to connect with Tolson's shoots until the eighth session when they scored twice and likewise in the final session. The cadets scored one in the third stanza, two in the sixth and seventh and one in the ninth for the grand total of six. Biddle was relieved in the sixth, when the bases got drunk at his expense, by Lewis who allowed the Johnnies to score but twice. Kelly was the stellar performer with the willow, getting three timely hits, while the base-running of Capt. Meekins was brilliant. The pitching of Tolson featured for St. John.

GAMES PLAYED MONDAY.

CHESTERTOWN ANNEXES ANOTHER.

Prof. Smyth's proteges annexed another game Monday, on Ford's Field, when they overwhelmed the aggregation of sphere-tossers from Blacks by the one-sided score of 17 to 3. Gibbs, the local slab artist, pitched effective ball, allowing the Maroon and Black team but four scattered hits. Blacks' trio of runs came in the eighth stanza, when a little loose fielding aided them in their scoring. The local pennant-hunters scored first in the second, crossing the five-corned piece of rubber three times, the result of timely slugging. After the second inning the Smythites found little difficulty in connecting with Logan's slants and assisted by the miscues of the visitors scored fourteen additional runs in the following sessions. The "home boys" pilfered no fewer than a dozen sacks.

Score:										R	H	E

Betterton, May 27.—The locals defeated Lynch-Worton here today, the result of heavy and opportune hitting. Score 16 to 6. Although the visitors hit both Gosman and Archibald, they were unable to bunch their bingles. Batteries, Betterton-Still Pond, Gosman, Archibald and Crew; Lynch-Worton, Lee and Jones.

MILLINGTON STILL WINS.

MR. FARMER,

Do not make a mistake in purchasing a new Corn Planter this season. You surely want to buy farming implements that you receive the best results from. The Deere Planter is in a class to itself; to prove the above statement the Deere people manufacture more planters than all other planter manufacturers combined in the U. S. We have the first planter to be returned or complaint of not being satisfactory in every respect. Can others make the same assertion? No; three-fourths of the planters sold in Kent county are the Deere. If not perfectly satisfactory return to me, it does not cost you a cent. We guarantee them to be perfectly satisfactory, and raise more corn by the use of a new Deere. We are 98 per cent. correct in our drop. Full line of REPAIRS kept on hand at all times. If you haven't the ksh, a good note is O. K write me. I have on hand a complete line of John Deere Plow Co.'s Farming Implements, Gasoline Engines, Carriages, etc.
