THE THIRD NATIONAL BANK
of Chestertown, Md.

WHAT IT MEANS!

Many people do not know what a Bank's Capital is for, or the difference between a Bank of little or no capital and one with large capital. A BANK'S CAPITAL is the fund that protects the depositors from loss; therefore, the larger it is, the greater protection the depositor has.

This Bank has a Capital of	$50,000.00
Surplus and Undivided Profits	45,000.00
Stockholders Liability	50,000.00
Total	$145,000.00

This means that WE MUST LOSE $145,000.00 before our depositors lose a cent. This protection is for YOU. When you think "BANK," think THIRD NATIONAL.

The additional protection afforded our patrons is the examination of the Third National Bank by competent and experienced NATIONAL BANK EXAMINERS, and the safe guards afforded by the protection of the NATIONAL BANKING ACT.

Interest Paid on all Savings Deposits.

Shall We Have Chautauqua?

We believe that it is the great desire of the people of the town and county to have the uplifting benefit of the Chautauqua next year. The experience of last week was an epoch in the history of Chestertown. We have been brought in contact with great people and great thoughts. We can't help but be better people, morally, socially and intellectually than we were before June 10-15, and we cannot afford to allow such an uplifting influence as the Chautauqua to pass by next year. And yet the management has thus far been able to secure only 478 season tickets at $2 a ticket, when they require that they must have at least 700 season tickets at $2 a ticket to guarantee their return here next year, when they propose to come for seven days instead of six. Mr. Downey, the stage manager, told us that they would lose $1,000 on the week's entertainment, and the management cannot afford to duplicate that loss next year. Nor should Chestertown want them to do so. Now there remain 222 more season tickets at $2 a ticket to be sold. If you who have not subscribed will send your name to the TRANSCRIPT or to Mr. L. Bates Russell, chairman of the local committee, together with the number of tickets you desire, your name will be carefully looked after. We *must* have the Chautauqua next year, and we must not depend upon our merchants altogether either to finance it. They get nothing out of it, and they should not be expected to put up so much money as they did this year. Let the Ladies Chautauqua, organized by Miss Hamilton, get busy and see what they can do towards disposing of the remaining 222 tickets. The Chautauqua *must* come next year. Send your name to the TRANSCRIPT with the number of tickets you want, and it will be sent to the proper authorities.
