Wall Papers and Paints.

Wall Paper

Our stock of new Wall Papers is nearly all in—over 9000 rolls. We purchased at a lower price and will sell at a lower price than ever before. The cash discounts on this bill is enough profit for us. We can sell these papers at the same price our competitors pay for what they buy. The starting price is

2½c Per Single Roll up to 10c Per Roll,

but come and see these papers and prices will surprise you. We'll sell paper. We sell you the paper outright or send you a competent man to hang it. No charge for our team.

Paint

Big Reduction in the price of B. P. S. Paint.

The Patterson Sargent Co. are using what they call their Universal Label on all their different products. So to keep in touch with this move, we have decided to sell all gallon cans bearing old labels at cost

$1.75 Per Gallon.

Also Hirschberg Hollander & Co.'s Stag Semi-Paste Paint; 1 gallon makes 2 gallons at $1.75. This reduction comes in season, don't wait as these prices won't last. Back they go when this lot is gone.

Love Point.

Love Point, "the Sweetheart of the Chesapeake," that delightful spot kissed on either cheek by the waters of Chesapeake bay and Chester river, at the lower extremity of Kent Island, and forming the very gateway of the Golden Eastern Shore is springing into popularity with the passing of each year. This year promises to eclipse all others. Already several excursions have been run to this point, notably the bankers excursion from Baltimore city. The bankers went to Love Point 1500 strong. A delightful banquet was served at Hotel Love Point following a day spent on the superb bathing grounds of the Point. All returned delighted with the resort.

For the children the management has procured a merry-go-round and other amusements which they may enjoy daily. There are also many other attractions for the older folk, and the dinner and other meals at the hotel are always features which regular visitors look forward to with pleasure.

The Love Point Beach and Park Company, Inc., owners of the Point, have placed on sale in the neighborhood of 300 building lots. They have employed a real estate agent, who is stationed on the grounds, to explain particulars to any who desire to look over the space. This company had an advertisement the last two weeks calling attention to the resort as the "Most Exclusive Resort in Maryland." Love Point is an ideal spot for Sunday school or lodge excursions. Write for the company's free booklet containing the history of Love Point. The first edition is now ready.

Much credit for this excellent work is due Mrs. Milton Melvin, her former teacher, who laid a strong foundation in the pubilc school.

VALUE OF ADVERTISING.

Newspaper the Shortest Route to Attention of the People.

[From the New York Herald.]

At a recent convention of Southern bankers Mr. R. L. Guerney, of the Commonwealth Trust Company of St. Louis, while speaking on the important subject of publicity characterized many of the current advertising schemes as "lemons," and added: "The shortest and most direct route to the attention of all the people is through the columns of the newspaper, for it is daily read by business men, professional men, mechanics, artisans—all alike."

There are, indeed, words of wisdom. More money is wasted in this country in worthless advertising mediums than through any other downward channel, save, perhaps, the idiotic pastime of "wine opening." And the advertisers spend their money while sober.

A noteable example of sagacious and effective newspaper advertising is still fresh in the public memory. By means of an intelligent appeal in the columns of the leading daily papers of New York more than 700 lots of the Van Cortlandt estate were quickly and easily sold to well-to-do cash purchasers at prices that actually surpassed the expectations of the heirs of the estate. Can any one believe that this result could have been attained through any other method of publicity?

An important fact for business men to consider is that an advertisement profits to an appreciable degree from the authority and reputation of the newspaper in which it is printed. And this apart from the mere matter of circulation. The newspaper of high reputation always reaches people of financial responsibility." And such a paper is the CHESTERTOWN TRANSCRIPT.

High School Commencements.

The commencement exercises of Rock Hall High School were held Thursday evening of last week, in Jr. O. U. A. M. Hall. Rev. V. P. Northrup, a former pastor of Rock Hall M. E. Church, was the guest of honor. He delivered a very forcible and interesting address to the graduating class and all that were present. The graduates were Miss Myrtle Parsons and Charles Hadaway. Prof. Walter H. Davis, principal, presented the diplomas as none of the school board were present to do so. The exercises were opened bp Rev. J. W. Prettyman and closed by Rev. Mr. Dupuy, pastor of Wesley Chapel Church.

The commencement exercises of the Chestertown High School were held last Friday night, the program being as follows: Music; Invocation, Rev. L. E. Barrett; Music; Essay, "The Silent Power," Myra Connelly Wheat; Music; Essay, "The Class Prophecy," Barbara Thekla Willis; Music; Essay, "The Place the Commercial Course Holds in the School Curriculum," Elizabeth Ann Connelly; Music; Essay, "The Class History," Merle Jane White, Music; Oration, "The Dangers That Threaten Our Country," Clyde Cooper Tarbutton; Music; Addres to graduates, John D. Urie, Esq.; Presentation of Diplomas, Principal, J. L. Smith; Benediction, Rev. L. E. Barrett.

The graduates were: *Latin Scientific*—Barbara Thekla Willis, Jeannette Fields Smith, Merle Jane White, Myra Connelly Wheat, Clyde Cooper Tarbutton, Robert Norman Hirons, Charles Franklin Smith; *Commercial*—Bernice Winifred Clymo, Elizabeth Anne Connelly, John Cornelius Newnam, Elsie Rhods Blyman. Prof. L. J. Smith who has been made county schoool superintendent, was given a number of mementoes by the teachers and pupils of the school, attesting the high regard in which he is held by all. Prof. Smyth is popular with both parents and scholars, and for this reason as well as on account of his experience as a teacher, his place as principal of the High School will be hard to fill.
