Great Fishing at Tolchester.

The finest fishing with hook and line known for many years has been enjoyed by lovers of the sport off Tolchester during the past two weeks. Fishermen say that there are more rock fish in the bay than was ever known before, and certainly the catches that have been made last and this week would indicate the truth of this statement. We reported the remarkable catch of Capt. Spencer Urie on Friday morning last. The cut below shows Capt. "Spence" with his fine string of 23 rock, the fish averaging 5 pounds in weight. These fish were caught in 1½ hours, and Capt. "Spence" lost 25 big fellows.

On Friday afternoon Capt. Charlie Harrison, another genial and obliging fisherman, went out and in a short time caught eight beauties, the largest weighing 14¾ pounds. He lost four or five others.

On Saturday Messrs. Thomas D. France, R. H. Collins, Prof. Jones and Mr. T. D. Bowers in Capt. Charlie Harrison's boat, caught 29 fine rock, one weighing 8¾ lbs., another 6¾ lbs., and several weighing three pounds, while not a rock weighed less than a pound and a half, and 47 fine perch, some of which weighed a pound. Capt. Spence Urie had two gentleman who caught 15 rock, the largest weighing 18 lbs. and measuring 34 inches, while Capt. Horace Wilson had a party of three who caught 12 big fellows and a number of fine perch. It was the finest sport [illegible] have witnessed for many years. [illegible] was a sight to see Capt. Urie with the 18 pounder. The TRANSCRIPT man hung one that must have weighed 25 lbs., but like the fiherman's yarn, he broke the hook and took his scales away with him. The fish have been biting all the week, and numerous parties have enjoyed the sport.

Mr. William E. Moody spent the day at Love Point last Sunday. He made the trip in his fine motor boat. On the return trip Mr. Moody covered the distance in exactly one and a half hours. It takes the B. S. Ford two hours to come from Queenstown here, so it can be seen that Mr. Moody's boat is some flyer.
