VOL. LI—NO. 7. CHESTERTOWN, MARYLAND, SATURDAY, JULY 13, 1912. $1.00 PER ANNUM

THE

THIRD NATIONAL

of Chestertown, Md.,

Solicits the Business and Accounts of Farmers and Public in General,

Your Bank Deposit Book affords a complete record of your receipts, while the stubs of your check books are a perfect record of expenses and payments. Paying for labor, settling a store account is much safer than with money; you avoid the risk of handling the actual cash, and the endorsed check returned by the Bank is the best kind of a receipt.

TRY IT.

This is the Bank

with resources over $800,000

This is the Bank

keeping 15 per cent. Reserve as a Protection to Depositors.

This is the Bank

under the supervision of the United States Government.

This is the Bank

examined twice each year by expert National Bank Examiners.

This is the Bank

that pays all checks upon presentation, no notice required.

This is the Bank

that is conservatively managed.

This is the Bank

that treats everybody alike

The Sign "Bank"

does not make a Bank and is often misleading. It requires time, energy, close attention to business, a substantial capital and ample resources, all conservatively handled.

THIS BANK

under its present management refers you to the past 22 years to convince you of its standing.

WE DO NOT

experiment with our business nor with your business.

THE

THIRD NATIONAL BANK

of Chestertown, Md.

Woodrow Wilson Club.

A number of Reactionaries met in Firemen's Hall on Monday evening and organized a Woodrow Wilson Club. Several Progressives strolled into the meeting, and two of them got elected to an office. The officers elected are as follows: President, Wm. F. Russell; secretary, Herbert E. Perkins—he's one Progressive who got one office; treasurer, S. Scott Beck; committee to solicit members, R. Hynson Rogers, W. F. Russell, L. W. Wickes, and Foster Cancan—he's the other Progressive who got an office. About 50 members have been enrolled, mostly adherents of the Reactionary faction of the Democratic party. They pledged their support to the Democratic ticket. Now, while we belong to the Progressive Woodrow Wilson Club, which was organized last December, we are sure that the Reactionaries by way of co-operation will allow us to make a suggestion as to one of the first duties of the club which was organized last Monday night. We have been informed during the week that there are quite a number of Reactionary Democrats in Chestertown and in this county who have made the statement that Taft is good enough for them, or that they will not support Gov. Wilson because he is too close to Mr. Bryan. It should be the duty of the Reactionary club formed on Monday night to ferret out these charges and bring their forces into line for the ticket if they find any truth in these reports. If the president of the club desires us to be more explicit in our information, we shall be glad to furnish him with a "leader."
