THE
THIRD NATIONAL
of Chestertown, Md.,
Solicits the Business and Accounts of Farmers and Public in General,

Your Bank Deposit Book affords a complete record of your receipts, while the stubs of your check books are a perfect record of expenses and payments. Paying for labor, settling a store account is much safer than with money; you avoid the risk of handling the actual cash, and the endorsed check returned by the Bank is the best kind of a receipt.

TRY IT.

This is the Bank with resources over $800,000

This is the Bank keeping 15 per cent. Reserve as a Protection to Depositors.

This is the Bank under the supervision of the United States Government.

This is the Bank examined twice each year by expert National Bank Examiners.

This is the Bank that pays all checks upon presentation, no notice required.

This is the Bank that is conservatively managed.

This is the Bank that treats everybody alike

The Sign "Bank"
does not make a Bank and is often misleading. It requires time, energy, close attention to business, a substantial capital and ample resources, all conservatively handled.

THIS BANK
under its present management refers you to the past 22 years to convince you of its standing.

WE DO NOT
experiment with our business nor with your business.

The One Thing Needful
Many women let the spring season go by without buying a tailored suit—they argue, "hot weather will be here before you know it," but the cool spell of this week demonstrated that a tailored cloth suit is indispensable to a woman's wardrobe.
And just now, with SEMI-ANNUAL CLEARANCE in full sway at The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore, a really fine tailored suit costs so little that it does not justify a woman to subject herself to the inconvenience of being without one.

Grange Picnic.

The grangers of Kent and Queen Annes counties are to hold a farmers' picnic in Klinefelter's grove, near Chester bridge, on the Queen Annes side of river, Saturday, August 10th. The committee on speakers is arranging an interesting program to consist of music and addresses.

The exercises will commence at ten o'clock A. M., with an address by the National Lecturer, N. T. Hull, on "Value of the Grange to the Farm." Another interesting and instructive address will be delivered by Mrs. E. Funk Muhse on "Farm Sanitation." There will be quite a display of farm machinery and implements, affording visitors an opportunity to see and inspect the latest improvement in gasoline engines, spraying outfits, plows, etc.

The picnic is to be an old time sociable basket gathering, one that is to remind us of the early childhood days which we all used to enjoy so much. So everybody come with your basket and invite your neighbor. Ample provision has been made for the care of teams on the grounds.

Governor Goldsborough has promised, if back from his vacation in time, to be present, and if he gives as good a talk as Gov. Crothers did last year, he will be well worth hearing.
