THE

## THIRD NATIONAL

of Chestertown, Md.,

Solicits the Business and Accounts of Farmers and Public in General,

Your Bank Deposit Book affords a complete record of your receipts, while the stubs of your check books are a perfect record of expenses and payments. Paying for labor, settling a store account is much safer than with money; you avoid the risk of handling the actual cash, and the endorsed check returned by the Bank is the best kind of a receipt.

TRY IT.

This is the Bank with resources over $800,000

This is the Bank keeping 15 per cent. Reserve as a Protection to Depositors.

This is the Bank under the supervision of the United States Government.

This is the Bank examined twice each year by expert National Bank Examiners.

This is the Bank that pays all checks upon presentation, no notice required.

This is the Bank that is conservatively managed.

This is the Bank that treats everybody alike

## The Sign "Bank"

does not make a Bank and is often misleading. It requires time, energy, close attention to business, a substantial capital and ample resources, all conservatively handled.

THIS BANK

under its present management refers you to the past 22 years to convince you of its standing.

WE DO NOT

experiment with our business nor with your business.

Crimson Clover Seed

We are offering Fine New Crop DELAWARE BRAND Seed right from the heart of the Crimson Clover country. We do think prettier seed could not be had and lower in price than last year. The demand has been quite heavy, but our stock is quite large yet. If not ready for the seed now, let us book your order for future delivery.

Winner Plow Truck

This is a new one here having only been sold here for the past two seasons, but is has met with favor. It makes a riding plow of any walking plow that you have, and works fine. We can refer you to people who are using them. The whole attachment complete is only $10.00.

Plow Shears

We carry SHEARS for Vulcan, Oliver, Syracuse, Imperial and South Bend Plows. We grind shears for any make of plow, and we grind all sizes for only 10c. They do as good work after they are ground as they do when new. We have a good outfit now and can grind them very promptly.

American Fence

We have on hand all the leading sizes of American Fence, and all this Fence has been stored since its arrival last spring in our large warehouses at the depot. The prices are lower now than they are likely to be in the spring as we have already had two notices of an advance in the prices since we bought, but we are giving our customers the benefit of our early purchases.

Yours for business,
